## Campaign For New Home For Nurses Starts

Newton Hospital's \$350,000 campaign for a new nurses' home, vitally needed for a decade in order to serve Newton and Wellesley communities in accordance with the high standards which the hospital has always maintained, will be launched Monday evening, June 6, at 7, at the Weeks Junior High School.

An enthusiastic gathering of division chairmen, special gifts committees, team captains, lieutenants and workers, numbering close to 800, under the command of Henry J. Nichols for the Newtons and William Holway Hill for Wellesley, will participate in this dinner meeting, which will officially open the ten-day intensive appeal, concluding June 15.

A special gifts committee of more than 100 citizens are now at work soliciting special gifts in the Newtons and Wellesley. Designated gifts are proving to be a very popular form of giving, and many of these gifts are being given as memorials.

Among the designated gifts which have been reserved are the nurses' living room, representing a donation of \$25,000; the suite for the superintendent of nurses, representing a contribution of \$5,000; and a number of the dormitory rooms, representing varying contributions from \$600 to \$2,500 each.

Yesterday booklets describing the needs, outlining the campaign objectives and listing the available designated gifts, were mailed from campaign headquarters to hundreds of prospective contributors.

Also on Thursday, Wellesley workers reported at the Wellesley Trust Co., between 5 p. m. and 10 p. m. to select the cards which they will solicit. On Tuesday evening, the Newton special gifts committee met at the Brae Burn Country Club under the leadership of F. Ashley Day, Jr., divisional chairman.

Campaign headquarters at Room 6, Bray Block, Newton Centre, report many visits daily from leaders and workers already hard at work on their solicitation assignments. From the general chairman down through the ranks of workers, there is a remarkable spirit of optimism and confidence in the success of this drive to provide adequate housing and training for Newton nurses.

The divisional chairmen and team captains for the Newton villages include the following:

Auburndale, Women's Division, Mrs. Charles E. Floyd, chairman; Team 21, Mrs. Henry Keever; Team 22, Mrs. Richard Kenney; Team 23, Mrs. Chester Cleveland; Team 24, Mrs. Thomas J. Noone.

## State A.B.C. Board Hears Carris Case

The State A. B. C. Commission held a hearing on Tuesday on the appeal of George Carris, proprietor of George's Lunch at 291 Centre st., Newton, from the ruling of the Newton License Commission which suspended his liquor license for a period of two months. The license was suspended by the local commission after investigators of the State A. B. C. made complaints against the place. At the hearing, Commissioners Moriarty and Spaulding of the Newton Board testified against Carris. Agents Barry Gent and Keefe of the State A. B. C. testified that on the night of April 30th they visited Carris' lunch room and found ten men there in an intoxicated condition, one of them being so drunk that he had to be carried out of the place. They also testified that beer was served to two minors. Two employees of Carris, a bar tender named Daves, and a waitress named Stewart, testified to refute the charges made by the A. B. C. men. Carris testified that he was not at the lunch room when the alleged violations of the law occurred. The A. B. C. Commission reserved its decision.

## Start Work on New W. Newton School

Work on the construction of the new school at Derby and Cherry sts., West Newton, was started last Friday by Todd Brothers of Newtonville, the contractors on the project. The school is to cost \$265,750 and is supposed to be completed by January 31, 1939. The architect of the school is Albert Kreider of Newtonville. It will replace the old Franklin School on River st., and several years ago the school committee decided that it was the most needed school project in this city.

## Auto Driven By Boy Hits Woman

A car driven by William H. Baker, 16, of 698 Centre st., Newton, hit Constance B. Warren of 138 Newbury st., Boston, last Friday afternoon as the woman was crossing Chestnut st. at Woodward st., Waban. She received severe injuries to her skull and right hip and was taken to the Newton Hospital in an automobile driven by Paul Keating of Walter st., Newton Centre. Young Baker, who obtained his driving license two months ago, reported that he had slowed down to permit two cars to cross on Woodward st., and that when he saw Mrs. Warren a short distance in front of his car he applied the brakes in a vain effort to avoid hitting her.

## Newton Man Fined \$25 For Speeding

James Timmons, 26, of 39 Elmwood st., Newton, was fined \$25 by Judge Murray in the Newton court on Saturday for speeding; it being his second conviction for such an offence within the year. Patrolman McGrath also charged Timmons with driving without a license, but on this charge he was found not guilty as his license was expired and he told the court he was driving on the license of a girl who was in the car with him. Timmons also raised the issue that inasmuch as he was driving on the license of the girl, he could not be charged with speeding, but Judge Murray did not fall for this technicality. Timmons appealed.

In court the same day Judge Murray fined Daniel DiGiacomo of Dorchester \$25 for driving a truck to the left of the centre of the street. The defendant tried to excuse himself by saying he had to pull out of line to avoid hitting a car which stopped in front of him, but Patrolman Smith testified DiGiacomo passed four other cars on Watertown st. near Chapel st.

## Fine Number Pool Collector \$50

Dominic Igneri of Browley st., Roxbury, was fined \$50 by Judge Mayberry in the Newton court on Tuesday for promoting a lottery. Captain Goode testified that he arrested Igneri at Newton Corner, on Saturday afternoon, and that the defendant was a collector for the big shots of the Boston number pool.

## Erring Motorists Pay Fines

In the Newton court last Friday fines of \$5 for speeding were imposed on William Coppinger, 17, of Needham; Gilbert Smith, 17, of Brighton and Joseph Clougherty, 19, of South Boston. William Karalekas of Newton Centre was fined \$5 for ignoring a traffic signal, and a fine of \$3 was imposed on William Kermayer, Jr., of 79 Athelstane rd., Newton Centre, for not obeying a traffic signal.

## Three Children Smash Greenhouse

Newton police were notified Monday afternoon that children were breaking panes of glass in the greenhouse at 386 Commonwealth ave. on the estate formerly occupied by Edward Rose. Patrolmen Hoyt and Taffe responded and found the trio throwing flower pots through panes of glass. About twenty panes had been broken. The vandals were a boy, 12 years of age, and two girls, 9 and 6 years of age, all residing in the near neighborhood. Their parents agreed to pay for the damage.

## Newton Engineering Student Wins Honor

Richard P. Boyer, Jr., 125 Franklin st., Newton in the College of Technology, U. of Maine, delivered a talk on a cordless switch board, which he intends to patent, before the Northeastern District Convention of the American Institute of Electrical Engineers, this past week at Lenox, Mass. Not only had he the distinction of being invited to speak, but won second prize for presentation of his topic. Next year, he plans to return to the University for further study and will act as instructor in the Electrical Laboratory there.

## State Approves Use of Land For Cemetery

The State Board of Health has given its approval for the use for cemetery purposes of the Esty Farm Land at Oak Hill. A petition for such use was recently presented to the Newton Board of Aldermen by the trustees of St. Joseph's Cemetery and Holyhood Cemetery. The matter was referred to the Newton Board of Health and a public hearing held thereon.

The State Board of Health makes the proviso that such part of the land as is at an elevation low or lower than the ground water table shall not be used and that no burials will be made in graves which would contain standing water.

The Newton Board of Health will face the problem of determining which sections of the land are suitable for burial purposes.

## Mayor Childs Says Cullen Not Stooze

Mayor Childs on Wednesday, replying to a letter written by Alderman Frank T. McCabe, and which appeared in a newspaper on Tuesday, asserted that the statement that "Sergeant Mechanic Cullen is a stooze is untrue. The Mayor also stated that Cullen has done police work, and he says that he did not discuss with Cullen the matter of who would be the head of the newly created Traffic Bureau in the Police Department. He said the only persons he consulted on the matter of the appointment of the head of the Traffic Bureau were representatives of the Newton Safety Council.

## Horse Runs Wild, Driver Injured

A milk wagon owned by the Hood Milk Company and an automobile collided at the corner of Watertown and Nevada sts., Newtonville, on Tuesday afternoon about 4 o'clock. The horse attached to the wagon reared and its legs got caught in the front bumper of the car. Freeing itself from the bumper, the frightened horse broke one of the shafts on the wagon. Its driver, Wallace Doten of Woodrow ave., Newtonville, had jumped from the wagon and was trying to control the horse. He was severely kicked and it was thought when he was taken to the Newton Hospital that his left leg was broken. The horse ran wild to Craft st., tipping over the wagon and scattering broken milk bottles along Watertown st.

## Rep. Luitwieler To Run for Reelection

Clarence S. Luitwieler, who is completing his 14th year as a Representative from Newton in the Legislature, announces he will be a candidate for re-election.

Mr. Luitwieler has a rather unusual record, for in the past 13 years he has not missed a single sitting of the Legislature nor a single committee meeting. For 10 years he was Chairman of the Committee on State Administration; served 4 years on the Committee on Labor & Industry, and during the past year on Transportation. During his entire legislative career he has consistently fought against all unnecessary appropriation and all measures which would in any way increase state taxes. He was one of 14 who voted against the \$11,000,000 appropriation in the State Budget, and also on every item which the Committee on Ways & Means wanted defeated.

## Safety Parade on June 16 Discussed By Safety Council

The Newton Safety Council held a meeting on Tuesday night at Police Headquarters at West Newton. General Daniel Needham presided. Raymond Greene, chairman of the Child Education Committee, told of the safety program in the public schools. He said that in the grade schools emphasis was placed on pedestrian safety; in the junior high schools on bicycle riding; and in the high school on automobile driving, with special attention being given to "prospective 16-year-old crazy-to-drive automobilists." Mr. Greene submitted the proposed ordinance his committee had prepared relative to licensing bicycles in Newton. He said that the City Solicitor had stated that the ordinance could not be accepted by the city as it was contrary to State statutes. Daniel Needham said he had conferred with the City Solicitor in an effort to have some means devised so that the ordinance could be adopted.

Alfred N. Miner, chairman of the Traffic Engineering Committee of the Council, and Charles Weston, of the Accident Facts Committee, submitted a plan whereby members of the council will make a record of various types of violations of automobile and traffic laws in Newton and send such observations to the secretary of the council. Any motorist who committed five violations would be reported to the Registrar of Motor Vehicles. They said this method has been productive of increased safety in places where it has been used. Charles Mahoney, Supt. of Streets, opposed the plan. He said it would be unfair to the motorist accused, as so long a time might intervene, he could not contradict the charges. It was finally decided that the campaign will be issued just for the acquiring of information to obtain data on traffic violations, and that forms will be printed on which the members will report the violations.

Edward H. Powers, chairman of the publicity committee which is in charge of the Safety Parade on the evening of June 16, reported that various features are being planned for this demonstration. A number of wrecked cars will be towed in the parade, various organizations will prepare floats, there will be a procession of cars to remind citizens of the 26 fatal automobile accidents in Newton the past three years, ambulances and a hearse will be realistic reminders of reckless driving. Insurance and oil companies will have safety displays in the parade and the Newton Post, A. L. Band and V. F. W. Drum Corps will give their services. The parade will start at 7 o'clock at Newton City Hall and proceed to all the villages in the city.

## Charge Woman Reckless Driver

Walter Neville, 9 son of Mr. and Mrs. Louis Neville of Newtonville ave., Newtonville, was hit on Wednesday morning at 5:35 by a car driven by Mrs. Charlotte Berg of 1643 Washington st., West Newton. The boy received a severe gash on his forehead and was taken to the Newton Hospital in the police ambulance. The boy was crossing Washington st. opposite Our Lady's Church on his way to school when he was hit. Patrolman Frank Dow, who does traffic duty at this point, charges that Mrs. Berg drove past the traffic signal there when the red and yellow lights were against her, and he obtained a complaint charging danger to the lives and safety of the public. She will be arraigned in the Newton court next week.

## A LONG AWAITED IMPROVEMENT

The proposed new traffic signals in Newtonville square should be a vast improvement over those now in use at the intersection of Washington and Walnut streets. We are informed that the new signals will be installed within a month or two and will provide two advance green arrows. These arrows will permit traffic making left turns to proceed before the "go-ahead" signal for those cars traveling straight through the intersection. These left arrows will be used for traffic going west on Washington street and turning left onto Walnut street and for traffic going north on Walnut street and turning toward West Newton on Washington street. Under existing conditions, without any advance signal, traffic turns left and cuts across in front of oncoming through cars, creating congested and also dangerous conditions. For a long time we have witnessed many cars, when traffic is rather heavy, edging over onto Washington street onto what should be the eastbound lane, cutting sharply over, and picking up speed rapidly with little regard for pedestrian traffic which had not reached the opposite curb after starting across on the pedestrian signals. The elimination of the traffic beacon in the centre of the square and the installation of signals on the sidewalks, with push button control for pedestrian traffic, will also result in improved conditions. Although it is possible that the centre beacon does not add to the hazards of the situation it handicaps the smooth handling of traffic as many operators unfamiliar with the location do not know whether to go around the beacon or whether they are permitted to cross over in front of it. Automobile drivers, pedestrians and others who travel through Newtonville square frequently look forward with anticipation to the improvement which the street department has taken steps to bring about.

## Four Arrested For Assaulting Man

Louis Frank, 48, of 20 Clinton st., Nonantum, was severely beaten late Monday night near his home. He was taken to the Newton Hospital in the police ambulance and was found to have received a head injury. Neighbors notified the police of the fracas, and Patrolmen McEnaney and Whalen who proceeded to the scene in a police car found Frank unconscious on the ground. Frank told the police that the assault followed an altercation he had with his alleged assailants. Within a couple of hours after Frank had been taken to the hospital, police arrested four men on the charge of having been involved in the assault. They are John J. Geary, 22 Madison ave., Newtonville; Charles A. Geary, 11 Clinton st., Newton; John J. Kelly, 18 Jewett st., Newton; and James McLellan, 330 Lexington st., Abundant. They were arraigned in the Newton court on Tuesday and their case continued until June 8.

## Six Families Routed by Fire

Another early morning fire at Nonantum routed six families from their beds at 4:40 a. m. Frank Charlton of Adams st. was delivering milk when he saw smoke issuing from the wooden block at 56-66 West st. He aroused some of the occupants and gave the alarm. Box 174 was pulled at 4:41 and the firemen were at the place for two hours. The damage was estimated at \$2000. The block is owned by Michele Antonelli of 24 West st. and the fire started in the tenement at 60 West st., occupied by Anthony Antonelli, Mr. and Mrs. Joseph Ruggiero of 62 West st. rushed from their home with six of their children, and then Mrs. Ruggiero returned into the smoke filled tenement to bring out her 5 year old daughter. Others who fled from the building included Mr. and Mrs. John Brennan at 56 West st., Mr. and Mrs. Marco Mosca and their son from 58, Mr. and George Aucoin and their large family of children from 64, Mr. and Mrs. Samuel Valenzano and eight children from 66. Chief Randlett said the cause of the fire was not determined.

## LASELL JUNIOR COLLEGE

The Charles River crew course was alive with racing crews and cheering spectators on Thursday afternoon when ten crews competed for first, second, and third places. There was also a race between Faculty and Alumnae.

Officers of the College Government Association have been elected: Margaret Schneider of Upper Montclair, N. J., president; Mary Curtin, Plymouth, Mass., vice-president; Louisa Clark, Waltham, Mass., secretary; Shirley Wood, Westfield, N. J., treasurer.

A formal dance in the auditorium-gymnasium, sponsored by the College Government Association, and including members of all classes, was held Saturday evening, June 4, Irene Gahan, Belmont, Mass., was chairman.

Mr. Francis Russell of Boston spoke to the students at the Friday assembly.

Mayor Edwin O. Childs will be the vesper speaker Sunday evening.

## Sunbeam Chats

Mother said she had a big treat for me—another lady was going to bring her little girl to visit and play with me. I was all excited. She was a cute little girl, but an awful cry baby. She fussed about everything—then her mother brought her a funny looking green thing on a stick, called a lollypop, and she put it right in her mouth and sucked 'n' sucked. It looked awful interesting—I kind of looked at Mother, but she said, "Come on, big boy, it's time for you to have your banana!" At that I guess it tasted better than that lollypop.

(Sunbeam Chats are sponsored by the Newton District Nursing Association.)

## Letters To The Editor

ALDERMAN McCABE  
CRITICIZES MAYOR CHILDS

To the Editor of the Newton Graphic: In your paper of May 27th was an article relative to the Traffic Bureau of the Newton Police Department. As a member of the city government I desire to state that this proposed plan is an unwarranted and illegal interference with the control of the department by its proper head, the chief of police. The City Charter states "The Police department, to be under the charge of the Chief of Police." This is violated when the chief is being constantly harassed with interference on the part of the mayor. It is also in complete disregard of his policy as announced Jan. 1, 1936, viz: "a patrolman would be a patrolman" and so on up through the grades, "and the chief a chief."

On many occasions the only way members of the City Government know what is going on is by reading the newspapers. We read that the Mayor intimates this or that, and that is the first we hear of it. It should be different if the announcement was the same date was made in good faith when he said "Let us not deviate or go astray from the idea that public office is a public trust to be administered in a businesslike way, honestly, carefully, without sentiment and without extravagances." With these principles I am in complete accord. Let us see what they have worked out in actual practice.

"In the last two and one half years the city has developed what is called the stogie system. This is where certain close associates of the mayor in many of the city's departments do just about as they please, and are responsible not to their proper heads of departments, but to the mayor. This is, to say the least, inefficient and costly government. The most flagrant example of this practice is in the Police Department, where the mayor's stogie, Sergeant Mechanic Cullen, has been permitted to do just as he pleases. The most glaring example is the Childs-Cullen one-patient ambulance, the well-known disgrace of our city. It should be noted here that the ambulance was bought by the mayor and the sergeant, mechanic, and the chief of police had nothing whatever to do with its purchase. This was by order of the mayor."

"As to the Traffic Bureau, the Board of Aldermen, in my opinion, is in favor of that and have wanted to cooperate, but the mayor's idea of co-operation is like a one-way street, all his way. Originally when he proposed the chief took immediate steps to put this into effect, and selected Sgt. Bannon, an officer of 28 years' service, who as far as I have been able to learn, has a very fine record. He has protected the citizens of Newton all these years at night, whereas Serg. Mechanic Cullen has never done any regular police work, and comes and goes when he likes in the daytime. It seems that Sergeant Bannon was directed by the Chief to attend the Harvard School of Traffic, which he did with satisfaction to all concerned. Then the Mayor directed the Chief not to appoint Sergeant Bannon. Here is where the Chief could not do his full duty as he should be allowed to do."

"It is my understanding that the chief deferred to the mayor, and then selected Sergeant Burke and Inspector Hammell to do this very important work. Both of these officers are of the Inspector's Division. This selection I believe has also met with the approval of the Newton Safety Council. It is also generally conceded that these officers have done their work properly. It seems that the chief has been ordered by the mayor to assign Lieut. Moan to this duty. He is to be taken off his proper duty at night where he now works along with Lieut. Mahoney, obviously to create another vacancy for a lieutenant."

"It costs the city \$2450 a year for Sergeant Cullen, and his wife \$1500 a year. He is the chief of the control-ler's office, where all the city's business passes, a total of \$4350 a year, a rather tidy sum."

"It costs the city for the mayor's office for 1938 \$8600.00. It costs the city for the Board of Aldermen for 1938, Nothing! I am one of 21 who serve and have served without compensation of any kind, directly or indirectly, and with no axe to grind except that of efficient and honest government."

"In the finance committee's report on the 1938 budget praise was given to the efficiency of the fire department in which I concur. However, I know that in this department the mayor does not tell the chief how to extinguish fires, and as far as I know there is no stogie who has access to the mayor for the purpose of advising him how the Fire Department should be operated. I do not imagine for one minute that the Fire Department mechanic goes and comes as he pleases. In other words the chief is in command. This is not true in the Police Department. The discipline is being constantly undermined by the mayor-sergeant-mechanic tieup. The Police Department deals with the public every minute of the day and night, and it is surprising that we have as good a department as we have in the mayor's interference, through the sergeant-mechanic, of the proper performance of the duty of the chief of police. Now we are to have a Traffic Bureau of which the chief does not have proper control. This means more wheels within wheels. It violates all accepted principles for the control of a properly disciplined organization."

"Personally I am fed up with hypocrisy, inefficiency, incompetence, mismanagement and other things of which more will be revealed in the not distant future."

Very sincerely,

FRANK T. McCABE,

Alderman-at-Large, Ward 1.

Member of Finance Committee

## WIN STATE TITLE— ALSO HOLIDAY MEET

The Newton high track force, continuing their triumphant surge to an undefeated outdoor season, overwhelmed all opposition at the Dickinson Stadium to win Class A honors in the State meet and then celebrated the holiday with another victory at the Amherst Interscholastic, held this year at Mt. Hermon academy at Northfield.

In retaining its state title, and its fifth State Meet crown in ten years, Newton athletes figured in the making of one new record and the equalling of another, for the outstanding feats in Class A. In Class B two new records were made and another equaled.

Don McKinnon, undefeated in the hurdles this season, was the Newton individual star equalling the figures over the 120-yard barriers in 14 1/2 flat. The Newton champion had little competition from the same trio he had beaten in previous meets, namely, Woolfson of Brookline, Lisle of Lowell and his teammate Neil Cheney, who finished in that order with McKinnon having a five-yard lead at the tape.

A Newton relay quartet, comprised of Dick Hurley, Bill Pescosolido, McKinnon and Frank Hines, racing against Boston English in the final event, set up a new mark of 1m 33.2s for the half-mile distance rather unexpectedly and surprisingly. The new figure displaced the old time made by the Newton relay of 1935 (Ted Ladd, Allan Freeman, Bob Muther and Warren Witten).

These outstanding highlights took place despite a sudden track and a mean headwind. Frank Hines found a bad start, coupled with the wind and damp track, too much for him as far as new figures were concerned but he broke the tape a foot ahead of Billy Wood of Lowell in the 100-yard dash with Concannon of English third and Taylor of Roxbury Memorial fourth. At the halfway mark, as at Harvard the week previous, Hines was in third place but had the lift to finish in front of Walter Everett, second at Harvard and Friary of Mechanics, an other contender, had tough luck in the draw for heats. Although they both qualified for the semi-finals, they were shut out when only first and second were chosen to enter the final.

Joe Paglia of Newton got a third in a trial heat in the 220-yard dash but failed to make the grade in the semi-final. Fred Hall, with a third in the first heat, and Jim Shafenberg, third in the third heat of the 440, also found the opposition too fast and their times failed to qualify them for the point division. Basil Babcock placed third in the second heat of the 880-yard run in which heat all the point winners were found as Sadevich of Lowell had just enough to stave off Vitold Pocius of Brockton in the fastest of two heats against time. Babcock was a few strides behind the Shoe City athlete.

Billy Pescosolido came through to win the high jump with a leap of but 5 ft. 10 1/2 in., with Mark Messier picking up the fourth-place point two inches lower to add six points to the Newton score. With a 6 ft. 2 inch leap at Harvard, Pesky was expected to surpass the 6.06 mark for the State meet but fell far short. Jack Callahan, expected to compete in a first in the broad jump, also fell by the wayside when he failed to do better than 20 ft. 4 1/2 in., which was not good enough to place. Callahan has done 21 feet and on his first try on Saturday fouled with a 21 ft. 5 in. jump.

## NEWTON TENNIS STARS IN HARVARD TOURNEY

Newton High tennis stars figured prominently in the annual Harvard interscholastic tournament over the past week-end when Albert Everts and Don Manchester reached the semi-final round. Other semi-finalists were Bill Power, of Powder Mill, winner of the annual Newton Interscholastic tourney in 1937 and also two weeks ago, and Willie Barnes, undefeated this spring as a member of the Exeter Academy tennis team.

Everts met Barnes and sent him down to his first defeat, 5-7, 6-3, 6-4. The Newton player, seeded fourth, Power toppled Manchester in straight sets, 6-4, 6-0 and then faced Everts in the final match at the Longwood Cricket Club courts on Sunday. Power retained his title, which he won a year ago, defeating the Newton youth 6-1, 4-6, 6-4. Everts improved consistently in his match but lost out as Power stiffened to take the tenth game in the third set. Power, as defending titlist, was seeded first and Manchester second.

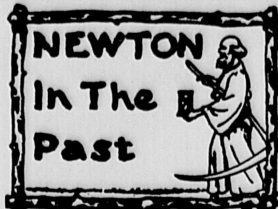

Power will represent this section in the national interscholastic tourney at Germantown, Pa., in July. Barnes and his teammate Hendrie, of Exeter Academy will be the doubles combination.

### Junior Department

As part of the Holiday program, twenty-four youngsters took part in a Treasure Hunt. The clues led the group from the boys' lobby through the baseball diamond, field, tennis courts, and back to the building where much to their surprise the "treasure," which consisted of a leather wallet kit, was found on the counter in the men's department. Robert Whelan of Oakland st., Newton, was the lucky winner. The Hunt was planned and laid out by Mr. John Andrew Jr., Associate Boys' Secretary, and conducted by Mr. V. A. Anderson, Associate Physical Director.

The Annual Spring Field Day conducted by the Y. M. C. A.'s of Eastern Massachusetts is to be held this year at Cabot Reservation, Waltham, on Saturday, June 11th, from 10 A. M. to 4 P. M. The program in store for boys includes a Novelty Track Meet, Football game, Rally, Nature Walks, and a Mammoth Treasure Hunt.

62 YEARS AGO

Newton Republican, June 3, 1876

General James Centennial Coffee and Professor John Cooley of Milford will begin their grand test walk from the State House, Boston to the Centennial grounds in Philadelphia today. General Coffee will trundle a wheelbarrow and Professor Cooley will carry a banner. They will pass through Newton at 10:30 a. m.

Several families have moved into Wards 1 and 7 the past week. A part of them are former residents returning to the beautiful city which they enjoyed so much. Every street and avenue has put on its wedding garments, the freshness and vigor of the springtime and opening summer gladden the eyes, while the cheerful strains of the sweet songsters charm the ears.

As the first night freight train was passing the Abundant depot about 5:30 Thursday evening, a lad about 13 years of age attempted to get on one of the cars to ride to Riverside. He missed his footing and fell, several cars passing over him, cutting off one leg and badly injuring the other. He was carried to the hospital in Boston on Conductor Patch's train.

In 1666, two hundred years ago, a town meeting was called in Newton to consider about fortifying the town against the Indians. It was deemed necessary to fence the town with a stockade or something equivalent thereto, but King Phillip dying soon after, the timber was used for the repairing of the bridge across the Charles River between Newton and Watertown. This bridge was first constructed in 1660.

In compliance made by Comrade William Carver Bates in his Memorial Day address, steps have already been taken which will result in placing in the Public Library a portrait of Charles Ward, the young Christian soldier for whom the Newton post of the G. A. R. is named.

In Brookfield a committee of citizens has planted maples for 1 1/2 miles on the main street and a citizen has added a mile more of trees on the plain between the town and the West village. This is the right way to plant trees this centennial year.

Diphtheria, so fatal in other parts of the State the past winter, reappeared here lately. The only daughter of Moses Thompson of Newton Highlands has died of it.

Contributions of flowers for Memorial Day were very generous by residents of Lower Falls. Commander Conant, leaving that St. Mary's cemetery, which contains the grave of a soldier of the Revolution, made arrangements to have his grave also decorated. The veteran, Zebulon Hooker, was born in Sudbury and was at the Battle of Bunker Hill doing duty as a drummer boy. A shot from the enemy passed through the head of the drum. The boy threw the drum away, seized a musket and rendered valiant service with it. He later came to Lower Falls to live and resided 50 years here.

The committee on arrangements has completed the program for the celebration in Newton on the evening of June 17, Mayor Speare will preside and the Newton City Band will play. A choir composed of 39 young ladies from the high school will sing. Thirteen of these are descendants of old settlers of Newton, and four are great-grandchildren of John Woodward, who was chairman of the town meeting 100 years ago, which passed the famous vote in declaration of freedom.

Arthur Porter of Newton came in second at the 12 1/2 mile bicycle race at Waltham on Wednesday; time 1 hour and 55 minutes. (High wheel bicycles, Ed.)

Mr. Prince and a lady of Waltham were thrown from a buggy at the corner of Washington st. and Walnut park last Friday, the horse coming in contact with a rope stretched across the street to keep people from passing while a building was being moved. Neither suffered serious injuries.

It would be a nice thing to do on the Newton Highlands side of Crystal Lake, just beyond the residence of Mr. Crane, to build a terrace, something like what has been done on Centre st. Here is a chance for the Improvement Society to take the initiatory steps, expecting assistance from the city toward defraying expenses.

(Editorial by J. C. Brimblecom) I wonder if the taxpayers of this city fully realize of the vote last week of the Aldermen in approving in full the request of the School Committee for an appropriation of \$377,233 for 1914? This action, following that of last year evidently means that no successful attempt can be made to stem the enormous increase in school expenses from which the city treasury is at present suffering. In 1902 the cost of schools was \$212,000, in 1906 it was \$249,000, in 1910 it was \$335,000 and in 1914 it will approximate \$390,000; all of these figures including the cost of repairs on school buildings. In addition to this enormous total, sinking fund charges and serial bonds on

## Powers' Paragraphs

The unsightly, large handball court which was erected last year near the bathing beach at the Metropolitan parkway between Newton and Faneuil has been removed. In this column on October 15th of last year we called attention to this eyesore which was erected as a N. Y. A. project. Subsequently Robert V. Spencer of 84 Walker st., Newtonville protested to the Metropolitan District Commission regarding the offensive wooden structure and he received courteous attention from William E. Whitaker, secretary of the commission. Two weeks ago the handball court was razed. It will be rebuilt elsewhere in Brighton. The Metropolitan District Commissioners are to be commended for their co-operation in having the handball court removed and by this action restoring the Charles River Parkway to its former attractive appearance.

Recently the Japanese have been bombing the city of Canton in Southern China, killing and wounding thousands of men, women and children. Pictorial magazines for months have been printing pictures of hideous

scenes in other Chinese cities that were bombed by the Japs. The industrious Chinese laundymen of this city came from Canton and its environs. Because the Chinese are being gradually cut off from supplies of munitions they are having an increasingly difficult task in resisting the Japanese invaders. Assist the Chinese by boycotting products of Japan. Silk is the principal Japanese product used in this country; it is used mostly for silk stockings.

The Technology students showed little respect for the few surviving veterans of the Civil War by selecting Memorial Day as the occasion for their annual display of rowdiness. Neither did they evidence a desire to co-operate in Massachusetts' drive for highway safety when they pelted automobiles with bags of water, causing some of the motorists to lose control of their cars. And the Cambridge police refrained from using their clubs or tear gas in quelling the frivolous Tech boys. Would they have been so considerate with youths from the poorer sections of Boston? ## Newtonville Mail Truck Robbers Get 7 Years in Prison

Andrew MacDonald, 40, of Pequotsett st., Watertown; his brother, William MacDonald, 36, of North Beacon st., Brighton; and Joseph Kelly, 43, of Tower st., Jamaica Plain, each was sentenced to serve 7 years in a Federal penitentiary by Judge Hugh MacLellan in the Federal court at Boston last Friday. They were found guilty of having been involved in several robberies of mail trucks and mail pouches the past few years. Andrew MacDonald had been employed by the Post Office Department as a truck driver in the Boston postal district for 16 years.

The first robbery was on December 12, 1936 when a mail truck was stolen from the Grove Hall, Roxbury post-office and \$1600 taken. The second robbery in which the MacDonalds were involved was on February 12, 1937 when a registered pouch containing \$8000 was stolen from a mail truck in Arlington. On January 14 of this year Andrew MacDonald and Kelly stole a mail truck from alongside the Newtonville postoffice and looted it of money and negotiable papers totalling \$2475. A couple of weeks later two boys found some of the mail matter which had been in the stolen pouches near the railroad tracks opposite the Allston station. Among the letters found was one from Postmaster Tague of Boston to Andrew MacDonald notifying him of demerits he had received for some infraction. MacDonald had carelessly mixed the official letter with the stolen mail matter, and from this clue postal inspectors traced the robberies to the trio.

Walter Hannigan of 221 Langley rd., Newton Centre, reported to the police that as he slowed the ice cream truck he was driving on Ward st., Newton Centre, last Saturday, when a customer signalled him, the truck was hit in the rear by a car driven by Jacob Finklestein of Brighton. Hannigan told the police that his head was injured when it hit the back of the cab at the time of the collision.

Cars driven by John McLaughlin of Allston and Blanche Hallett of 12 Garden rd., Newton, collided at Centre st. and Garden rd., Newton, on Tuesday night. It was reported that Mrs. Nora Pallis of Allston, riding in the McLaughlin car, received an injury to her right knee.

## ONE THING AND ANOTHER

By L. D. G. BENTLEY

Lack of Appreciation

It now appears as if the recent attempt in this column to engage in an erudite discussion of escapists and surrealists missed fire with some of our closest readers. When one, whose sympathies are always to be counted upon, observed, rather sharply, "That was too highbrow for me," it brought discouragement. That feeling became intensified when another said, "Lay off that stuff unless you furnish a blueprint," and positively acute when a postcard message read, "Don't fool yourself by handing us that kind of fireside chatter." In our present frame of mind it will probably be some time before we put into print the brightest output of our brain. Indeed, we have resolved not to indulge again this summer in frontier thinking.

It Happened in Newton

It was one of those evenings when the family hadn't expected any callers and it turned out that several dropped in and the telephone was ringing almost continuously. Among the visitors were some Brookline friends who wanted to know what kind of a neighborhood it was. The talk drifted to "keeping late hours" and then they started kidding grandfather about his habit of retiring while the night was young. "What time do you go to bed, fairly early, eh?" asked a college sophomore, who thought to take old man for a ride. "Well," replied the latter, "I don't sit up for the 11 o'clock news broadcast."

Householder in the Middle

It is perfectly reasonable for the Newton Street Department to urge separation of ashes from other waste material deposited weekly in barrels and placed on the sidewalk for collection. The system employed by the city must be simple to be effective and cooperation of citizens should be wholehearted. There remains, however, one problem for the householder no matter how carefully he prepares the contents of the barrels. Once they are filled and rolled out they become the prey of human buzzards who pick and claw among the rubbish. They have no hesitation mixing papers and ashes and frequently scatter both in the street. Sometimes these irresponsible people may be seen at their mischief but more often they do it when nobody is looking. When the collectors come along they may guess what has happened but as far as they know the householder has failed to follow in-

structions. Just another one of those things which should be stopped but which is still flourishing.

Finding a Falsehood

My habit of browsing among books on the shelves of the Newton Free Library is often productive of ample reward for time expended. The latest experience revealed a most enlightening volume, "The Lie Detector Test," by William Moulton Marston and published by Richard R. Smith of New York. If there was any subject concerning which I was densely ignorant, confused and bewildered, it was the scientific device regarding which so much misinformation has been widely circulated. The book told me things of which, it seems to me, few have heard. Moreover, it is extremely easy reading and absorbingly interesting. I learned that there is no such thing as a machine which detects lies but that it is "a scientific test in the hands of an expert which does the lie detecting." I won't attempt a review. Besides urging a reading, I wish to proclaim that the lie detector is going to be an increasingly effective instrument in revealing guilt and also in encouraging honesty. Study the volume and see if you do not agree with me. You won't regret it.

Thunder and Lightning

If I manage to get in at least one of several things I would like to do this summer it will probably be a few days' visit in the Granite State which I seem to negotiate every year, come what come woe. The place I manage to stay, however briefly, has the biggest mountains, the biggest crowds, the biggest appetites and also the biggest thunderstorms. And when the lightning comes the entire colony reacts. The cry will go up, "Don't stand under a tree." Then there will be a demand that all windows be tightly closed, and doors, too, in order there may be no draft whatever. Some of the more timid insist on rubber protection, donning such covering for their feet and wrapping themselves in raincoats, despite the fact they are safely indoors. Others want the electricity supply cut off. There are those who shut themselves in their rooms and also a group who caution the rest not to go near the windows. It usually proves exciting for a good many while those not easily agitated enjoy a break in the day's routine.

#### CITY OF NEWTON MASSACHUSETTS

**NOTICE TO CONTRACTORS**  
Sealed proposals for furnishing and delivering broken stone to the City of Newton for the year 1938 in the approximate quantity listed below, will be received at the office of the Street Commissioner of Newton until 10 A. M. June 9th, 1938, and at that place and time will be publicly opened and read.

List of broken stone to be purchased and delivered under the City of Newton 1938 standard specifications for the Purchase and Delivery of Supplies for Construction Work is as follows:

For about 8,000 tons of Broken Stone. (Item 1.)

All proposals must be sealed proposals, made in duplicate upon blank forms furnished by said Commissioner, one proposal to be deposited with the Commissioner must be accompanied by certified check upon a national bank or trust company in the Commonwealth of Massachusetts, in a sum equal to 10% of the expected cost to the City under each item bid upon, payable to and to become the property of the City of Newton if the proposal is accepted and the bidder neglects or refuses to comply with the terms of the proposal. One proposal (without check) must be filed by the bidder in the office of the Comptroller of Accounts of Newton, prior to the time set for opening bids. (See Ordinances of the City of Newton Chapter 2, Section 21, as amended).

A sufficient bond for the faithful performance of the contract in a penal sum fixed by the Commissioner, but in no event to exceed 100% of the cost to the City of its expected requirements as determined by the Commissioner at the time of executing the contract will be required. (See Charter of the City of Newton, Section 28).

The Commissioner reserves the right to accept or reject any item or any group of items in the proposals submitted and the right to award the contract as, in his judgment, will best serve the interests of the City of Newton.

Specifications, with form of contract and bond can be obtained at the office of the said Commissioner.

#### Recent Weddings

MYERS—HAMILTON

Miss Alice Wood Hamilton, daughter of Mr. and Mrs. LeRoy Frederick Hamilton of Newton Centre and North Harwich was married to Norman Higbee Myers, son of Mr. and Mrs. Walter A. Myers of Burlington, Vermont at three o'clock on Saturday afternoon, May 28, in the Wesleyan Methodist Church, East Dennis. Rev. Alfred Ray Atwood, D.D., of East Harwich performed the ceremony.

The bride was given in marriage by her father. She wore a gown of white satin with collar and yoke of Queen Anne lace and a long train. Her tulle veil was of fingertip length and she carried a sheaf bouquet of roses and lilies of the valley. Mrs. M. N. Quade, sister of the bride of East Orange, New Jersey, was the matron of honor and Miss Elizabeth L. Myers, sister of the groom, of Burlington, Vermont was the maid of honor. They were gowned in blue and pink mouseline de sole and wore wide leghorn hats trimmed with velvet ribbon to match their gowns.

Henry Comaul of Middlebury, Vermont was the best man. The ushers were M. N. Quade of East Orange, N. J., brother-in-law of the bride, Marshall Marquardt of New York and Reid Beebe of Burlington, Vermont.

A reception was held at the Melrose Inn, Harwichport immediately following the ceremony. Mrs. Hamilton wore corn-flower blue lace with navy accessories and Mrs. Myers navy blue lace with matching accessories.

On their return from a wedding trip through Canada Mr. and Mrs. Myers will reside at 313 Maple st., Burlington, Vermont where they will be at home after June 10.

The bride attended the University of Illinois and was graduated from the University of Vermont in 1937.

She is a member of Kappa Alpha sorority. The groom prepared for college at the Northwood School, Lake Placid, New York and in 1934 was graduated from the University of Vermont. He is a member of Kappa Sigma fraternity.

GREENE—GEBELEIN

Miss Eleanor Eva Gebelain, daughter of Mr. and Mrs. George Christian Gebelain of Wellesley Hills, was married to Gardner Gibbs Greene of Gordon rd., Waban, at eight o'clock on Friday evening, May 27th at a candle-light ceremony performed in the Wesleyan Congregational Church by Rev. J. Burford Parry.

The bride wore an old-fashioned gown of ivory satin trimmed with duchess lace. Her net veil was caught to a coronet of the same lace by a cluster of orange blossoms and she carried lilies of the valley, gardenias and orchids. Mrs. Richard Swain of Wellesley Hills, sister of the bride, was the matron of honor and the bridesmaids were Miss Marjorie Greene of Waban, sister of the groom, and Miss Barbara Wheeler of Woburn, Massachusetts. They all wore period gowns of marquisette, the matron of honor wearing peach color and the bridesmaids aqua color with mits to match and carried old fashioned bouquets.

George Place of Waban served as best man and the ushers were Harry O. Burbank of Newton Highlands, Frank E. Greene, Jr., cousin of the groom of Boston, George C. Gebelain, Jr. and J. Herbert Gebelain, brothers of the bride, of Wellesley Hills.

A reception was held at the Wellesley Country Club. Mrs. Gebelain wore beige lace over pink with a corsage of orchids and Mrs. Robert Stewart Chase, mother of the groom, wore lavender and white silk print with orchid corsage.

Mr. and Mrs. Greene will reside on Langdon st. in Cambridge.

The bride is a graduate of Lasell Junior College, 1935. The groom, who is the son of Mrs. Robert Stuart Chase of Waban and Mr. Gardner Frank Greene of Moultonboro, New Hampshire and Fort Lauderdale, Florida, attended the Middlesex School.

BROWN—WARREN

Miss Margaret Moore Warren, daughter of Mr. and Mrs. Henry E. Warren of 27 Maple Park, Newton Centre was married at noon on Saturday, May 28 to Arthur A. F. Brown of Princeton, New Jersey, son of Mrs. Arthur A. Brown of Bangor, Maine and Havana. The ceremony was performed in Trinity Church, Newton Centre by Rev. Edward T. Sullivan, D.D. Only the immediate families were present.

A wedding breakfast was held at the home of the bride's uncle and aunt, Mr. and Mrs. Irving W. Bedell, of Dedham.

The bride, who is a granddaughter of the late Hon. Edgar W. Warren, a former mayor of Newton, is a graduate of Vassar College. She also attended the Pratt Institute Library School and for the past few years has been connected with the New York Public Library. The groom attended the University of Maine and spent three years at Oxford as a Rhodes scholar. He is continuing post-graduate work at Princeton University where he is also teaching.

Mr. and Mrs. Brown will make their home near Princeton.

EZEKIEL—FOREMAN

Miss Estelle Josephine Foreman, daughter of Col. A. W. Foreman, U. S. Army and Mrs. Foreman of Locke rd., Waban was married to Raphael Brill Ezekiel, First Lt. C. of E. U. S. Army, son of Mrs. Jacob L. Ezekiel of 41 Lewis st., Newton on Wednesday, June 1. The ceremony was performed at the home of the bride's parents in front of a crowd of colored of the 13th U. S. Infantry attended by color bearers and color guard from Camp Devens.

The bride wore a gown of white net over taffeta in Colonial style and carried a Colonial bouquet of lilies of the valley and orchids. Mrs. Virginia Casey of Boston, was the matron of honor. She wore a gown of yellow net over taffeta and the bridesmaids,

Miss Florence Miel of Hartford, Conn. and Mrs. Elmer M. Fisher of Boston, wore peach net over taffeta. Master Paul Casey was the ring bearer.

Dr. Mordecai Ezekiel of Washington, D. C. was the best man. The ushers were Lieutenants Daniel S. Spengler of Boston, Howard E. Webster of Watertown, William B. Bunker and Paul E. LaDue of Cambridge, C. S. Kunt of Boston and Noel H. Ellis of Arlington.

The bride is a graduate of the College of William and Mary at Williamsburg, Virginia and the Fay School in Boston. Lt. Ezekiel was graduated from the United States Military Academy at West Point and did post graduate work at the University of California.

Lt. and Mrs. Ezekiel will reside at Colonia, Damabach, Managua, Nicaragua after July 3 where he will be in charge of the hydrographic office of the Nicaragua Canal Survey.

W. C. T. U.

The regular business meeting of the West Newton W. C. T. U. will be held on next Monday evening at 7:45 at the home of Mrs. M. Millie Beardsley, 108 Crescent st., Auburndale. The annual reports will be read at this meeting and there will be election of officers for the ensuing year. The hostesses will be Mrs. Lelia Clapp and Mrs. Hannah Blair.

#### Philippine Vets Hold Service

A memorial service was held at the Soldiers' Plot in Newton Cemetery on Sunday afternoon by Vigan Outpost, National Society of the Army of the Philippines. The ritual was read at the grave of James P. Brophy formerly of West Newton, who had served in the Philippines with the 19th U. S. Infantry. Commander Ebary of Charlestown was in charge. Past Commander Joseph Wood of Roxbury served as chaplain, and the eulogy was delivered by Alderman Frank T. McCabe of Newton, a former major in the U. S. Army and a veteran of the Philippines.

#### Recent Engagements

Mrs. Sophie M. Riddstrom of Waltham has announced the engagement of her granddaughter, Miss Marion Ruth Peridier, daughter of the late Mr. and Mrs. Emilie A. Peridier, to Thomas Mariner of Newton Centre, son of the late Mrs. Isaac Rowe. Miss Peridier is a graduate of the Boston University College of Liberal Arts and of Boston University Graduate College. She has been teaching in the Waltham Schools. Mr. Mariner is also a graduate of Boston University College of Liberal Arts and is at present engaged in graduate work at the Palmer Physical Laboratory at Princeton University.

Mr. and Mrs. Harry Schultz of New York announce the engagement of their daughter, Miss Margaret Schultz, to Mr. Charles F. Duffy, son of Mr. John L. Duffy, of 17 Alexander rd., Newton. No date has been set for the wedding.

Mr. and Mrs. Krickel K. Carrick of 8 Chester st., Newton Highlands, have announced the engagement of their daughter, Miss Barbara Ann Carrick, to Walter Eric Brooker of Boston and New Lebanon, New York. Miss Carrick attended Middlebury College with the class of 1940. She was a member of Pi Beta Phi sorority. Mr. Brooker, who is the son of Mrs. Edward E. Brooker of New Lebanon, graduated from Middlebury College in 1937.

Mrs. Ralston P. Jones of 1801 Beacon st., Waban, has announced the engagement of her daughter, Miss Dorothy Elizabeth Jones, to George Newman, Jr., son of Mr. George Newman Roberts of Pine Ridge rd., Waban. Miss Jones attended the Erskine School and is a member of the graduating class of the Wheelock School. Mr. Roberts attended the Newton Country Day School and Middlesex College and is now completing a business course at Burdett College.

Mr. and Mrs. Charles J. A. Wilson of 74 Brookside ave., Newtonville, announced the engagement of their daughter, Miss Jean Harvey Wilson, to John Kirkpatrick Edmonds, son of Mr. and Mrs. Roland M. Edmonds of Columbus, Ohio, at a tea given at their home on last Saturday. Miss Wilson graduated from Wheaton College in 1935. Mr. Edmonds graduated from Yale in 1935 and from the Harvard School of Business Administration in 1937. A fall wedding is planned.

Mr. and Mrs. George E. Taylor of 20 Wyman st., Waban, have announced the engagement of their daughter, Miss Barbara Ashurst Taylor, to Frederick Maynard Stearns, son of the late Mr. and Mrs. Roland D. Stearns, formerly of Chestnut Hill. Mr. Stearns attended the River School and Loomis Institute in Connecticut.

Announcement has been made by Mr. and Mrs. William A. Frayer of Bloomfield Hills, Michigan, and for their daughter, Miss Adriana Frayer, to William Sperry Allen, son of Mr. and Mrs. James Sidney Allen, of Winchester. Miss Frayer was graduated from Wellesley in 1937 and is now attending the Fairfield School in Boston. Mr. Allen is a graduate of Williams College, 1934, and of the Harvard Graduate School of Business Administration, 1936.

#### Bradford To Run For Dist. Attorney

Robert F. Bradford of Cambridge has announced that he will be a candidate for the Republican nomination for the office of District Attorney of Middlesex County. His announcement states that the present incumbent of the office, Warren L. Bishop, will also be a candidate, and it asserts that the administration of criminal law in Middlesex County is at present at the lowest ebb in the history of the county. Bradford says that he will expose the alleged inefficiency and abuse of power which he states is current in the District Attorney's office, and that if elected he will "conduct the office honorably and efficiently, and not as a political trough for the feeding of privileged parasites." Bradford graduated from Harvard in 1923, from the law school in 1926 and is a law partner of former Governor Joseph B. Ely.

#### Newton Girl Wins Honors As Pianist

Prominent among the youthful student-pianists who gained honors at the fifth annual tournament of the National Piano Guild in Boston last week

BARBARA TOWER

was Barbara Tower, 15, Newton High School junior and daughter of Mr. and Mrs. Frank S. Tower of 56 Somerset rd., West Newton. The young lady achieved a high percentage with four selections which gave her a district superior rating. Two hundred and fifty students representing some 50 teachers of Greater Boston were entered in the three days' auditions which were held at George Brown hall, Steinert hall, and Boston University's Little Theatre on Exeter st.

#### Kiwanis Club

Speaking on the subject, "The Future of America Depends on Its Youth," Dr. George S. Foster, founder of the Lucy Hastings Hospital in New Hampshire, gave a most interesting presentation at the weekly meeting of the Newton Kiwanians held on Tuesday at the Charles River Country Club.

Dr. Foster, before going into the medical profession, was physical director of the Roxbury Boys' Club for some time.

He spoke in the most optimistic way about our youth of today. He said that given the same opportunity which we ourselves received, they will make better citizens.

With a deep and sincere faith in our youth of today, he declared that youth is the stabilizer, the controller of our nation of tomorrow and that under the sponsorship of inspired leaders, youth always qualifies.

He pointed out and congratulated the Newton Kiwanians on the fine work which they are doing for the underprivileged and expressed the hope that they would continue to build up and enlarge upon activities to help and assist our youth of today.

#### New Food Store and Restaurant in W. New. Sq.

The New Garden City Delicatessen Restaurant and Bakery, which opened its doors to the discriminating Newton public last week, is unquestionably one of the most up to date establishments of its kind in Newton. A modern bakery and necessary equipment has been installed, and all bakery products served or for sale will be the product of a master baker, and baked on the premises. Dainty pastries, delightful cakes, and wholesome bread, in a large variety will be offered.

A complete line of delicatessen products are carried and on display in a modern glass enclosed refrigerated case.

Breakfast, luncheons, and dinners, or quick bite will be served by specially trained courteous waitresses.

The store is under the personal management of Mr. Isadore Moran, its proprietor.

Mr. Moran was formerly associated with Rosoff's, of Boston, and has also served as chef in some of the most fashionable hotels in Bermuda. Mr. Moran says, "My aim is to bring to Newton, a clean up-to-date food shop and restaurant. Our efforts will be concentrated in providing wholesome, tasty foods to an appreciative clientele. We will not sell or serve liquors of any kind, not ever beer or wines. I believe that such a policy will be acclaimed by the class of people we strive to serve."

#### ALL NEWTON MUSIC SCHOOL

The Annual Spring Concert of the All Newton Music School last Thursday evening at the Newton High School was attended by a large audience who appreciated the delightful program by the talented soloists, as well as the exceptional work rendered by the Senior Orchestra directed by Miss Fyfe.

Next Sunday afternoon June 5th at the Central Congregational Church in Newtonville at 3:30 o'clock, the Music School gives its Senior Recital. These advanced pupils will present a fine and enjoyable program, too extensive to be included in the High School Concert. The Senior Orchestra will also play again. The public is cordially invited and there is no admission fee.

#### Smith Collapses On Riverside Links

Herman R. Smith, 55, of 2202 Commonwealth ave., Auburndale, president of the Riverside Golf Club, collapsed last Saturday afternoon while playing on the links of the club at the Metropolitan reservation in Weston. He was given first aid by Dr. Toppa of Watertown, who was also playing on the links, and was then taken to the Newton Hospital where his condition was reported as very serious.

#### Woman and Baby Fall Down Stairs

Mrs. Josephine Lombardi of 71 Crafts st., Newtonville, fell down a flight of stairs at her home on Sunday evening and fractured her right leg. She was carrying her two weeks' old baby when she stumbled and fell, but the infant escaped injury. When the police ambulance arrived to take Mrs. Lombardi to the Newton Hospital, she insisted that the infant accompany her. Hospital officials permitted the baby to remain at the hospital with the mother.

MORTGAGEE'S SALE  
OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain registered mortgage deed given by Leonard B. Colwell and Margaret S. Cumner, husband and wife, as joint tenants, to the Newton Trust Company, dated May 28, 1935, and registered in the Southern District of Middlesex County as Document No. 111,25 and noted on Certificate of Title No. 40,003 in said Registry District, Book 268, Page 9, of which mortgage the undersigned is the present holder, for breach of the condition of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on the premises hereinafter described on Monday, June 27, 1938, at 11:00 o'clock in the forenoon, all and singular the premises conveyed by said mortgage and therein described substantially as follows:

"A certain parcel of land with all the buildings and structures now or hereafter standing or placed thereon, situated in Newton in the County of Middlesex and Commonwealth of Massachusetts, bounded and described as follows:  
SOUTHERLY by Oldham Road eighty (80) feet;

SOUTHWESTERLY by Lot 25, as shown on the plan hereinafter mentioned one hundred fifty-eight and 29/100 (158.29) feet;

NORTHERLY by land now or formerly of Louis Arkin by two lines measuring together one hundred twenty-two and 07/100 (122.07) feet; and  
EASTERLY by Lot 27, on said plan, one hundred thirty-eight and 15/100 (138.15) feet.

Said parcel is shown as Lot 26, Sheet 1, on said plan.  
All of said boundaries are determined by the Court to be located as shown on a subdivision plan as approved by the Court, filed in the Land Registration Office, a copy of which is filed in the Registry of Deeds for the Southern District of Middlesex County, in Registration Book 177, Page 465, with Certificate No. 26505.

The above described land is subject to easements referred to in Certificate of Title No. 27205, in so far as the same are now in force and applicable to the grant premises.

And subject also to the following restrictions, namely: first, that only a single dwelling house costing not less than twelve thousand (\$12,000) dollars—above the land—shall be erected or placed on each of said lots, provided said restriction shall not prevent the erection on any of said lots a private garage; to contain not more than three automobiles; second, the above restrictions shall remain in force for ten (10) years from May 1, 1928.

Including as a part of the realty all portable or sectional buildings and all furnaces, ranges, heaters, plumbing, gas and electric fixtures, screens, mantels, shades, screen doors, storm doors and windows, oil burners, gas or electric refrigerators, air conditioning apparatus and all other fixtures of whatever kind and nature at present or hereafter prior to the full payment and discharge of this mortgage placed or installed in or on the granted premises in any manner which renders such articles usable in connection June 3-10-17.

therewith, so far as the same are a part of the realty either as matter of fact or law or can be made so by agreement of the parties hereto including subsequent owners of the mortgaged premises.

Said premises will be sold subject to all outstanding tax titles, unpaid taxes, and other municipal liens and assessments, if any there be.

\$500.00 will be required to be paid in cash at the time and place of sale, and the balance to be paid in ten days. Other terms at sale.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### Missouri Night At the Triennial

Kansas City and Missouri gave an unforgettable welcome in an evening of enjoyment and greetings from the Governor and Mayor on the opening date of the Triennial Convention, Tuesday, May 10th.

An historical fantasy in four episodes, showing the settling and growth of Kansas, based on the poems of the State poet, Florida Watts Smyth, was staged in the beautiful Music Hall of the mammoth new Auditorium at Kansas City.

Greetings from Governor Lloyd C. Stark were given in a stirring speech on many public questions and aims. Mrs. Stark also was a guest, and also on the platform were the officials of the General Federation, and Mayor Bryce B. Smith. Mrs. David S. Lous, chairman of the Convention Committee, presided, and introduced the speakers.

While the Governor did not touch upon partisan politics, he did appeal to the clubwomen and to all citizens to take more interest in politics. He discussed some of the departments of the State government, such as old-age assistance, social security and unemployment relief, in which women are interested both because they are taxpayers and because the movements are humanitarian in nature.

"Government is so much closer to the individual, to the home, and has so much more definite relationship to our children and our future than it used to have," he said, "that women everywhere are applying their splendid intelligence and sound judgment to its problems.

"I most earnestly solicit your cooperation and assistance in all governmental activities. Not only here in Missouri, but in all the states and in the nation itself. That, I submit, is the patriotic duty of every American. Your co-operation is vital and necessary in such governmental activities as I am going to recount to you."

The Governor then described the activities of himself and Roy McKittick, Attorney General, against slot machines, and his moves to enforce the State liquor laws. He made no mention of the sweeping changes he has made recently in the personnel of the liquor control forces, but asserted the campaign would be continued vigorously.

"The hardest and toughest job of my administration," the Governor continued, "so far, has been the finding of high type men for places of responsibility and yet fairly distribute the jobs to all the counties."

"I have been highly complimented that some of the very finest citizens have accepted positions on boards at real personal sacrifices to themselves. The Kansas City Election Board, composed of three widely-known businessmen and a lawyer, is an excellent example of what I mean. The courage of that board in the enforcement of the election laws and the efficiency with which it set up the new permanent registration system in Kansas City is well known throughout the State. The fact the board obtained 300 businessmen to serve as deputy election commissioners and selected judges and clerks of election in a manner calculated to assure an honest count further shows constructive citizenship at its best."

"I am sorry to say that men and women of the higher type of citizenry are prone to shirk their duties in relation to government."

"I tell you frankly that unless high type citizens, both men and women, of all walks of life take more interest in politics, the baser elements of our state and nation will prevail at the polls, destroy our cherished democratic institutions, and send us one way or the other—to fascism or communism."

The beautiful historical pageant which followed the addresses, began with a most appealing Indian episode performed by real Indians, calling for rain. The conquering of the Missouri river was illustrated in a pantomime dance; "Devastation and Drought" were also represented by dancing, and "Exaltation" a choral, closed the program. The tableaux were like magnificent paintings, with hundreds of persons, in costumes of the periods illustrated, one of them having its central theme the touching statue, "The Madonna of the Trail," a subnubent pioneer woman holding her infant, and with a small child clinging to her skirts.

In the afternoon they heard that the basic problem confronting the people of the United States today is just the very simple one of "leaving how to live together." And in the afternoon they heard that "sun spots are the basic cause of world economic troubles," and that "hard liquor is the regular beverage of 50 per cent of High School pupils." Digestion of these statements gave ample topic of conversation.

Happier topics were found in the President's Address of the morning, and a delightful gift to Headquarters. The philanthropies of Massachusetts clubwomen during the year 1937-38, under Mrs. John H. Kimball's presidency, totaled \$126,833, according to her report; the largest item was nearly \$50,000 for scholarships for Massachusetts boys and girls at institutions of higher learning. Local charities and public welfare cost \$37,000, and was the next largest item in the report of charitable expenditure. Hospitals have received \$10,256; scholarships, \$49,508; public welfare, \$21,025; foreign relief, \$234; Red Cross, \$1469; disabled soldiers, \$3952; public health, \$9773; art, \$888; local charities, \$15,032; and other philanthropies, \$14,833.

places occupied by men, and occupied better by them," she said, "but rather they desire to fill a God-given privilege to be partners in the affairs of the world."

"We should study thoroughly the equal rights bill and program," she said. "To me, equal rights is a misnomer. It is impossible, either physically or biologically, for women and men to be labeled equal in all things. Mentally, women will challenge the masculine mind to any heights. We know that in many industries women cannot take the places of men. However, women should receive full wage consideration for services rendered."

"The success of this great organization is due to the friendship ties, the mutual understanding, the tolerance our founders foresaw when they accepted that old motto, 'Unity in Diversity,' " she declared.

The same spirit of kindness and tolerance must enter into every field of life, she asserted vehemently, before our problems can be solved satisfactorily and fairly.

"If every government agency, every national and local organization, every citizen in our country, would really try out the golden rule, life would reach that higher plane of spiritual existence."

To Mrs. Lawson the nation's ills were due to a lack of human co-operation. She saw no difficulty other than human misunderstanding.

"We have tried all other things and failed," she declared. "Why not try this?"

After enumerating the many specific aims of the organization through its departments, she made the following noteworthy points.

"The study of the Constitution of the United States was one of the high lights of these last three years, and I am sure helped to stimulate the entire country to a renewed understanding of the constitutional rights of the people. The voice of the people has a right to be heard. Freedom of the press and freedom of speech are as necessary to the American people as religious freedom and the pursuit of happiness."

"It is the right of every American to own a home, and the right of every individual to pursue a means for the economic maintenance of that home. The Book of All Books tells us the devil finds work for idle hands to do; and it seems absolutely wrong to encourage idleness among our people. We certainly have no desire to change our democracy for any other form of government. What other form of government could supply for Americans that which our Constitution gives them?"

She further appealed to the clubwomen to take interest in government matters, saying this was the duty of every American woman.

"Taxation is one of our most perplexing questions today and it is the responsibility of all, young and old, to know what taxes are, where they go and why."

"Why shouldn't you and I be interested in government?" she asked spiritedly.

"In buying a pair of shoes for my grandson, \$4 seemed reasonable, but a price analysis showed 128 taxes were hidden in those two little shoes. This is just one of the items in our homes that need attention."

"We owe our government certain returns in taxes; we want a part in maintaining this great democracy of ours. It is the people who support the government and the people should not expect the government to support them."

"We also should inform ourselves on unemployment, for this question is closely associated with taxation. Look into local unemployment and ascertain why and help solve the problem if possible."

Indicating the size of the Federation and the immensity of the president's task, she reported she had traveled 108,213 miles since beginning her three-year term in June, 1935; had received and answered 32,508 pieces of mail, and had made 256 public addresses.

**Opening Events  
At Swampscott**

Clubwomen of Massachusetts certainly moved into the New Ocean House, Swampscott on Monday, preparatory to their opening session on Tuesday morning, for their three-day Convention. Attendance of over 1,500 that morning indicated that before nightfall this number would be doubled.

In the opening session they heard that the basic problem confronting the people of the United States today is just the very simple one of "leaving how to live together." And in the afternoon they heard that "sun spots are the basic cause of world economic troubles," and that "hard liquor is the regular beverage of 50 per cent of High School pupils." Digestion of these statements gave ample topic of conversation.

A beautiful silver tea set, the gift of the clubs of the Ninth District, which includes Boston, was presented

by Mrs. Joseph T. Moulton, of Gloucester, Ninth District director, for use at Headquarters of the Massachusetts State Federation on Newbury st. Mrs. Kimball expressed particular pleasure in accepting this gift.

Presiding at the opening session were the president, Mrs. Kimball, of Boston; and the first vice-president, the incoming president, Mrs. Henry W. Hildroth, of Winchester, and Mrs. David A. Westcott of Dorchester, vice-president, who shared in presenting the speakers.

After listening to the annual report of the officers and a program of music by the Professional Women's Club Chorus, the assembly heard Dr. J. O. Christianson, Superintendent of the School of Agriculture, University of Minnesota, on the topic: "Dealing in Futures."

"In the minds of some folks," he said, "the great problem in the United States today is to learn more, to bring about greater efficiency in manufacture; to produce in greater volume; to travel over greater areas at greater speed, and so on; but actually, the basic problem confronting the people of the United States is just the small one of learning how to live together."

Dr. Christianson's formula for the bringing about of a better world is to return to those old-fashioned fundamental values which have been proved basic to the family, which reflect on the organization and finally on the nation itself.

"It is no accident that in the past five years in America, expenditures for churches, schools and scholarships have decreased 30 percent," he said, "while expenditures for beer, whisky and automobiles have increased 300 percent. We have now on an average of 12,000 murders and a million and a half major crimes a year, 20 percent committed by young folks not old enough to vote."

"We go to extremes, prohibition was one extreme; after a while we opened all the spigots in the land and put taverns on almost every cross-road from coast to coast. We have to learn a middle-of-the-road policy, remember that there is a ditch on either side of the highway of life."

"We have been going down the highway of life lickety-whistle. If the gas holds out we may return to find that home is the most important institution in the development of a great people. Our problem today is that of learning how to live together. We will do it only by joining hands with all the organized groups of labor and industry and agriculture in the ideal of the greatest good for the greatest number."

"America will finally become" just what she wants to become," the speaker declared.

"If we are going to worship at the shrine of all that is cheap and tawdry we will finally become that kind of a people, but I don't believe we will choose that way. In fact, from the attitude of men in public life today, men who are leaders with whom I have talked, I feel that we are coming fast to the threshold of what might be called a spiritual renaissance."

The importance of alcohol education in any crime prevention program was the theme of an address that afternoon by W. Roy Bregg, Executive Secretary of Allied Youth, Inc. He horrified clubwomen by figures indicating that 83 per cent of modern youngsters in the 18 to 25 year age group, in a study by Dr. Paul Studenski, of New York University, were drinking hard liquor today. More than one fifth of all crime tabulated by the Federal Bureau of Investigation in recent crime reports is directly related to alcohol and that young people are directly concerned in "48 per cent of all violations of liquor laws, 36 per cent of all intoxicated driving, and 29 per cent of all drunkenness." By young people, he meant persons 29 years old and under, he said.

The speaker describing a study made by Allied Youth of more than 2,200 Senior High School students in an important city of New York State, showed that 48.62 per cent were drinking, and two-thirds of the student homes were serving alcoholic beverages.

"These youngsters are drinking without knowing the facts. It is not youth's fault that it has not the facts. Little is being taught in the schools. Invitations to drink are virtually unavoidable in society with the widespread use of alcohol current today and split-second choices are required. There is no time to go into the library and look up the effects of alcohol in a book."

"Young people are entitled to know the relations of alcohol to mental health, to traffic accidents, to commissions of crime."

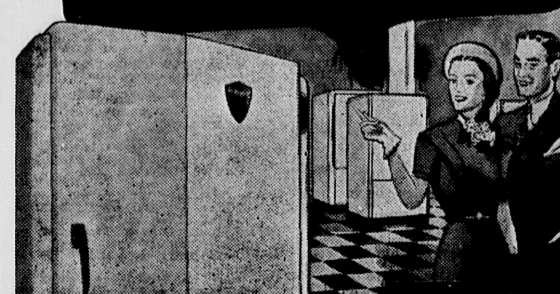

"It is increasingly difficult for young people to have good times without going to places where alcoholic beverages are served and it is time something was done about it. Allied youth posts, nonsectarian and nonpolitical are being set up in high schools with the backing of women's groups to provide a positive social and recreational program."

Dr. Harlan T. Steinson, cosmic terrestrial Research Director at M. I. T., who supervised the making of the 69-inch reflecting telescope at Perkins observatory, second largest in the United States, blamed economic recession on sun spots.

"There has been an almost uncanny parallelism between market trends and the sun spots throughout the decade," he told the clubwomen. "From the end of 1929 to the middle of 1930 solar activity fell 60 points in the sunspot scale. It may be a mere coincidence that business activity and the market rose rather consistently from 1932 to 1937 and then promptly followed the present acute recession."

made by the Smithsonian Institution at Washington, give convincing evidence that the amount of radiation the earth receives from the sun varies."

Dr. Stetson described experiments and measurements in his laboratory at Newton, tending to prove that the strength of radio waves increases as sun spots decrease.

Postulating an 11-year cycle in waxing and waning of sun spots, Dr. Stetson proposed more intelligent planning in government to distribute industrial activity over the 11-year solar cycle, and the possibility in supplying added ultra-violet during depressions by vitamins and man-made electric lamps to flatten the economic curve of booms and depressions.

MORTGAGEE'S SALE  
OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage deed given by Mary A. Holmes to John T. Burns, dated July 12, 1934 and recorded with Middlesex South District Deeds, Book 587, Page 195, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction, on that portion of the premises not heretofore released from said mortgage, on Tuesday, the twenty-first day of June, 1938, at twenty minutes past two o'clock in the afternoon, all and singular the premises described in said mortgage deed, namely:—

"Certain land (with buildings to be erected thereon) situated in the Newtonville District of said Newton and designated as the lots lettered B, C, D, E, F, G, H and I on a plan drawn by Ralph W. Wales, Civil Engineer, dated June 26, 1934 and to be filed herewith for record in the Middlesex County (South District) Registry of Deeds, being bounded:—NORTHERLY by land now or formerly of James A. Young, 160.57 feet; SOUTH-WESTERLY by land now or formerly of Daniel C. Heath, 41.63 feet; SOUTH-EASTERLY by land now or formerly of Daniel C. Heath, 41.63 feet; WESTERLY by land now or formerly of Gray Birch Terrace, by curving lines, 176.25 feet; SOUTHERLY by land now or formerly of the heirs of Albert Gay, 16.99 feet; NORTHERLY by land now or formerly of Lena C. Beck, 34.45 feet; EASTERLY by said land now or formerly of said Beck, 160.57 feet and containing about 40,834 square feet of land; he said contents more or less, all as shown on said plan and more or less; said premises may be bounded, measured or described: together with full rights of way in said Gray Birch Terrace to and from Highland Avenue; and with all other rights, easements, and privileges appurtenant to said premises as shown on said plan and more or less."

Being the same land conveyed to me by said John T. Burns by his deed of even date and to be recorded herewith in said Registry of Deeds.

Said premises are hereby conveyed subject to the zoning regulations, restrictions and easements mentioned in my said title deed.

Said mortgagee, for consideration paid to him, agrees to release said Lot B from this mortgage forthwith, and the holder hereof also agrees to release said eight lots from the operation and effect of this mortgage for consideration as follows: two thousand (\$2,000) dollars for each of said lots abutting on said Gray Birch Terrace and two hundred dollars for each of said lots abutting on said Austin Street.

Excepting therefrom certain portions of said premises heretofore released from said mortgage and more particularly described in Partial Release dated July 12, 1934, recorded with Middlesex South District Deeds, Book 587, Page 195; Partial Release dated October 6, 1934, recorded with Middlesex South District Deeds, Book 589, Page 93; Partial Release dated July 24, 1935, recorded with Middlesex South District Deeds, Book 602, Page 78; Partial Release dated March 25, 1936, recorded with Middlesex South District Deeds, Book 603, Page 21; and Partial Release dated April 17, 1937, recorded with Middlesex South District Deeds, Book 615, Page 12.

Said premises will be sold subject to any and all outstanding tax titles and any and all unpaid taxes and other municipal liens and assessments.

Five Hundred Dollars (\$500.) will be required to be paid in cash by the purchaser at the time and place of sale. Other terms to be announced at the sale.

## Powers Paragraphs

(Continued from Page 2)

The Boston Post last Monday featured an article which was headed—"State May Seize Sweepings Winnings." According to the article someone had called to the attention of Attorney General Dever an old law, long forgotten, which permits the State to confiscate any winnings made in a lottery, and Mr. Dever was considering the enforcement of the old law.

It is interesting, if not amusing, to observe such zeal on the part of some in this State against the pernicious Irish sweepstakes lottery when Massachusetts is one of the few States in this country which has legalized pari-mutuel gambling at horse and dog races.

Gambling on horse and dog races in Massachusetts is conducted several times each week, day and night, for months. The majority of the suckers who regularly go to such races gamble a minimum of \$2 on each of eight races at every session of the track which they attend, not to mention the "daily double." They get fleeced to a fare-thee-well, and many of them have stolen money to gamble at the race tracks.

A number of public officials in this State have stolen large amounts which they have lost on pari-mutuel gambling. And we have legalized "beano" in Massachusetts which has thousands of addicts who go to three and four beano parties every week. So, it seems hypocritical to have such alleged righteousness directed against the Irish sweepstakes that occur only three times a year, and which cost each \$7.50 can be lost in that time. Why swallow the camel of crooked pari-mutuel gambling and stork at the goat of an honestly conducted lottery unless in the hope that the money lost in the lottery might be diverted to the coffers of the altruists who control the tracks where the horses and the dogs race?

Recently the news came from Washington that Congress plans to appropriate \$60,000,000 for new public buildings. Not so many years ago such a sum would seem staggering, but with billions being appropriated by the Federal Government in recent years.

Attention is given to a mere \$60,000,000. Among the proposed new public buildings are 60 postoffices in Massachusetts. Many of these, according to the plans, will be located in small towns and will cost, with the land, from \$70,000 up. One is proposed for Chestnut Hill postoffice which is now located in this city, and which delivers mail both in Newton territory and a part of Brookline. Although it is one of the smallest of the postoffices in Newton, it is proposed to spend \$75,000 for a postoffice building there. With unnecessarily expensive postoffices having been erected in past years all over the country, and to be erected in the future, is it to be wondered at that taxes are high?

The proposal of the Newton Safety Council to establish a Traffic Bureau in the Newton Highlands Department was made with good intent but it has resulted in bitterness in the department and unpleasant controversy between the Mayor and the Board of Aldermen. The Traffic Bureau may result in reducing the number of automobile accidents in Newton. In making our streets safer. When the Bureau was first proposed the writer was asked by one of its proponents—"Don't you believe a Traffic Bureau should be established?" Our reply was, "No! I believe the Police Department as a whole should be a traffic bureau." For years most of the work of the police department has been in controlling automobile traffic and prosecuting motorists on violations of traffic laws and regulations. Sergeant Burke and Inspector Hammel have been efficiently investigating accidents and prosecuting motorists criminally liable. They, with the assistance of the clerk who will be employed in the proposed Traffic Bureau could compile data, even as the proposed Bureau will compile it, and the city would save the additional expense the new bureau will entail.

## Refuse to Approve Cemetery Permit

The Newton Board of Health on Monday refused to approve the application of the trustees of Holyhood and St. Joseph's Cemeteries for a permit to use the Esty farm at Oak Hill as a burying ground. The land in question comprises about 58 acres and adjoins the West Roxbury line near Dedham st. It extends from Dedham st. toward the Charles River. Several weeks ago the Board of Health held a public hearing at City Hall on this matter and protests were received from the Oak Hill Improvement Association and the Brookline Water Department. It was alleged that the proximity of the proposed cemetery to the Charles River might contaminate Newton's water supply. The State Board of Health was consulted and sent out engineers to examine the proposed cemetery site. In the report made by the engineers of the State Board it was stated that the land in question varies from 140 to 96 feet above Boston City Base and some of the area is subject to flooding at times of extreme high water in the river. The maximum elevation of the river has reached near the site is about 100 feet above Boston City Base.

## City Hall Clerks Paid for Day Off

A controversy which involved four city officials and a large number of the employees at City Hall was settled—temporarily at least, last Friday when City Treasurer Newhall, on advice of City Solicitor Bartlett paid to the employees a day's pay which had been withheld from their wages for the preceding week. At the request of some of the employees, Mayor Childs authorized department heads to keep only skeleton forces at work in the various offices on Saturday morning, May 28, so that the majority of the clerks might have the extra time off over the week-end and Memorial Day. City Comptroller White took the stand that he could not authorize the payment of salaries for the day of May 28th to the clerks and other employees who did not work on that day because there is no city ordinance which authorizes the Mayor to grant such a privilege to city employees. Accordingly the City Comptroller approved the payrolls for the week under protest, and this caused City Treasurer Newhall to deduct the day's pay on Thursday, June 2. The City Treasurer's office and the City Comptroller's office were not affected because these two department heads had all their clerks work on May 28.

The first report dinner, Thursday evening, June 9, also held in the Weeks Junior High School gymnasium, with Mr. Frost presiding in the absence of General Chairman Nichols, attracted an even greater attendance. The second report meeting is scheduled next Monday evening, June 13, and the final report dinner on Wednesday evening, June 15, also at the Weeks' School.

## New Teachers In Public Schools

At the last meeting of the School Committee eight new teachers were elected. Jean Aubry of Montague, Massachusetts will teach physical culture at the high school. She is a graduate of Bouve School and Simmons College and served for 3 years as assistant instructor in physical education at St. Margaret's School, Waterbury, Connecticut. Rita Margaret Cushing of Pittsfield will teach Grade 1 at Oak Hill School. She graduated from Bridgewater Teachers College in 1936, taught one year in Lexington and one year at Norton. Cecilia Dunlop of Roxbury will teach Grade 1 at the Ward School. She graduated from Perry Normal School in 1929 and Boston University in 1936. She taught in a private pre-primary school at Newton Centre for 5 years, at Needham 1 year and at Reading 1 year.

comply with these recommendations. The Newton Health Board in refusing to approve the permit based its action on Chapter 114 of the State Laws which specifies that no land shall be used for burial purposes from which surface or ground water may drain into a stream or pond used for water supply unless plans thereof have been submitted to—and approved by—the State Health Department, and that inasmuch as the petition from St. Joseph's Cemetery trustees included that of the Esty land, embracing some that is unfitted for cemetery purposes, the Newton Health Board, treating the petition as a whole, refused to grant it. Section 36 of Chapter 114 gives petitioners the right to appeal to the State Board from adverse decisions, so the applicants may ask the State Department to approve the permit for such parts of the land as are above the prescribed level.

## Campaign To Raise \$350,000 For Nurses' Home

Opening Meeting Attended by 668—Good Progress Made

With more than 125 teams representing the Newtons and Wellesley fully mobilized, the campaign to raise \$350,000 in ten days for a new nurses' home for the Newton Hospital was auspiciously launched last Monday evening at Weeks Junior High School, when an eager and enthusiastic gathering numbering a hundred over the anticipated turnout taxed the capacity of the gymnasium for the opening campaign dinner.

An attendance of 668 was officially announced by General Chairman Henry J. Nichols, who "fired the opening gun" in the drive at this inspiring demonstration of community spirit. Not in years has any campaign in the Newton had a more portentous start. When the campaign to build the new hospital opened a decade ago, Mr. Nichols recalled that 556 persons attended the opening meeting, and that drive went over the top splendidly, raising \$1,600,000, although \$750,000 was thought by many to be the limit which could be expected.

Frank L. Richardson, president of the hospital, Leon B. Rogers and Edward J. Frost, trustees, were the principal speakers at the opening meeting, at which the mechanics of the campaign was of primary importance. Final instructions were given to the workers, who were told of the necessity for the new nurses' dormitory and school of nursing if the hospital is to retain its standing.

The procedure at the first report dinner was for each of the team captains to report the number of team workers present and the amount of pledges already received. Totals for Wellesley, which has set a quota of \$40,000 and each of the Newton villages were then announced.

Quota totals, including special gifts cards and regular cards, have been set for the Newton villages as follows: Auburndale, \$22,522.40; Chestnut Hill, \$25,000; Newton, \$56,067.26; Newton Centre, \$37,050.35; Newton Highlands, \$16,692.75; Newton Lower Falls, \$2,542.93; Newton Upper Falls, \$1,521.48; Newtonville, \$31,191.11; Oak Hill, \$7,846.95; Waban, \$28,705.89; Waban Hill, \$4,889.48; West Newton, \$67,790.74; with miscellaneous gifts making up the balance needed to attain the objective of \$350,000.

It was pointed out that the standard of giving on a capital fund campaign such as this is different than for a Community Chest. Pledges are payable over two years instead of one. It is estimated that there are 1000 special gift cards. These should average \$200 apiece, thereby totalling \$200,000.

It is anticipated that there will be 5,000 regular team cards signed. Thus, in order to make up the additional \$150,000 required, there must be average \$30 apiece, or \$15 per year. In order to hold up to the average, each of 125 teams will need to turn in a minimum of 40 cards during the campaign, averaging \$30 apiece, or a total of \$1200 per team.

Up to noon, Thursday, June 9, reservations for memorial gifts had reached a total of \$77,540. The special gifts committee for Newton Highlands announced its quota achieved before the opening day of the campaign, and anticipated raising substantially more.

In the erection of the new dormitory for Newton nurses, gifts of special designation will be permanently identified with the names of the donors, as well as with those of friends in honor of whom the gift is being made by individuals, by several members of a family together, by societies, clubs, church organizations and others. Memorial suggestions range from plaques at \$120 to the graduate nurses social room at \$25,000.

Mr. Richardson, chairman of special gifts, points out that the prices fixed (Continued on page 3)

## Safety Parade in Newton, Thursday Eve., June 16

Next Thursday evening, June 16, a parade will be held in Newton under the auspices of the Newton Safety Council. It will be for the purpose of giving a realistic demonstration of the result of reckless driving, and to promote highway safety. Included in the parade will be a number of wrecked cars attached to towing trucks, an ambulance, with a hearse. In contrast to these realistic features will be several floats contributed by the American Legion, V. F. W., W. C. T. U., Street Department, Bigelow School, some of the Village Improvement Societies, and other organizations. There will also be a procession of 24 automobiles, one for each of the fatal automobile accidents in Newton the past few years. The Legion Band and the drum corps of the Sons of Veterans of Foreign Wars will provide music. Floats and trucks will also be in the parade from a number of insurance and oil companies, and the Boy Scouts, Girl Scouts and Red Cross will participate.

The parade will form at City Hall and proceed at 7 p. m. over Walnut and Beacon sts. to Newton Centre; Commonwealth ave. to Chestnut Hill; Waverley ave. to Newton Corner; Washington and Adams sts. to Nonantum; Watertown and Washington sts. to Newtonville; Washington st. to West Newton; Auburn st. to Auburndale; Commonwealth ave. and Washington st. to Lower Falls; Beacon st. to Waban; Chestnut st. to Upper Falls; Needham st. to Newton Highlands. Short stops will be made in each village square and the Legion Band will play. The parade will probably take between an hour and a half and two hours to cover the route. If Thursday evening is rainy, the parade will be held the following evening, Friday, June 17.

## Plan Campaign For Saltonstall

A meeting of the Newton "Saltonstall for Governor" Club was held on Wednesday night at The Workshop, Newton Highlands. The hall was crowded with over 150 enthusiastic Saltonstall supporters, not only from Newton, but also from 18 other towns and cities. Ralph D. Weston of Auburndale, chairman of the Newton Club, presided and outlined the plans of the club in supporting Mr. Saltonstall. Harold Piper greeted the persons from outside of Newton and explained some of the methods that will be used in Newton in assisting the candidate. Colonel R. F. Whitelegg of Waban described the plans for making a house to house canvass in each of the Newton wards for Mr. Saltonstall. The candidate addressed the gathering and spoke on the issues which must be faced in the coming campaign.

## Protest Against Chicken Farm

At the meeting of the Board of Health on June 2 a permit was granted to Arthur Hicks to keep 100 live fowl at 240 Derby st., West Newton. No public hearing was held on the matter. But when neighbors learned of the permit having been granted they protested militantly and enlisted the aid of Alderman Gaddis. He conferred with the Health Department and was promised that the permit will not be issued until the Board of Health reconsiders the matter at its next meeting.

## Largest Class In History Will Graduate From Newton High School On Night Of June 11

Seven Hundred and Nineteen Boys and Girls Will Receive Diplomas—Rev. James Gordon Gilkey To Speak

Seven hundred and nineteen members of the senior class, the largest in the history of the school, will receive their diplomas at the annual Graduation Day exercises of the Newton High School on Saturday evening, June 11, at 7 p. m. in the Dickinson Stadium on the school grounds.

Dr. James Gordon Gilkey, pastor of the South Congregational Church of Springfield and Professor of Biblical Literature at Amherst College, a noted lecturer, will give the chief address "What Life Offers Young People Today." The diplomas will be presented to the class by Mayor Edward J. Childs. Others who will participate in the program are Reverend Raymond Lang, St. John's Episcopal Church, Newtonville; C. Raymond Cabot, Newton High alumnus, Julius E. Warren, Superintendent of Schools, and Paul E. Elicker, Principal of the Newton High School and Franklin E. Smith, Chairman of the Newton School committee.

In case of inclement weather on Saturday evening, the exercises will be held at the same hour on Sunday. About 5,000 parents and friends of the graduates will attend the exercises on the beautiful grounds of the Newton High School.

The officers of the class are: Theodore Duffy, president; Ernest Colantonio, first vice president; Robert Myers, second vice president; John Fernald, secretary; and Donald Ball, treasurer.

## A CHALLENGE TO MEET

The campaign for funds for a new nurses' home and other improved facilities for the training of student nurses at the Newton Hospital opened this week. The need for the improvement is more than obvious. Unless more adequate facilities for this work are provided the Newton Hospital is in grave danger of losing its rating. Such a condition can be permitted to continue no longer.

The campaign has opened with enthusiasm and with determination to achieve the goal of three hundred and fifty thousands of dollars. Residents of Newton and Wellesley are awake to the challenge. Many large, beneficent gifts have already been made, but, as in many other cases, it is not the largest gifts that count the most. By and large it is the smaller gifts and pledges which make up the major part of the total of any successful campaign for funds of similar character.

There is hardly a family in Newton that sometime or other has not had occasion to use the facilities of some hospital. The Newton hospital stands high. With approximately fifteen thousands of residences in the city, if every family were to pledge the small amount of ten dollars, which can be spread over two years in payment, the total would be nearly one-half raised. With Wellesley's contribution and the special gifts the goal would soon be reached. And ten dollars would mean the slight sum of ten cents per week. Once again we are confident that Newton will not fail.

## ANOTHER GRADUATION TIME

With the month of June comes another commencement time. Many reports are made giving rise to the belief that the graduating classes of 1938 go out into the world with a dismal prospect of readily finding an occupation for which they have trained themselves or for which they are qualified. Great emphasis is placed upon education and in this day and age civilization looks to the youth of today to become the leaders of tomorrow. Faith in the ability of these youths to assume the burden of multitudinous problems which upset our economic status is strong. There must be striving and straining through the fires of experience before the temper of their metal is struck. The youth of today has courage and though the path be hard and long we have faith that democracy will prevail.

## TROUBLE AHEAD

For the first time in many moons Willie the Weaver is following a fairly straight line. It's a new experience and he certainly misses the thrills of playing cross-tag with other motorists. He ran out of line just once too often. The dare-devil stunt of cutting in and out of the traffic lane for some fancied advantage is an important cause of highway tragedy. The fellow who acquires this very bad habit is headed for trouble. Sooner or later he will get it.

## Sunbeam Chats

This is a funny time of year. All you hear about is "graduashun." At last my curiosity got the best of me and I asked Mother what was "graduashun." She said, "It's like this, old fellow—when you got milk from a cup instead of a bottle—that was 'graduashun.' It means growing up and being finished with one thing, and being ready for the next thing." Seems funny to me how many things are a part of this growing up business—'specially what you eat—and how you eat it. Anyhow, I like "graduashun."

(Sunbeam Chats are sponsored by the Newton District Nursing Association.)

## NEWTON'S RED CROSS CHINESE RELIEF FUND

The Newton Chapter of the American Red Cross reports that only \$266.25 has been contributed towards Newton's quota of \$800 for the Chinese Relief Fund. The National Red Cross pledged \$1,000,000, the fund to be completed by June 15th so the Newton Chapter would like to send in its quota by that time.

Please send contributions to—Newton Chapter American Red Cross, 12 Austin st., Newtonville.

## RED CROSS NATIONAL AQUATIC SCHOOL

The American Red Cross announces the opening of its Aquatic School at South Hanson from June 17th to 27th. This school is being held for the 17th season and all men and women, not less than 18 years of age, who wish to use this knowledge at summer camps are eligible for enrollment. Mr. E. M. Westgate, swimming and life saving instructor at Crystal Lake will attend this school.

The opportunity for Newton men and women to learn safety and small craft operation in these ten days is being advanced by the American National Red Cross as a help to future instructors in camps and schools.

Application blanks and information may be obtained at the Red Cross office, 12 Austin st., Newtonville.

## Y. M. C. A.

Members of the Woman's Auxiliary and mothers of boys who will attend Camp Frank A. Day this summer enjoyed a picnic at camp on Wednesday, June 8th. Cars left the Newton "Y" at 9:30 reaching camp at 11 o'clock. Outdoor games, swimming, and an opportunity to see the improvements made at camp this year were among the pleasant features of the interesting program. Each person took a box lunch, and coffee was provided by Mr. Clyde G. Hess, Camp Director.

Among those who attended were Mrs. Arnold C. Barker, President of the Auxiliary, Mrs. J. E. Baxter, Mrs. Frank W. Smith, Mrs. David Fraser, Mrs. Louis A. Wilson, Mrs. Louise Schwartz, Mrs. W. Hesselein, Mrs. C. W. Taylor, Mrs. Glendon A. Fuller, Mrs. N. J. Thomas, Mrs. A. Markarian, Mrs. William P. Powers, Miss Florence Clement, Miss Margaret Bascom, Mrs. C. A. Wentworth, Mrs. Archie MacDonald, Mrs. H. W. Bascom, Mrs. Robert H. Brotherlin, Mrs. A. Norman Needy, Mrs. Clyde G. Hess, Mrs. L. Chase Kepner, Mrs. J. Sherman Irving, Mrs. George Hesselein, and Mr. H. W. Bascom, General Secretary of the Newton Y. M. C. A.

Two very attractive window displays calling attention to summer activities at the Newton "Y" have been arranged by Walter S. Bruton, Membership Secretary and John Andrew, Jr., Associate Boys' Work Director with the assistance of William Perry. It would be hard to pass through Newton Corner Square without noticing in a store window the slogan "Make More 'Y' Men—Need Less 'G' Men," telling of the boys' activities at the "Y."

The Annual Spring Field Day for Younger Y. M. C. A. boys, sponsored by the Y. M. C. A. of Eastern Massachusetts, will be held at Cabot Reservation, Lexington st., Waltham, on Saturday, June 11th between the hours of 10 a. m. and 4 p. m. The well planned program for the day includes the following: Individual contests under the direction of Dick Bond of the Charlestown Y. M. C. A.; Novelty Track Meet directed by Willard Carr of Dorchester; Softball Games in charge of Howard Wilson of Boston; Rally under the supervision of Lew Lindsay of Wakefield and Harold Brewer of Malden; Nature Walks guided by Jim Sands of Boston; and a Mammoth Treasure Hunt planned by John Andrew, Jr. of the Newton Association. In case of bad weather, the program will be held at the Boston Y. M. C. A. on Huntington ave. Many Newton "Y" boys will take part in the program. The group will go by bus and bicycle under the direction of leaders.

## Commencement Features At Damon Hall School

The exercises of the 1938 commencement at Damon Hall came to a close last Monday evening with the formal graduation.

The annual picnic for the entire student body was held at Cedar Hill Mansion in Waltham. The Commencement Banquet tendered the Faculty and Graduating Class by the Junior Class was held at the Hotel Myles Standish in Boston on Friday evening last. On Sunday afternoon Damon Hall was thrown open for the Open House and tea with Dean Joan Damon Richards presiding, assisted by the newly elected officers of next year's senior class, the Misses Barbara Furbush, Margaret Mullally, Selma MacLaughlin, Ann Hunter and Thelma Harlow. Following this the guests visited the Austrian Gallery in which was displayed the work of the students of the Art Department, the Misses Etrel Dewey and Virginia Dewey of Newton. Each had worked shown that attracted much attention. The last vespers service was conducted entirely by the students themselves and featured an innovation in that the address was given by one of their number, Miss Eleanor Baker, who was graduated, magna cum laude.

The exercises on Monday evening began with the class day program and ending of the traditional try at which time the class history and prophecy were read. Then the students marched around the Ivy Green. As each member of the class placed a spadeful of earth, she announced it in honor of some outstanding feature of the Junior College. The Class Day exercises were concluded by the formation of "Damon Hall '38" in living characters on the Washington Elm lawn.

The entire student body and faculty retired to a distant part of the campus and formed for the Academic Procession. The electric illumination of the campus by colored lights was the signal for the orchestra to play the march that started the procession from the Washington Elm to the Hall, led by Marshal Bickelman, followed by the Juniors in formal dress and carrying laurel ropes. The second division was made up of the graduating class in their white caps and gowns and the third division was the Faculty in caps, gowns and hoods resplendent with color.

The almost perfect marching evoked round after round of applause from the nearly three hundred guests present.

The baccalaureate address was delivered by Dean Joan Damon Richards and was a masterly analysis of the economic and social conditions into which the college graduate of today finds herself plunged, and what she can do about it. The large audience was held almost spellbound. This was followed by the announcement of the Dean's List made up of the following names: Eleanor Baker, Jamaica Plain; Barbara Furst, Brookline; Shirley Stacey, Dorchester; Barbara Furbush, Waltham; Ann Hunter, Arlington; Selma MacLaughlin, Medford; and Ethel Dewey, Newton.

The Honor List carried the names of Thelma Harlow, Cambridge; Ardith Korlitz, Boston; Margaret Mullally, Medford and Sylvia Rich, Bridgeport, Conn. The silver scholarship cup was awarded to Eleanor Baker. Miss Muriel Trockman of the faculty was awarded the honorary title of Associate in Arts and invested with the honors. The awards were concluded by the presentation of a solid gold watch to Dean Joan Damon Richards, and of the diplomas to the members of the graduating class.

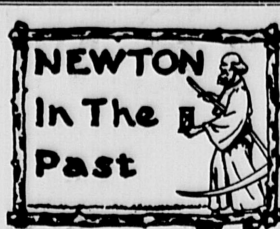

## Newtonville M. E. Church Woman's Association

The reports at the annual luncheon of the Woman's Association of the Newtonville Methodist Episcopal Church June 1 showed a successful year. The Women's Missionary Society, Mrs. Carl M. Foss, president, heard several splendid speakers. Through the social service department, Mrs. F. W. Briggs and Mrs. W. F. Stevenson, chairmen, 116 articles of clothing for welfare work, and a dozen blankets and nine sweaters for the Red Cross have been made and sewing for the Newton Hospital has been done.

The Women's Bible Class, Mrs. Louis W. Bruemmer, president, has been studying the Pauline letters under the leadership of Prof. W. J. Lowstuter. Monthly programs, Mrs. G. F. Williams, chairman, have included first addresses on handmade rugs, books, broadcasting, trade-fairs of Europe, numerology and food values. The social activities were among the seven groups with two all-group meetings and monthly luncheons. The Drama Group added a substantial sum to the treasury in the production of "The Late Christopher Bean" during the year. The following officers were elected: Honorary president, Mrs. Mary E. Soden; first vice-president, Mrs. Harold E. Magnuson; first vice-president, Mrs. Louis W. Bruemmer; second vice-president, Mrs. E. V. Hinchliffe; third vice-president, Mrs. Charles P. Pratt; fourth vice-presidents, Mrs. F. W. Briggs and Mrs. W. F. Stevenson; recording secretary, Mrs. Carl L. Swan; corresponding secretary, Mrs. Louis W. Bruemmer; treasurer, Mrs. W. H. Timble; auditor, Mrs. Abigail F. Stevens; committee chairman, program, Mrs. E. P. McGill; secretary, Mrs. W. F. Butts; finance, Mrs. Valdemar Nielson; publicity, Mrs. R. V. Spencer; house, Mrs. H. C. Thomas.

W. C. T. U.

The West Newton W. C. T. U. held their annual meeting on Monday night at the home of Mrs. M. Millie Beardsley, Crescent st., Auburndale. The reports were given by the various directors. The following officers were elected for the ensuing year: President, Dr. N. Louise Rand; 1st Vice-President, Mrs. Helen M. Merriam; 2nd Vice-President, Mrs. Ella V. Hall; Secretary, Mrs. Hulda Stahl; and Treasurer, Miss Susia Johnson.

55 YEARS AGO

Newton Graphic, June 9, 1883

The Railroad Commissioners in their report relating to the petition of citizens of Newton who asked that packages might be carried in the baggage cars of the Boston & Albany railroad free of charge have substantially recommended all that was requested. While the commissioners have no power to enforce the request, they hope the B. & A. will revise its regulations so as to avoid the impositions of which there has been just reason to complain.

The Common Council met on Monday night to hear the opinions of the School Committee and citizens of Auburndale on the perplexing question regarding the new school house there. The citizens stated that they were unanimous for an 8-room school and grammar classes. They wanted a good school and a good site and are willing to pay part of the cost if the city cannot afford it all. Mr. Ames for the School Committee submitted a plan for an 8-room school to cost \$22,000 plus the sum realized from the sale of the Williams School. The Common Council adopted an order on motion of Councilman Powers appropriating \$500 for plans.

When the order reached the Board of Aldermen that night, Alderman Cobb raised a vigorous objection. He said there is no use spending \$500 for plans when they can be obtained without expense as were those for the 4-room school. He objected to spending money for plans when we don't know whether we will build an 8-room school or not. The School Committee, he said, don't want an 8-room school, but yielded to pressure from Auburndale. Alderman Wood said there is a craze for 8-room schools, but he does not believe in having a building to accommodate both primary and grammar classes. The worst influences to younger children come from the older boys. Two 4-room buildings can be run as cheaply as one 8-room building. After more discussion the Aldermen decided they should have more enlightenment on the subject, so they voted to adjourn for a week and invite the School Committee to come and confer with them.

The third track on the Boston & Albany railroad has now been laid to West Newton, and sidings have been laid into the coal yard at the foot of Mount Ida. The rock blasting near the fire engine house at Newtonville is nearly done, and grading for the fourth track is being rushed along between Brighton and Newton.

The Newton Bicycle Club has invited the wheelmen of Boston and vicinity to participate in the antique and horribles parade on the morning of July 4th. The start will be made at 6:30 a. m. from Eliot Hall, Newton, and the route will be about 8 miles long, over some of the finest roads in the city. After the parade a collation will be served at Eliot Hall.

Lost—A pair of screens for French windows; delivered by mistake. Any one having them on their premises please notify J. O. Evans Sons, Newton.

There will be a temperance lecture at Good Will Hall, Bacon's Block next Saturday evening at 8 o'clock. The speaker will be John Somerville, the reformed Englishman.

Mr. Henry E. Cobb and his coaching party attended the grand reception to Minister Phelps at Burlington, Vermont last week. This week they have visited Ticonderoga and Ausable Chasm and then drove to Lake George.

The first of the Promenade Concerts to be given by the Newton Boat Club will take place Saturday evening. The boat house at Riverside will be illuminated and decorated, and so will the boats. Other concerts will follow on June 16, 23 and 30.

Mr. S. L. Brackett the well known "animal" artist of Boston is passing the summer at Watertown. He has just completed a life size painting of the pretty Skye terrier belonging to Mrs. Joel Hills of Vernon st.

The Newton High School military battalion drill will occur on Saturday, June 16 on the Eliot estate, Waltham st., West Newton. It will include battalion drill, competitive company drill, individual drill, bayonet squad, a review by the G. A. R. and award of prizes by Mayor Kimball. Missus's Salem Cadet Band will furnish music.

A new industry is to be established in Nonantum for the manufacture of perfume and flavoring extracts.

At about 9:25 Wednesday evening an alarm was turned in from Box 17 for a fire in a barn owned by Richard J. Morrissey on Jewett st. The building was all in flames before the arrival of the fire department and the structure was a total loss. Mr. Morrissey lost two horses, lumber, hay, harnesses and tools. Patrick Maloney lost a horse and A. J. Ford a horse and wagon. The cause of the fire is unknown. Some of the neighbors report that just after the fire burst forth from the building, they saw a blazing cat leap from an upper window of the barn, and they attribute the rapid spread of the flames to the cat.

## Powers' Paragraphs

For several years Major Harold Daniels of Washington st., Newton, has been urging us to comment on the menace of speeding automobiles on Washington st. between the Brighton line and Newton Corner. He contends that the sign—"Through Way Starts Here," which has been located at the Newton-Brighton line on Washington st., causes motorists to accelerate the cars they are operating. Recently a veteran Newton policeman told us that he had stopped a motorist for speeding on Washington st. and the offender gave the excuse that he had noticed the "Through Street" sign. Last week we received a letter from a gentleman who has resided for over two-score years on Washington st. near Waverley ave. He complains of the large number of cars and trucks that are driven by his house at speeds of 40, 50 miles per hour and even much higher speeds. He says that the noise of the speeding vehicles is such a nuisance that he departs early for his summer residence, and that although he has complained to the police, speeding along Washington st. continues unabated.

For years we persistently advocated the restoration of the motorcycle police squad in the Newton police department and that one motorcycle officer be assigned solely to Washington st., both on day and night shifts because of the frequency of fatal and serious accidents on that street and the large number of pedestrians crossing it. The motorcycle squad was re-established last year and eight men assigned to it. But Washington st. has not had the regular traffic patrolling we had hoped for, and the speeding continues on it. Until officers regularly patrol this street on motorcycles, or traps are frequently used to catch the speeders, the speeding will continue. The State traffic laws compel the retention of the "Through Way" sign at the Newton-Brighton line, but another sign should be placed there to discourage speeding. This sign should read—"Road Patrolled."

The horrible slaughter of helpless Chinese men, women and little children by Japanese aviators continues with increased frightfulness. Organizations and individuals all over the United States are protesting, but their protests are not bothering the Japs. If those who profess indignation at the butchery of the Nipponese are really sincere, they can very effectively bring the fiendish militarists of Japan to their senses by cooperating in a continued boycott of Japanese products. The principal export of Japan to this country is silk. It is used mostly in the manufacture of silk stockings. So, it is up to the women and girls of the U. S. A. to wage the economic campaign against Japan. If the bombing of cities in China and Spain is tolerated, it means that in the future this method of attempting to win wars by blasting cities and their inhabitants to fragments will spread all over the world—including this country.

For years we have been reading and hearing of the rapidly increasing economic plight of the railroads of this country. The financial troubles of the railroads affect many millions of people. Savings banks and life insurance companies all over the U. S. A. have been heavy investors in railroad bonds. Bankruptcy of the railroads would affect the savings and stability of insurance policies. It has been predicted for a long time that the Federal government will have to take over the ownership of the railroads. In view of these facts how can the President and others sanely advocate the St. Lawrence River program? They would make the big river navigable for ocean steamships, the products of the midwest would be transported in foreign steamships from Great Lake ports, and our nearly bankrupt railroads would lose much of the diminished business which remains to them. The St. Lawrence River program would be a great benefit to Canada, and a terrific blow to railroads and seaports of this country.

One of the popular activities of the day is—the denunciation of Communism and the urge to arouse this country against the alleged menace of radicalism. Some of those who are combatting the doctrine of Communism are sincere, but when we read the names of some of those who denounce the "reds," who prate about patriotism and love for American doctrines, we have to sneer. Corrupt politicians and men in public life who are actuated by greed, whose ethics are low, who are either slyly obtaining improper emoluments, or brazenly accepting graft—are among the attackers of the Communists. These pseudo-patriots are not only shadow boxing the "reds"; they are also dragging a "red herring" across their own malevolent trails.

The action of the Board of Aldermen at the meeting on Monday night in refusing to authorize the expenditure of \$10,000 for material to raise the level at Cabot Park playground, and \$7000 for material to build another baseball field at the high school grounds in connection with WPA projects, was taken because the members of the Board believe that the money should be expended on other WPA projects that will be of more practical benefit to the city. Unquestionably huge sums have been expended on WPA projects which are of little or no benefit to the people and we believe it is a good sign when the Aldermen begin to show more interest in this matter. We again call (Continued on page 10)

## ONE THING AND ANOTHER

By L. D. G. BENTLEY

### Something New on Hand

Gleaning knowledge is a favorite occupation of mine but I spend so little time at it that my store of information isn't really anything to warrant self-congratulation. However, I did pick up one thing, or rather two things the other day in the form of mittens which, I am sure, are bound to be frequently worn no matter how torrid or frigid the immediate surroundings. These mittens are made of toweling on the inside or palm and of percale or some such material on the back. Superimposed upon the outside of each, about where the knuckles come, are a couple of miniature sleigh bells—the kind children have on reins or rattles.

As to the utilitarian purpose of the mittens, and this is most important, they are worn when one is engaged in supplying the vibratory motion to a highly polished metal instrument in which there has been previously deposited quantities of stimulating liquids and chunks of ice. Anybody, who has or has not done this or who does or does not indulge, knows that moisture is produced on the outside of the vessel. The unique protection for each fist may appear odd at first, especially with the jingle bells accompanying, but serves admirably to strengthen the grip. Perhaps you are like me and don't get around much in the smarter circles. If you haven't been introduced then shake hands with the latest household gadget—cocktail mittens.

### Where Father Fits

As "Father's Day" approaches we are likely to hear it referred to loosely. Personally, I am disposed to soft-pedal. Memories are too precious, in deference to those who find the day's observance of sentimental significance, one somehow hesitates to become facetious. Furthermore, children do hold an affection, far deeper than may appear, if instead of Father, they do call him, Dad, Pop, Pa, Papa, Popsey, Pater, The Boss, His Nibbs, Daddy or My Old Man.

### Good Grounds for Cheering

Bunker Hill Day is the most important in Charlestown's calendar and the rest of the country knows why. Within a few years it has become a legal holiday in Suffolk county which means that residents need no excuse for assembling in patriotic celebration of this outstanding event of the Revolutionary War. More recently, Charlestown has acquired fame from the wild rides of automobile "loopers," as they are called. These daring youths create terror among citizens by driving madly through certain sections without regard for the lives of the people. Extreme measures have been taken with-

out success in efforts to discourage these desperate gangs. They'll get no chance to perform because of the crowds that fill Charlestown Bunker Hill Day and the "night before." That's something to celebrate, too.

### Oddments

June is here and so is widespread discussion of subversive movements, including Communism and similar attempts to overthrow the Government. It would be a pleasant month if our "red" talk involved only the things of that color we know more about—strawberries and roses.

Camera experts, amateur and professional, together with the rest of us who watch with admiration the activities and skill of newspaper photographers, have been interested in the many "snaps" made of the Ancient and Honorable Artillery Company of London in their visit to Boston. Everywhere the visitors had either to pose or merely appear in sight and the shutters clicked. Interior pictures were made by the use of flashlight bulbs—an item itself of tremendous expense to the newspapers. I found one earnest man (he loves statistics) trying to learn how many of these bulbs were used on the Londoners. He is willing to bet good money that the total will be amazing and I doubt if anybody disputes him.

### Wavering Moments

When hot weather comes my line of general reading knows no choice since it is so light that it is almost feathery. Unless I am comfortably established in the shade, with a breeze playing about, I can barely concentrate and when I do it is usually upon something that really isn't capable of swaying my mind. The flimsiest kind of literature is all I can stand. Forgotten, and even spurned, are those engrossing mysteries of homicidal narratives that stood by me in the Winter and the miserably wet Spring as are also the erudite magazines and the semi-scientific volumes from which I hope to derive much and sometimes do. My taste becomes flighty and unstable. My thoughts are less definite than those of the butterfly. It may be sticky weather of the stickiest sort but I for one cannot make my mind adhere to anything worthwhile.

NEWTON CENTRE SCOUT AWARDS

The Boy Scouts of Troop 5 Newton Centre had its last Spring meeting last Tuesday evening, June 7th. At this final meeting, Scoutmaster Frank Paquin made the Awards for the year.

The Best Patrol for the First Term was won by the Panther Patrol with Patrol Leader Ray Roley, Jr., and his Assistant Leonard Berkowitz.

The Best Patrol for the Second Term was won by the Stag Patrol with Patrol Leader Robert Goldich and his Assistant Donald Van Roosen.

The Best Patrol for the Third Term was won by the Panther Patrol with Patrol Leader Ray Roley, Jr., and his Assistant Fred Fowler, 3rd.

Credits for the year were tallied and won by the Panther Patrol. This award was a free week-end at Camp Quinapoxet for all the members of the patrol.

Mr. Ralph Emery, Scoutmaster Frank Paquin, and Assistant Scoutmaster Will Hodges formed a committee of three to pick the two best individual Scouts in the troop. The two scouts chosen were Fred Fowler, 3rd, Star Scout and Assistant Patrol Leader of the Panther Patrol, and Francis Newton, Jr., First Class Scout and a member of the Panther Patrol. Both these boys will receive a free full week at Camp Quinapoxet in West Rindge, New Hampshire.

The Patrol Leader showing best leadership among his boys was Richard Means, First Class Scout, and Patrol Leader of the Eagles.

Merit Badges were awarded to: Francis Newton, Jr., First Aid, Personal Health, Swimming, Life Saving, and Reading; Donald Van Roosen, Reading; John Dorfman, Carpentry, Handicraft, Metal Work, and Safety; Fred Fowler, 3rd, Finger Printing, Cooking, Scholarship, Public Health, Pathfinding, Signalling, Zoology, and

## Recent Weddings

MORGAN—MILNER

Miss Virginia Milner, daughter of Mrs. John F. Milner of 12 Ridge ave., Newton Centre was married to Thomas Henry Morgan, Jr. son of Mr. and Mrs. Thomas Henry Morgan of Haverford, Pa. on Saturday afternoon, June 4 at four o'clock in Trinity Church, Newton Centre. Rev. Edward T. Sullivan performed the ceremony.

The bride was given in marriage by her brother, Harry Barthling Milner. She wore a princess gown of ivory satin trimmed with old family rose point lace. Her veil of tulle was caught to a cap of rosepoint and she carried a bouquet of gardenias and lilies of the valley. Mrs. Charles R. Corwin of Newton Centre, the matron of honor, wore tea rose lace and not with hat to match and carried pink roses and blue delphinium. The bridesmaids, Miss Ethel DeMille of Newton Centre, Miss Huldah Lang of Boston, Miss Katherine Henry of Wayne, Pa. and Mrs. John A. Kelly of Haverford, Pa., sister of the groom, wore gowns of cornflower blue lace and net with hats to match and carried spring flowers.

Charles C. Gray of Wayne, Pa., was the best man. The ushers were John A. Kelly of Haverford, Pa., Charles R. Corwin of Newton Centre, John Buffington of Providence, Rhode Island and Edwin Milner, brother of the bride, of Syracuse, New York.

A reception was held at the home of the bride's mother, Mrs. Milner, where sheer olive green crepe with a black hat and a corsage of gardenias. Mrs. Morgan wore orchid crepe with a white hat and corsage of gardenias.

After a short wedding trip Mr. and Mrs. Morgan will reside in Narberth, Pa.

The bride is a graduate of Dana Hall and the Katharine Gibbs Schools. The groom is a graduate of the Wharton School of Finance and Commerce at the University of Pennsylvania.

ROBERTS—COOPER

Miss Myrtle Knight Cooper, daughter of Mr. and Mrs. Edward P. Cooper of 685 Grove st., Newton Lower Falls, was married to Basil M. Roberts, son of Mr. and Mrs. Bryant Roberts of Brookline on Saturday, June 4 at four in the afternoon, in the Perrin Memorial Church, Newton Lower Falls. Rev. E. J. Fairweather performed the ceremony.

The bride was given in marriage by her father. She wore a gown of white chiffon in Empire style and a finger-tip length veil of tulle caught with gardenias. She carried an old fashioned bouquet. The maid of honor was Miss Lilla Roberts, sister of the groom. She wore turquoise chiffon, a coronet head-band and carried an old fashioned bouquet. The bridesmaids, Miss Joan Warren and Miss Virginia Davis, nieces of the bride, wore peach chiffon with coronet headbands and carried old fashioned bouquets.

Donald Roberts, brother of the groom, was the best man and the ushers were William Shumway and Russell Benley.

Mr. Warren Shumway, organist, played the wedding music and Mrs. Warren Shumway was the soloist.

A reception was held at the home of the bride's parents where the couple received under an arch of palms and garden flowers.

On their return from a wedding trip to the Adirondacks, Mr. and Mrs. Roberts will make their home in Cohasset.

HUTCHINGS—RYDER

The marriage of Miss Arethusa H. Ryder of Chatham, Cape Cod, to Clarence J. Hutchings of Newton Centre, took place on June 9th at the parish church of the First Congregational Church of Newton, with the Rev. Boynton Merrill officiating. After a short voyage Mr. and Mrs. Hutchings will make their home at 74 Fenno rd., Newton Centre.

LOUGHLIN—CORRIGAN

Mr. and Mrs. Michael P. Corrigan of New York City announce the marriage of their daughter, Elsie Margaret to Edmund B. Loughlin of Newton Centre on Saturday, May 28.

Both are graduates of Syracuse University where Miss Corrigan was a member of Kappa Alpha Theta sorority, and Mr. Loughlin a member of Kappa Sigma fraternity.

## Newton Building Report for May

During the month of May 84 permits were issued by the Newton Public Buildings Department, the cost of the work to be done under these permits were estimated at \$441,885. But one of the permits was for the new school at West Newton, which will cost \$265,250, leaving the cost of the private building projects at \$186,635. Among the permits were 19 for one-family dwellings to cost \$144,500; 1 for a two-family house to cost \$6000. Alterations on buildings were estimated to cost \$24,955. The cost of building activities in Newton for the first 5 months of 1938 was estimated at \$1,243,650. For the corresponding months in 1937 the cost was \$1,757,910; in 1936 it was \$1,656,637.

## Wilson Out For Lieut. Governor

Robert G. Wilson of Dorchester, for 11 years a member of Boston City Council, has announced that he will be a candidate for the Republican nomination for Lieutenant Governor. He is a graduate of Harvard and is running on a platform of opposition to "New Deal" policies and "a fight against abandonment of our American system of free business enterprise." He believes in vigorous Republican opposition to New Deal policies.

## Arrest Worthless Check Writer

Serg. Burke of the Newton police and Serg. Maguire of the Waltham police last Thursday arrested Hilmer F. Larson, 53, of 299 Centre st., Newton. It is alleged that the man had been posing as a physician and had passed a number of worthless checks in Newton and other places. Employees of the Waltham National Bank became suspicious of Larson and notified the police. When the police raided his apartment they found a large number of checks, deposit slips and a ledger. Hilmer was arraigned in the Newton court and his trial continued until next week. According to the police Larson has served a term in State prison for larceny, and was also fined \$100 in Quincy for practicing medicine without a license.

## Newton Lower Falls Improvement Association

The final meeting of the season of the Newton Lower Falls Improvement Association was held in the Hamilton School Hall on Monday evening, June 6. An entertainment was provided by Troop No. 19, Girl Scouts, consisting of 30 girls with Mrs. Everett Brooks as captain. The program consisted of the Bugle Call, march and Salute to the Flag, a play by the entire troop, a group of songs and the investiture of Miss Betty Lowell as a tenderfoot by Miss Margaret Adams. The following girls were presented with special awards for Home Nursing, Child Nursing, Health and First Aid, Jean Brooks, Marjorie Knott, Margaret McKusker, Helen McLaughlin, Blanche Grybos, Ruth Grant, Margaret Mary Corcoran, Virginia Knott, Margaret Bradley, Ann Corcoran, Bernice Collins and Carol Ducker.

Miss Norcross, Red Cross Instructor, presented Red Cross Certificates to Margaret Mary Corcoran, Jean Brooks, Blanche Grybos, Margaret Bradley, Ann Corcoran, Ruth Grant, Marjorie Knott, Margaret McKusker and Virginia Knott. Gold Stars for attendance at meetings were awarded to Virginia Knott, Marjorie Knott, Margaret Corcoran, Ann Corcoran, Mary Healey, Margaret McKusker, Margaret Bradley, Blanche Grybos, Blanche Kopiec, Patricia Wilgob, Blanche Baker, Jean Brooks, Noreen White, Ruth Grant, Betty Grant, Marion Tobin and Shirley Sampson. Silver stars were awarded to Miriam Lisk, Helen McLaughlin, Lillian McLaughlin, Helen Emmetts, Helen Sohaskey and Margaret McDaniels.

Mrs. Theron Walker present First Class Scouts Badges to Jean Brooks, Margaret Corcoran and Virginia Knott. A candle-light service followed as the Scout Law was offered by the first class scouts. Flowers were presented to Mrs. Theron Walker and Mrs. Everett Brooks. The program closed with the sounding of Taps. Refreshments were served by Mrs. Harold Trefrey and the committee. The next meeting of the Improvement Association will be held on the second Monday in September, also the election of officers.

## Go To Brooklyn to Identify Loot

Mr. and Mrs. Arthur Higgins of 115 Waban st., Newton, went to Brooklyn, New York, on Monday to look at a quantity of loot recovered by Brooklyn police when three alleged burglars and a woman were captured in a raid at a house in that city. One of the alleged burglars, Harry Russell of Providence, was shot during the raid. Another of those captured was Fred Dion of Providence, who has been sought by Captain Goode and Inspector Crowley of the Newton police for months as a suspect in connection with a number of burglaries in this city the latter months of last year and in January of this year. The Higgins' residence was one of the houses burglarized, and that of Charles Simons, 10 Clyde st., Newtonville, was another. Mr. Simons, who was at Poughkeepsie, N. Y., over the week-end, was also notified by Newton police to go to Brooklyn to see the loot. Capt. Goode was in telephone conversation last Saturday with Brooklyn police.

## Campaign To Raise \$350,000

(Continued from page 1)

on designated gifts do not necessarily bear relationship to the intrinsic cost of that particular part of the building. Thus, the main entrance vestibule is priced at \$2,500 not because it will cost that amount but because it is one of the most desirable memorials. The difference between the intrinsic value and designated price goes into such auxiliary features of the building as the roof, basement, plumbing, etc.

This campaign marks the fifth major activity of this kind headed by General Chairman Nichols. He made his campaign debut when the Red Cross unit in Newtonville wanted to raise \$11,000 just prior to the U. S. entry into the World War. C. E. Kelsey, then Red Cross head, was instrumental in getting Mr. Nichols into this drive, which was highly successful, as \$19,000 was obtained.

After the outbreak became a World War combatant, Newton's Red Cross quota was set at \$60,000. Mr. Nichols organized the entire city for the drive, and \$200,000 was raised. A year later the War Fund campaign, and Newton was assigned a quota of \$200,000 on the basis of its previous accomplishment. Newton came through handsomely again under Mr. Nichols' leadership, giving \$400,000. The last campaign in which Mr. Nichols was engaged was for the building of Newton Hospital, \$1,600,000 being raised despite predictions that more than \$750,000 would be impossible.

Newton's past accomplishments in campaigns, combined with the successful record of Mr. Nichols, would indicate that another great victory will be celebrated jointly by Newton and Wellesley next Wednesday evening.

## Change in Lights At W. Newton Sq.

The traffic lights at West Newton Square are to be changed to correct existing deficiencies. When the lights were first installed there were five units, operated by pads in the streets which were pressed by motor vehicles and by push buttons pressed by pedestrians. So much unnecessary delay was caused to traffic by the over-complicated system of lights, that many protests followed and the vehicular operation of the traffic signals was abandoned. For many months the lights have been operated only by pedestrians. One of the complaints made against the signals since they were installed was—that no light faced West on the unit located on Washington st. opposite Waltham st. Such a light will be installed for east-bound traffic. Another light will be installed on the signal near the corner of Washington and Waltham sts. so that it will be seen by westbound traffic. The changes will cost \$347.

## Simpson Buried in Prison Cemetery

Edward P. Simpson, who was electrocuted on May 13 for the murder of Patrolmen Bell and Murphy of the Newton police, was buried on Wednesday in the little cemetery near Concord Reformatory where inmates of that prison have been buried. The only persons present at the burial apart from the grave diggers were an undertaker's assistant and a Catholic priest. Simpson's body had been held at the Northern mortuary in Boston since he was executed in the expectation that some of his relatives might claim it, but they failed to do so.

## Two Proposed Projects Opposed By Aldermen

The regular meeting of the Newton Board of Aldermen on Monday night was featured by the customary two-hour recess to allow committees to hold ponderous discussions on more or less important matters. The meeting opened with hearings on petitions for the grading and surfacing of several streets which abutted on the proposed improvement. Mrs. C. E. Hicks favored the improving and accepting of Bonmar Circle, Auburndale. Mrs. Gertrude Saucier of Needham opposed the petition. She said that part of a lot of land owned by her on the street had been taken by the city, and the remaining part of the lot is small and difficult to dispose of. Residents of Princess rd. and Byrd ave. in West Newton, and Walnut Hill rd. in Newton Highlands, favored the improving and acceptance of these streets. Howard Goff of Byrd ave. asked if that street could not be improved and graded by using WPA workers? He was informed by Alderman Jamieson and Street Commissioner Mahoney gave the information that the city finances do not permit streets to be built by WPA labor.

The Board granted the application of the Italian Benevolent Society for a permit to conduct a parade with a band from Thompsonville to Newton Centre sq. and return. Alderman Temperley called attention to the fact that the petition did not specify the date on which the parade will be held. Alderman's remark irked Alderman Inches, chairman of the Licenses Committee. He said that his colleague did not raise any objection in the committee room when the petition was received. Inches said that the parade will be a part of a 3 days' festa which the society will conduct. A report was received in connection with the application of Jenny Venturi, 64 Crafts st., and others relative to the incorporation of a new Italian Society in this city—"The Catholic Society Feminine of Maria of Monte Carlo."

The Board confirmed the appointment of Robert A. Whidden as a member of the Planning Board for 3 years. A letter was received from City Physician asking for action regarding the appointment of an assistant city physician. A communication was received from Senator David I. Walsh giving notice that the Comptroller General of the U. S. A. had signed an order for a WPA project in Newton which will employ "white collar" workers in making a survey of all street signs and city owned fences.

Appropriations made by the Board include—WPA administration expenses, 1937 bill, \$22.53; Welfare Dept., temporary investigator's salary, \$150; pension for Capt. Michael Turner of the Fire Department, \$828.48; Health Department for expenses to attend convention outside State, \$150. Authorizing expenditures from funds already appropriated—culvert under LaGrange st., \$600; sewer Pincroast rd. to Walnut rd., \$2530; construction of Pincroast rd. under betterment law, \$8550; sewer in Chestnut st., \$480; water mains, \$3705. The petition of Beatrice Wadman of 139 Brackett rd. for an abatement of a betterment assessment of \$439 was refused. The Board refused

to authorize the expenditures of \$7000 for a WPA project in building another baseball diamond at the high school athletic field, and \$10,000 to raise the grade at Cabot Park playground as another WPA project. These sums would be for materials. The money was appropriated a couple of months ago for WPA projects, but the Aldermen believe that other projects can be devised which will be of more practical benefit to the city.

At the request of Newton Highlands business men and the improvement society of that village, restrictions to parallel parking and a 1 hour limit were ordered on Walnut st. between Lake ave. and Centre st.; similar restrictions for the South Side of Lincoln st. from Walnut st. to Hartford st., and a one hour limit on the North Side of Lincoln st. On recommendation of the Licenses Committee a permit to establish a gasoline station at 78 Crafts st., Newtonville was granted to Raymond De Rubels.

## George L. White to Attend Bank Officers School

Mr. George L. White, Secretary and Assistant Treasurer of the Newton Trust Company, has been accepted as a student in The Graduate School of Banking, it was announced at the bank today. He will leave here on June 19th for Rutgers University at New Brunswick, N. J., to begin his studies.

The Graduate School of Banking is an advanced school for bank officers sponsored by the American Bankers Association. It is attended by 600 officers from banks all over the country. It offers a two-year course with three intensive two-week resident sessions at Rutgers University and two years of extension work at home under the supervision of the faculty.

The work of the school covers a broad range of practical subjects in banking, finance, economics, business law, and related fields. The courses are given by a large faculty consisting of both university professors, practical bank operating officers and government officials.

Mr. White's class will begin its studies with the resident session at Rutgers which will open June 20. He will graduate with the Class of 1940.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### A Variety of Happenings at Swampscott

Seldom has Convention Hall at Swampscott been more attractive for the Annual Meeting of the State Federation than it was this year. Red, white, and blue were conspicuous, and the setting of the stage with a background of green and an abundance of flowers, contributed to enjoyment of its appearance. Wednesday evening, Governor's Night, evening gowns of the clubwomen, too, added a colorful and beautiful note.

This evening was, of course, a highlight of the Convention for social events was the Reception in the Ball Room of the New Ocean House. This followed the evening session in Convention Hall Wednesday, May 25th. Governor Charles F. Hurley, who was scheduled to speak and bring greetings from the Commonwealth to the 3000 women who filled every available place in the hall, did not arrive until after the assembly had gone to the New Ocean House. There the club presidents and district directors were formed in long rows in the foyer of the hotel, their evening gowns adding a picturesque note to the affair.

A delightful diversion was the Antique Fashion Show staged by the Belmont Woman's Club on Wednesday afternoon, May 25th. Fifty club members promenaded in lovely old-time gowns of beautiful silks, dating from early colonial days to "the gay nine ties" (as appropriate music featured their appearance). Also about a dozen high school girls appeared in bridal costumes, with long trains. These and the famous Floradora singing belles were among the special hits.

Two Resolutions now in force in the State Federation were read to the delegates by Mrs. Henry W. Hildreth. The first dealt with the preservation of the Mt. Holyoke Race in memory of Calvin Coolidge, which was passed unanimously; the second favored the elimination of compulsory block-bookings and blind selling of motion pictures.

Mrs. Elliot B. Williams, of Milton, State chairman of Motion Pictures, asked the delegates to send telegrams to Peer G. Holmes, Representative from Worcester, and to Clarence F. Lee, chairman of the committee, for prompt and favorable action on the newly motion picture bill which passed the United States Senate the previous week, and for a favorable report on the bill without further hearings. This motion was carried unanimously.

There were many, many other matters of business, of pleasures, and of public addresses which occupied the attention of the clubwomen, and it is to be regretted that space does not allow them to be given.

Then with the announcement of the election of the new officers, and with the presentation of flowers and gifts, the Annual Meeting came to a close Thursday noon, May 26th, with a new president at the helm—Mrs. Henry W. Hildreth, of Winchester.

### Convention Shows Diversity of Interests

The broad scope of interests of the General Federation of Women's Clubs considered in the pre-convention gathering of chairmen of the nine major departments, and in the Forums sponsored during the days of the Convention, at Kansas City, as well as the topics presented by vigorous speakers before the Convention, were proofs indeed, that this organization is a one-purpose group. Subjects ranged from the American Home to International affairs; from art and music to the control of crime.

In Forums, speakers aroused their hearers by discussion of protection of democracy, and its relation to religion. A most remarkable Symposium was that in which advocates of three religious denominations appeared upon the same platform, and joined in championship of American Democracy, and religious fidelity—Rabbi, Catholic Priest, and Lutheran Minister: Dr. Louis B. Mann of Chicago; Rev. Edward Dowling, of St. Louis; and Dr. Wilson P. Ard, of Denver, Colo., who summed up for them all when he stated "democracy and religion are our greatest heritage under heaven. I would rather be the most humble citizen of America than a dictator in Europe."

Among the interesting events of the week, it is worthy of report as one most unusual, that Mrs. Lawson, the president, preached a sermon on Sunday, May 15th, at the First Baptist Church, Linwood boulevard and Park ave., on the general subject of "Living Up To One's Heritage."

A matter of pride to the Massachusetts delegates present at the convention was when silver balloons were sent up in the hall for each \$5,000 a state had donated to the General Federation fund, and the Bay State clubs had the highest score—seven balloons, for the largest contribution, \$36,445, with California coming next, their state having given \$14,116. It should be realized, also, that when Massachusetts contributed this largest sum, they received a similar sum for their own State treasury, so that they raised nearly \$73,000, half of which was retained in their own possession.

There were a great many prize awards in the various departments. Since Massachusetts is especially interested in the department of the American Home because its chairman is from this state, the award in this contest is given. Mrs. Norman H.

Hastings, of Rosindale, the chairman, announced that there were 91 entries in the Essay Contest, and that the winner of the award was Mrs. R. H. Jaquith, of the Literary League of Emporia, Kansas, for an outstanding essay on "The Art of Living Together."

### Juniors in the Club World

Events at Kansas City

Saturday evening, May 14th, was the gala night for the Juniors who attended the Triennial of the General Federation of Women's Clubs, in a magnificent Ball tendered to them, and an entertaining Ballet, especially staged as entertainment, rounded out another gay evening, the 16th, when they held the spotlight in the senior session given over to them and their doings in "Junior Night."

Throughout the week's events they had their enjoyable activities, beginning with a "Get Acquainted" Breakfast on Wednesday morning, May 11th; followed by a Fashion Tea, a Movie, a Play Day, a special Junior Luncheon, the Ball, the Farewell Dinner, and the Processional and Junior Night.

About fifty Juniors in a Processional marched to the Municipal Auditorium stage, gowned in every color and material imaginable, with corsages, wide skirts, and puff sleeves.

Mrs. Roberta Campbell Lawson, outgoing president of the Federation, introduced Mrs. E. W. Shirk, of Redlands, Calif., chairman of Juniors, who turned the meeting over to the Juniors. Each Junior introduced herself and told about work the Junior clubs of her State did in the last year. Senior, as well as Junior clubwomen were very much thrilled over Arizona's Junior delegate, Mrs. Florence Fisel, who traveled 1700 miles to attend the Convention, bringing her 5 months' old baby and its nurse and taking an apartment in Kansas City for her stay.

Mrs. Albert Powers, of Powers, Ore., vice-chairman, said Juniors were equal to the challenge of "untried ways, socially and politically, just as our grandmothers of pioneer fame were equal to it."

The Juniors presented Mrs. Shirk a crystal candlestick group for the center of the table. The Arkansas Juniors presented a quilt to Mrs. Lawson.

Miss Mary Sue Wigley, of Dawson, Ala., spoke on "Making a Living and Living a Life," her subject concerning budgets. Balancing a budget, she said, becomes a problem of controlling tastes, and if purse and tastes do not fit, the purse must be the guide. She stated there were four ways that a woman can help with the family finances; going outside the home to earn; earning in the home by washing, cleaning, manicuring, etc., by wise planning, and by careful and wise market selection.

Friday, the 13th, was certainly an unlucky day for the Juniors, at least in their opinion. Those who attended the Convention were instructed by their clubs to register a "no" vote for any change in the age limit as to what constitutes a Junior. And when the question came up on Friday morning before the Senior Convention there were only two Junior delegates present! Some of them had lingered at their own official breakfast; others were shopping, seeing the sights, doing a little laundry, or at a beauty parlor. Therefore about fifty Juniors had some talk explaining to do when they returned home. For the age limit was changed from 35 to 30 years. The Juniors complain they will lose some of their best Juniors to the Senior clubs by this ruling. Their only recourse now, according to parliamentary procedure, is a petition to the Executive Board, or to bring the matter up again at the next Triennial.

Events at Swampscott

The New Ocean House foyer at Swampscott was abuzz all day with the arrival of over 600 Juniors from every section of the State on Monday, May 23rd, for their Annual Meeting and Banquet. Juniors were gay in evening attire for the Banquet at 6 o'clock, and flowers, the gifts of admiring families and friends for this gala event in their lives. Seniors, too, donned their prettiest frocks in honor of the festivity, for officer were among their guests.

It was in fact a Floral Parade from the hotel to the Convention Hall, for the evening session which followed. Presidents of 70 or more Junior clubs were led by the directors from the 16 State districts. Mrs. Paul H. Nottage acted as marshal; Miss Helene S. Spencer as standard bearer of the national flag; and Mrs. Olaf Hoff, Jr., fourth vice-president of the State Federation, and Junior advisor, carried the state flag.

Mrs. Nottage presided at the session, and greetings were brought by Mrs. Frank P. Bennett, General Federation director, and Mrs. John H. Kimball, State Federation president. Among outstanding events of the business session, they voted unanimously to adopt the project of raising funds to send underprivileged children to health camps, as their statewide activity for the season of 1938-'39.

They also voted to accept the recommendation of the Junior State committee, presented by Miss Mary T. Pierce, of Braintree, to raise the money by holding a Charity Ball, Saturday, October 29th. The children chosen to be benefited by their undertaking will be representative of the entire state. Miss Spencer, who represented the Juniors of the State at the General

Federation Triennial, announced that it was decided by the national organization to set 16 to 30 years as age limits for Junior membership; to start a national Helen Keller tribute fund to aid the blind, and to endeavor to raise \$5000 for the coming year; and to establish an Amelia Earhart Foundation Fund at the college which Miss Earhart attended. Juniors were also asked to report to their local chief of police any information as to the sale or use of the narcotic, marijuana, in their community.

Miss Frances Letson, of Dorchester, who has served as vice-chairman of the Junior department, was introduced as the new State Junior chairman. She presented the silver cup, donated by the Juniors of Turners Falls for a traveling prize in the Annual Poetry Contest, to Miss Barbara Ann Henry, of the Waltham Junior Woman's Club.

The Salem Junior Woman's Club was awarded a silver cup for having the best program for the past year, and the Wollaston Junior Woman's Club received the silver cup offered in the Drama contest. Mrs. William A. Robb, director of the Second District, warned that funds raised by entertainments and by other affairs given by Junior organizations are subject to federal income tax, unless legal exemption claims are filed with the Collector of Internal Revenue.

Miss Mary Sue Wigley, of Dawson, Ala., chief speaker of the evening, who also spoke at Kansas City on Jun-

ior Night, gave the address of the evening. Mrs. M. H. Gulesian, of Chestnut Hill, was pianist for the singing of "The March of Youth" by Miss Clara Endicott Sears, written for Juniors. Miss Martha Post Wight, of Newton Center, was soloist. Mrs. Harold M. Scheibe, of Belmont, State chairman of Literature, was presented a gift for her services as judge in the Poetry and Drama contests.

## Ralph H. Knapp Head of Scientists

BOSTON, Mass., June 6—A warning to nations "whose governments have been conceived largely in selfish ambition and brought forth by human force" was issued here today at the Annual Meeting of The First Church of Christ, Scientist, The Mother Church, by The Christian Science Board of Directors who declared the lessons of history show such governing bodies to be "of few days and full of trouble."

Election of Ralph Hastings Knapp, C.S. of Needham, Mass., as President of The Mother Church was announced. He succeeds Judge Clifford P. Smith of Newton, Massachusetts. Edward L. Ripley of Brookline and Ezra W. Palmer of Marshfield were re-elected Treasurer and Clerk of the Church respectively.

Mr. Knapp is a son of Ira O. Knapp and Plavia S. Knapp, two of the 12 called upon by Mrs. Eddy to reorganize the Christian Science Church in September, 1892. When a young boy, Mr. Knapp and his mother were healed in Christian Science and through this healing the entire family became interested. He has served First Church of Christ, Scientist, Needham, Mass., as reader, director and president. He is on the teaching faculty of Mechanic Arts (Technical) High School in Boston.

## Directors' Report

Mr. Palmer, reading the statement from the Directors, reported that The Mother Church has grown substantially in numbers during the past year; is united, harmonious, and without debt. The Directors further called the attention of Christian Scientists to the responsibility they have in respect to upholding such fundamental issues of life as cultivation of good will and preservation of a system of government protecting the civil rights of its people and ensuring to them freedom of speech, of the press, and of religious worship.

Mr. Knapp as incoming President expressed the need for spiritualizing consciousness. "The way of accomplishment," he said, "is through renewed consecration; a greater purification of sense and self; more love for God and humanity."

Judge Smith, retiring President, related several incidents of healing in which Mrs. Eddy's work as a practitioner of Christian Science was demonstrated.

The Trustees Under the Will of Mary Baker Eddy reported assisting many branches of The Mother Church in acquiring their own church buildings. They also aided in placing Mrs. Eddy's works in a number of public libraries in towns where there are no Christian Science organizations and in supplying literature in Braile.

Roland R. Harrison, Manager of The Christian Science Publishing Society, stated that the Trustees seek every opportunity to emphasize the fact that true progress in our publishing activities is spiritual unfoldment rather than material gain.

William W. Davis, Executive Supervisor of the Charitable Institutions, expressed gratitude for the many demonstrations of healing at the Christian Science Sanatoriums.

## Our Lady H. S.

## Class Day

Class Day exercises in the form of a banquet and dance were held at Our Lady's High School on Thursday, June 9th. The program consisted of Grand March, played by the orchestra, the Class Poem by Rita Smith, the Presentation of the Class Gift by the Class History Class, the Class Poem by Margaret McPherson, and Class Will by Margaret McPherson, Gordon O'Brien and Rose Timmins respectively.

Presentation of Class Gift by Gordon O'Brien, class of '38, and the acceptance of Class Gift in behalf of the undergraduates by William Nugent, class of '39.

The Assembly was addressed by Father Sheridan after which the Senior Class sang the Farewell Song. Dancing followed the program.

Urban Newton Deagle acted as toastmaster.

## Health Exhibition

The pupils of Our Lady's gave a colorful and spectacular health exhibition on the church property, Washington st., Sunday before Mayor Childs, the priests of the parish and a throng of parents and friends.

The purpose of the gymnastics was Miss Mary Moriarty. After the exercises, dances and drills, the girls of the 8th grade gave demonstrations in First Aid.

The Mayor was introduced by Rev. John A. Sheridan, pastor of Our Lady's Church. In an eloquent address to the priests, teachers, pupils, their relatives and friends, he said that it was an honor and a privilege for him to witness such an excellent display of loyalty, cooperation and teamwork as was evidenced in the whole program. He emphasized the need of a sound mind in a sound body. For success in life, he stressed the importance of character, loyalty and appreciation for the work of the teachers.

In behalf of the pupils, Father Sheridan thanked the Mayor for the interest he had shown in the exhibition, and for his words of praise and encouragement which followed. In a brief address Father Sheridan said that a true education consisted in the training and development of the body, the mind and the soul.

## English Club

On Friday, June 10th, Father Finn's English Club of the Freshman Class held its last meeting of the year in Rm. 7. As a special feature of the program for the day, Betty Keefe, Ann McPherson, and Ruth Gaudreau, three members of the William Cardinal O'Connell Club, presented a one act comedy entitled "Betty Behave."

Other appropriate and enjoyable contributions were given by Anthony Pellgrini, Mary Kivell, James Kelley, Marie Burke, Donald McLean, Aldo Cairo, Mary Kelleher, William Byrne. The session was a fitting close to an interesting and beneficial season of club meetings.

## Highest Honor Student

A year's subscription to the Reader's Digest beginning with the July issue, has been offered to the valedictorian of each senior high school graduating class. Miss Margaret Mary McPherson, daughter of Mr. and Mrs. Henry McPherson of 221 Linwood ave., is the recipient of the honor as she is the highest honor student to be graduated from Our Lady's High School next Sunday, June 13.

## Bigelow Junior H. S.

A very interesting assembly was held last Thursday morning during the first period. It was directed by Miss Scheib and the participants were all members of room 205. The program took the form of a pageant entitled "Our Heritage" and concerned those authors of children's literature who were born in this state or spent part of their lives here. Philip Segal, Ellis Paine, Anne Avantaggio, Pauline Forslund, Mary Bradshaw, Anne Field, Derek Beard took part. Actors in a short skit from "Little Women" were George Barrett, Dorothea Kirby, Betty Campbell, Marcia Wilkie, Rita Murphy, Julia Battista, Dorothy Totten. The "Barefoot Boy" was recited by Richard Burkholder who was dressed in costume. Professor Quig, impersonated by Peter Wheeler, questioned Kimball Maloney, Derek Beard, Carleton Merrill, Edmund Nardone and Gilbert Clark about some literary facts.

A Longfellow tableau showed Robert Blue as Miles Standish, Allan Melvin as John Alden, Mary Bradshaw as Priscilla, and Herbert Elkind as Hia-watha. James Scallia was in charge of properties and Lee Lovett was the announcer.

Through the efforts of Captain Edward Casavant, Bigelow has organized a golf team which includes Charles French, Everett Olds, William Spiers, Robert and Martin, John McNamara, George Pierce, and August Avantaggio.

The girls' tennis tournament will be finished this week with Audrey Fitzgerald and Patricia Turchon as the final players.

## Day Jr. High School

On June 1st in an informal golf match the Warren Junior High School won from the Day Junior High School, 7½ to 1½. Curley and Robertson of Warren halved their match with Tedesco and Macdonald of Day in the first foursome. Keefe and Haley, and Marshall and McKenzie of Warren won the second and third foursomes from Leone and R. Beatty, and G. Gentile and J. Beatty, respectively. On the following day, Albert Cavanaugh won from Robert Bones in a semi-final match of the golf tournament. Robert Beatty and Charles Macdonald were unable to play off the other match.

The Boys' Tennis Team won a close match from the Bigelow Team by winning the three doubles match after losing both of the singles. Powers (B) defeated P. Teschner 10-8. Davenport (B) won from R. Hunting (D) 7-5. J. Saunter and S. Merrill (D) won from Schwartz and Rily (B) 6-3. J. Kellar

and G. Geisler (D) won from Furna and Gower (B) 6-0, and B. Udin and J. Horn (D) won from Sylvester and O'Toole (B) 5-4. In the Girls' Field Day matches at Warren, Nancy McGill and Betty Farley of Day won the doubles title.

The annual outing of the Student Government Staffs is to take place today at the Stow Country Club. All regular members of the various staffs are eligible to attend the outing and in addition the ninth grade substitutes are to attend.

During the week of June 6th a new system of passing between classes is being tried. The Student Council suggested that if two-way traffic were allowed on the stairs, some of the congestion might be avoided. On Monday morning Joan McGrath and Francis Leone, members of the Student Council, explained the system.

## Warren Jr. High

The Practical Arts Department presented a short sketch showing some of the activities of each department at the assembly on June 3. The clothing department was represented by the following students: Eleanor Kelly, Phyllis Carter, Ann Rogers, and Virginia Guerriero. These girls showed a typical scene in one of the clothing classes. David Brackett gave a demonstration of tossing flap-jacks for the foods department. In the woodworking shop, Grace Stewart and Paul Dunn showed how a lathe is used. The print shop demonstrated how to set type and the metal department, represented by Doane Cook and Richard Searle, demonstrated bent metal work.

Jo Humes, the School Community President, interviewed each group. Grade 6 Day was held on Tuesday, June 7. The following students were selected from the Junior I class to serve as guides: Blanche Grybos, Elizabeth Woodward, Edward Meredith, Elizabeth Hall, Sarkis Avodjian, Frances Soule, Jim Munro, Phyllis Greene, Grace Prescott, Alberta Perry, Glenna Eldridge, Richard Searle, Leonard Morrissey, Harold Boyd and Arthur Appleton.

## Cronin Campaign For Congress

A large gathering of voters met at Dennis M. Cronin's home in Auburndale Wednesday evening to sponsor the candidacy of Dennis M. Cronin for Congressman from the Ninth District. Mrs. Bresnahan of Waltham was elected chairman of the Women's Committee, and Charles E. Cunningham of Chestnut Hill was elected Executive Chairman of the Cronin campaign.

The next meeting of the campaign workers will be held at the temporary headquarters—226 California st., Newton, next Wednesday evening, June 15.

A grand reception to the candidate is being planned for Monday evening, June 20, at the Windsor Club in Watertown at 8 p. m.

## 3 Months In Jail For Newton Man

Albert M. Flanagan, 37, of 50 Gardner st., Newton, was sentenced by Judge Mayberry in the Newton court last Saturday to serve 3 months in Bellerica prison. Flanagan was found guilty of having assaulted a little girl who resides in his neighborhood after walking into her home. He appealed.

## APPEAL FOR MATERIALS

No citizen of Newton needs to be told that our playgrounds rank among the finest in the country but many of us may not know that our children have a reputation for making excellent handicraft from discarded materials.

Every year a plea is made asking housewives to save odds and ends gathered during the year, empty spools, stockings, ribbons, tape, pieces of silk or cloth, paper dolls, Christmas cards, envelope linings, embroidery materials, wool or articles suitable for prizes. The answer to this plea is always generous and the materials aid in keeping five hundred young children busy and happy during the summer season. If you have a donation the playground truck will call for it at your home by appointment if you call the Playground Department. Centre Newton 4700.

## Little Nonantum Girl Attacked

Arthur J. Bertrand, 33, of 26 Washburn st., Newton was arrested on Wednesday night by Serg. Moran and a squad of police charged with an attempted felonious attack on a 6 year old girl who resides on Faxon st., Nonantum. According to the story the child told her parents, Bertrand lured her, by buying her ice cream on Wednesday afternoon, to an isolated spot near the Charles River. Bertrand was arraigned in the Newton court on Thursday morning and held in \$10,000 bonds for the Grand Jury. Bertrand has a police record. In 1936 he was convicted of robbing a store at Newton Corner and was placed on probation for 2 years.

## Appeal of Carris To A.B.C. Fails

The State A. B. C. Commission on Tuesday turned down the appeal of George Carris, owner of the George's Cafe at 291 Centre st., Newton. Several weeks ago the Newton License Commission suspended Carris' liquor license for 60 days after A. B. C. investigators had complained that intoxicated men and minors were being sold ale in the place.

attention to the fact that WPA funds could well be expended in Newton to build some real sidewalks, also to establish a city nursery on the water reservation land in Needham. If the city cannot afford to buy trees, it could raise them and then plant them in the many hundreds of holes dug along our streets several years ago as an ERA project. These little holes were excavated and then filled with loam as locations for trees, but the trees were never planted in most of the holes.

## Dr. James G. Gilkey's Address To High School Senior Class

### Thunder Showers and Failure of Amplifying Equipment Interrupts Sunday Evening Exercises

Editor's Note—The complete address of Dr. James G. Gilkey, chief speaker at the high school graduation exercises is printed below. Due to thunder showers and an accompanying failure in the electrical equipment Dr. Gilkey's remarks were interrupted to the great disappointment of many. We are pleased to offer to our readers, the many graduates and their parents, the opportunity to read the commencement speaker's address on "What Life Offers Young People Today."

falling in torrents, and though it was pitch dark everywhere, Ford and his wife pushed that new vehicle out of the barn and into the street. Then the young inventor started the engine. It puffed and spluttered and jerked, but the horseless carriage actually moved—moved up and down that dark, rainy street. Henry Ford had brought his dream true.

One day in 1893, when Ford was just thirty years of age, he drove his car for the first time on the crowded streets of Detroit. Here is a description of that memorable scene. "No circus ever attracted more attention. Some people laughed uproariously when they saw the new vehicle. Other people were furious. The car was frightening the horses, it was causing a commotion, it was blocking traffic. Furthermore if Ford left the car, a crowd immediately surrounded it, and then invariably someone tried to start the engine. That meant there might get loose and run away. Eventually Ford made it a practice to carry a padlock and chain whenever he went out in his new vehicle. Then, when he left the car, he could padlock it to a lamp-post or a telegraph pole. The police objected to all this disturbance and so Ford was obliged to secure from the mayor of Detroit a special license permitting him to operate the vehicle in the streets. That was the first automobile license ever issued in the United States."

Look back now to those strange days in 1893, when Henry Ford was thirty years of age. What did life offer him? Life offered him (though he did not realize it at the time) the chance to win an amazing amount of personal success. He was destined to become the richest man on earth, to be the greatest industrialist of all time, to create a new way-of-living which would revolutionize life for millions of human beings. By 1922, less than thirty years after Ford was padlocking his first car to lamp-posts in Detroit, his factories were producing more than 1,250,000 cars per year, and Ford's personal profits had reached the incredible total of \$400,000 per day. That was the wealth life offered Henry Ford, but did life offer that wealth to all the young people of his generation? Here is an analysis of the Federal Income Tax returns for 1936. At that time Henry Ford was in his prime, and was rapidly accumulating millions. But how many members of his generation were earning even \$3,000 per year?

Only 1 lawyer in every 5  
Only 1 engineer in every 9  
Only 1 doctor in every 14  
Only 1 salesman in every 22  
Only 1 minister in every 80  
Only 1 school-teacher in every 200  
Only 1 farmer in every 400

Life does not give everyone amazing personal success. Now all this indicates what life will probably do for your generation. To a few of your contemporaries life will probably give what it gave Henry Ford—the chance to accumulate vast wealth, exercise enormous influence, change the very conditions of human existence. But meantime most of the members of Ford's generation, will have an entirely different experience. Most of your contemporaries will not be rich, will not be famous, will not bring far-reaching changes into life. Most of them will live in little homes and little communities, most of them will have dull jobs and small salaries, and most of them will attract little attention during life and at death. The traditional story of carriage was done. Though the rain was

## Baby Show At Legion Field Day

A Baby Show opened to any baby three years of age or under will be one of the many features of the big Field Day to be conducted by the local Legion Post at Claflin Field, July 4th.

According to an announcement made by Mrs. Mildred Ely, chairman of the Baby Show Committee, a prize suitably engraved will be awarded to the winner in each of six classes. The classes are as follows: Class A—Girls under one year of age; Class B—Boys under one year of age; Class C—Girls one year and under two years of age; Class D—Boys one year and under two years of age; Class E—Girls two years and under three years of age; Class F—Boys two years and under three years of age.

The contest will be held at 3:30 p. m. promptly and prizes will be awarded on the basis of physical appearance and attractiveness.

Entries may be made with Mrs. Ely by calling Centre Newton 2114 or by addressing her at 93 Cedar st., Newton Centre.

In order that suitable arrangements may be made, it is very desirable that entries be filed before date of the contest. In sending entries through the mail, parents are requested to give the baby's name, address, date of birth and birthplace.

Positively no entries will be made after 12 o'clock noon on July 4th, 1938.

## Thanks Legion For Blood Donations

The following letter was received by J. Sherman Irving, Commander of Newton Post, American Legion.

COPY  
Sharon, Mass.,  
May 20, 1938.  
Mr. J. Sherman Irving,  
51 Newell Rd.,  
Auburndale, Mass.  
Dear Mr. Irving,

With sincere appreciation I acknowledge and thank you for the great service rendered our family in giving or sending others to give blood for Mr. Hussey during his operation on April 6th at the City Hospital—being the 6th transfusion he had had. My daughter talked with Mr. Joseph Beattie, your line being busy, who said he would get in touch with you, so I do not know the names of the donors but understood you to be the head of the Transfusion School and if you will please pass this expression of gratitude on I shall be greatly obliged.

Mr. Hussey was recently discharged from the hospital and recovering from this illness, but has to return for a second operation probably in July if his condition permits.

We had difficulty in securing the right type of blood among our friends and members of family and we are truly grateful to the American Legion for assisting us.

Yours very truly,  
STELLA M. HUSSEY.

## Newton Youths Go With Macmillan

Two Newton young men will accompany the Macmillan expedition to Labrador and Greenland this summer in the schooner "Bowdoin." They are Harold Evans of Newton Highlands, who will be second mate. He is a Dartmouth man and was with the Macmillan expedition last year. Another member of the crew will be Chauncey Waldron of West Newton, an Oberlin student. The "Bowdoin" will leave Boothbay Harbor on June 25 and will proceed as far as Baffin Bay and Melville Bay.

## Campaign For Nurses' Home Is Extended

### Plan To Conclude Drive For \$350,000 Next Tuesday

The \$350,000 campaign for a new nurses' home for Newton Hospital is scheduled to conclude on next Tuesday evening, June 21. Originally planned to close last Wednesday evening, the drive was continued six days at the request of many of the workers who desired additional time in which to cover all their cards. Attendance and enthusiasm has mounted at each successive meeting, and the final report dinner at Weeks Junior High School is expected to result in a deluge of dollars that will spell success for the drive and start construction of the dormitory so sorely needed to maintain the high standing of the hospital's school of nursing, fifty years old this month.

The second report dinner of the campaign last Monday evening produced additional contributions amounting to \$47,844 to swell the total gifts to \$135,412. The pledges reported at the opening report gathering totaled \$87,568. Wellesley has reached \$25,479 toward its quota of \$40,000, and this community has gone on record that it will obtain its quota even if a fresh start has to be made to do the job.

Symbolizing the nearing the half-way mark in the campaign, Mrs. E. J. Corcoran, member of Waban's team 105, raised the flag at Weeks' School to half-mast, while Miss Hazel A. Barrett, student nurse, stood at attention. This ceremony was staged by Roy Booth of the Newton executive committee.

Following is the list of total pledges for the Newton villages, as announced on Monday night: Auburndale, \$5,708; Chestnut Hill, \$9,210; Newton, \$22,039; Newton Centre, \$14,591; Newton Highlands, \$11,112; Newton Lower Falls, \$844; Newton Upper Falls, \$427; Newtonville, \$6,149; Oak Hill, \$2,335; and Waban, \$13,001.

Leon B. Rogers has presided at both report dinners to date in the absence of General Chairman Henry J. Nichols, kept home by illness.

As a special feature of Monday's meeting, Miss Bertha W. Allen, superintendent of the hospital assisted by seven charming student nurses, presented an impressive pageant of nursing uniforms which have been worn at the school during a half-century.

The students, in the order they were introduced to the gathering, were: Miss Mildred G. Cragin, Mount Vernon, N. H.; Miss Winifred Stone, Newton; Miss Ora Johnson, Newton; Miss Mary Peck, Auburndale; Miss Frances E. McCobb, Camden, Me.; Miss Hazel A. Barrett, Peterboro, N. H.; and Miss Helen F. Scott, Washington, D. C.

## Watchman Dies Suddenly on Duty

Ovide LaLiberte, 56, of Highland circle, Needham, employed as a watchman at the plant of the New England Pipe Company, Needham st., Newton Highlands, was found dead in a shed at the place on Sunday morning. When he did not return to his home at 7 that morning, his stepson, Preston Hopkins, went to the plant to investigate and found Mr. LaLiberte lying dead. Medical Examiner Gallagher said death was caused by heart failure.

## Two Burglaries Over Week End

Two burglaries were committed in this city over the last week end. Both were discovered on Monday in houses which the families had been absent over the week end. The houses entered were those of Henry W. Keith at 85 Parker st., Newton Centre, and Mrs. Helen Fuller, 19 Islington rd., Auburndale.

## Newtonville Mill Workers Strike

About 100 employees of the Security Mills at Monroe st., Newtonville, went on strike on Monday morning in protest against proposed cuts in their wages. Both men and women employees were involved. Last year employees of the company went on strike both to obtain increased wages and recognition of their union, an affiliate of the Textile Workers of the C. I. O. The company made an agreement with the employees at that time, the union was recognized, and a wage agreement was settled on, which was to last until May 31 of this year. Last week, according to union representatives the company announced that a pay cut would be put into operation on June 13 and that the reductions would range from 5 to 22 per cent, with the majority of workers receiving from 11 to 17 per cent cuts. The strikers started a quiet picketing of the plant which manufactures knitted goods. They stated that the State Board of Arbitration had been asked to hold a hearing on the difference between the company and the employees. The hearing was held at the State House on Tuesday and was resumed on Wednesday. Philip Rubenstein, treasurer of the Security Mills stated that the employees have asked for salary increases and other unreasonable requests. It is also said that the union seeks a closed shop and time and a half for overtime.

## Charge West New. Man With Shooting

Pliny Lombardi, 49, of 1663 Washington st., West Newton, was arrested Monday afternoon when he surrendered himself at the office of District Attorney Warren Bishop in Cambridge. He was arraigned in the East Cambridge Court on Tuesday and held in \$3000 bail on the charge of assault with intent to kill Martin Guida, 48, of 699 Belmont st., Belmont. Joseph Casale, 20, a stepson of Lombardi, was arraigned as being the driver of the car in which Guida was allegedly taken for a ride and shot. He was held in \$1000 bail. Both men obtained bail. Early Sunday morning Guida was driven to the Cambridge Hospital in a car driven by young Casale. Guida had been shot in the abdomen, but refused to tell the hospital officials how he received the wound. The shooting allegedly followed a fracas at the wedding reception of Guida's daughter to Alexander Beaton in Payson Hall, Belmont on Saturday night.

## Girl Injured When Two Cars Collide

Cars driven by Francis Breault of 16 Orient st., Worcester, and Frances Stickney of Mount Auburn st., Cambridge, collided last Friday afternoon at Washington st. and Lowell ave., Newtonville. Rita Davis, 22, of Worcester, a passenger in one of the cars, received injuries to her legs and was taken to the Newton Hospital. Miss Stickney reported that she stopped her car before emerging from the Lowell ave. bridge and that the Worcester car came along and hit the left fender of her car.

## Dog Bites Man At West Newton

Charles Brewer of 11 Parsons st., West Newton while walking on Randall park on last Friday was bitten by a dog which had been kept at the home of Charles McKenzie, 66 Randall park. MacKenzie reported to the police that he had found the dog on May 24 and would keep it until its owner was found. The dog was turned over to the dog officer last Saturday and City Veterinarian Boutelle notified to examine it.

## James Dealey and Juliette Harvey Win Coveted Awards At High School Graduation

### Commencement Exercises of Largest Class in History of the Newton Schools—718 Receive Diplomas

The 78th and largest class to graduate from Newton High School received diplomas from Mayor Childs in the auditorium at the school last Sunday night after they had been forced by a thunderstorm to hurriedly depart from Dickinson Stadium where the graduation exercises had been in progress. The graduation had been scheduled for last Saturday, but rainy weather on that day caused the school officials to postpone the exercises to Sunday. Although the excessive humidity on Sunday indicated rain, and showers fell in Wellesley and surrounding territory early Sunday, late Sunday afternoon, no rain had descended in Newton and the graduation exercises commenced in the stadium at 7 o'clock with the 718 graduates and several thousands of their relatives and friends present. The graduates marched into the stadium to the strains of "El Capitan" played by the high school band.

The exercises opened with the invocation delivered by Rev. Raymond Lang. The class gift, a sum of money to provide lighting equipment for the stage of the high school auditorium was presented by Theodore B. Duffy, president of the Class of 1938, and accepted by Principal Paul Elicker. C. Raymond Cabot of the class of 1908 presented to James B. Dealey, Jr. of Newton Centre the Meserve Fund Scholarship which is annually awarded to a boy graduate who best typifies the well-round character which Charles D. Meserve would recognize were he living. Dealey also won the senior cup which is awarded to the boy who is most outstanding, and which, with the Meserve scholarship are the two most coveted honors.

Dealey has been president of Newton Chapter of the National Honor Society, editor in chief of "The Newtonian," chairman of the safety committee and a member of the baseball squad. In addition to many other school activities.

The highest award to a girl graduate—the senior cup, was presented by Principal Paul Elicker to Juliette C. Harvey. She has served as editor-in-chief of "The Newtonian," news editor of "The Newtonite," vice-president of the National Honor Society chapter, and secretary of the Junior Forum.

The following scholarships and awards were presented by Principal Elicker:

Lieutenant Stafford Leighton Brown Memorial: Julian Henderson Allen, John Spencer Arend, James Alfred Brickett, Jr., Ernest Julius Colantonio, John Joseph Devlin, Sidney Guberman, Richard Allen McLellan, Francis Wilfred Moan, Thomas Joseph O'Toole, Joseph Francis Palmieri, Thomas Chalmers Peebles, James Alfred Phillips, James Clarence Scharfberg, Edward Dowse Stone.

Torborg of the class of 1939 was awarded the American History prize given by the Mass. Society, D. A. R., and Nancy F. Flagg the American History prize, given by Sarah Hull Chapter, D. R. The Dickinson Memorial Athletic Cup was awarded to Francis X. Hines who has been captain of the indoor track team and a member of the football team.

The address to the graduates was delivered by Rev. James Gordon Gilkey, D.D. of South Congregational Church, Springfield. Soon after he started the rain began to fall and his address had to be cut short. The graduates hastened to the school auditorium where Mayor Childs addressed them and presented the diplomas.

### NEWBY—DIEHL

Miss Eleanor Corinne Diehl, daughter of Mr. and Mrs. Lester Diehl of 1040 Fisk st., Scanton, Penn., and Donald Arthur Newby, son of Mrs. Minnie Newby and the late Arthur Newby of 937 Chestnut st., Newton Upper Falls, were married at the Assembly, M. E. Church on Tuesday, June 7, at 12 noon, by the pastor, Rev. Vernon Numbulo assisted by Rev. Fern E. Raymond of Newton, brother-in-law of the groom. The bride was given in marriage by her father. She wore a dusky pink silk traveling suit with matching accessories and a corsage of white roses and lilies of the valley and was attended by her sister, Miss Dorothy Diehl of Scanton, Penn., who wore a baby blue silk suit with matching accessories and a corsage of pink roses. The groom was attended by Mr. Paul Remond of 10 Ossipee rd., Newton Upper Falls.

A wedding dinner was served at the Abington Country Club to the immediate relatives and the wedding party.

Mr. and Mrs. Newby will spend the summer in Gloucester following a wedding trip to New Hampshire.

### PARENT EDUCATION

Due to the great interest aroused in the course on Parent Education, which was conducted at the High School last fall, under the auspices of the Newton Public Schools, another course is being planned for the fall of 1938. The meetings will begin on October 3rd, and will take place on each successive Monday evening until Dec. 11th.

The average attendance of 600 at the meetings last year will doubtless be equalled when the program for this year is announced in September. The committee in charge, headed by Mr. Julius E. Warren, includes Mrs. T. Grafton Abbott of the State House, Mr. Rudolph Ammann, Mrs. John T. Blake, Dr. Harold Chope, Mrs. W. V. M. Fawcett, Mrs. Edgar P. Hay, Mrs. Carroll J. Hoffman, Miss Laura Hooper, Miss Grace Lawrence, Mrs. Richard H. Lee, Mrs. Dana Parks, Jr., Mrs. Helen G. Stevens, Mrs. Frances D. Forgie, Mrs. B. Alden Thresher, and Mr. James Forbes.

### WILSON—COLBY

Miss Beatrice Colby, daughter of Mr. and Mrs. Clarence C. Colby of 31 Farlow rd., Newton, was married to Joseph Townsend Wilson, Jr., son of Mr. and Mrs. Joseph Townsend Wilson of New York and Pittman, New Jersey, on Saturday evening, June 11, at a candlelight service at eight o'clock in Grace Church, Newton. Rev. H. Robert Smith performed the ceremony. The altar was decorated with Easter lilies.

The bride was given in marriage by her father. She wore her aunt's wedding gown of cream colored satin with a bertha and front panel of rose point and duchess lace. Her veil of cream color was caught to a crown of rose-point lace and she carried a bouquet of lilies of the valley. Mrs. W. Lloyd Snyder, Jr., sister of the bride, of Philadelphia, Pa., was the matron of honor. The bridesmaids were Miss Constance Colby of Newton, another sister of the bride, Miss Ann Ord, cousin of the groom of Philadelphia, Miss Barbara Stewart of Newton, Miss Margery Hodder of Framingham, Mrs. Hilton Cunningham of Worcester, and Miss Mary Partridge Schultz of Elizabeth, New Jersey. There were also two junior bridesmaids, Miss Janet Colby and Miss Barbara Colby, sisters of the bride.

The matron of honor wore a tailored redingote dress of cream marquisette with Mardi Gras red tulle belt and sette covered with flame-colored gerbera and also wore flame-colored gerbera in her hair. The bridesmaids dresses also were tailored gowns of Mardi Gras red marquisette and carried cream-colored muffs of tulle covered with gardenias, and wore gardenias in their hair. The two junior bridesmaids wore Kate Greenaway dresses of cream marquisette over Mardi Gras red slips and polka bonnets of cream marquisette over Mardi Gras red with matching velvet streamers. They carried princess baskets of gerbera, sweet peas and rosebuds.

Dr. John Ord, cousin of the groom, of Philadelphia was the best man. The ushers were Henry C. Hopewell, Jr., cousin of the bride, of Newton, W. Lloyd Snyder, Jr., of Philadelphia, Hilton Cunningham of Worcester, Lewis Nelson Miller of Richmond, Virginia, Edward M. T. Hennessy and Douglas C. Coupe, both of New York.

A reception was held at the Brae Burn Country Club. Mrs. Colby wore white marquisette with hand painted blue and rose flowers and a corsage of orchids. Mrs. Wilson wore dusty pink chiffon with lace and a corsage of orchids.

Mr. and Mrs. Wilson left by motor for California and on their return will make their home in East Orange, New Jersey.

The bride is a graduate of Smith College, 1933 and of the Katharine Gibbs School in 1934. The groom graduated in 1933 from the University of North Carolina and from the Harvard Business School in 1935.

Among the guests attending the wedding were several from New York, New Jersey and Pennsylvania.

A bridesmaids' luncheon was given at the Brae Burn Country Club on Friday, June 10, by Mrs. V. Lloyd Snyder, Jr., sister of the bride. Another party was given on Friday afternoon for the wedding party at the home of Miss Barbara Stewart of Newton and in the evening a dinner party for the bride and party and relatives was given by Mr. and Mrs. Henry C. Hopewell and Henry C. Hopewell, Jr., the bride's uncle, aunt and cousin at their home in Newton.

### HALLWOOD—BLISS

Miss Muriel A. Bliss, daughter of Mr. and Mrs. Edward L. Bliss of 41 Concolor ave., Newton was married to Ralph E. Hallwood, son of Mrs. Martha Hallwood of New Rochelle, New York at the home of her parents on Saturday afternoon, June 11, at eight o'clock in the Church of the Wollaston Baptist Church performed the ceremony.

The bride was given in marriage by her father. She wore a gown of white satin and lace, a shoulder length veil of tulle and carried a cascade bouquet of snapdragon and sweet peas. The maid of honor, Miss Emily Hine of New Rochelle, New York wore sky blue organza and a leghorn hat trimmed with blue. Her bouquet was of yellow marguerites, snapdragon, sweet peas and roses.

William Campbell of Larchmont, New York was the best man. Edward A. Hansen of Pelham, New York served as usher.

A reception was held following the ceremony. The couple were assisted in receiving by Mr. and Mrs. Bliss, Mrs. Hallwood and the maid of honor. On their return from a wedding trip to the Cape Mr. and Mrs. Hallwood will make their home in Lowell.

The bride is a graduate of the North High School in Worcester and also attended Northfield Seminary and the Grafton School of Costume Design in Toronto, Canada. Mr. Hallwood is a graduate of the Vocation School of New York.

### DIBENEDDETTO—GIANFRANTE

Miss Ellen Gianfrante, daughter of Mr. and Mrs. Nunzio Gianfrante of 391 Cherry st., West Newton, was married to Vincent DiBenedetto, son of Mr. and Mrs. Peter DiBenedetto of Brighton, at St. Bernard's Church, West Newton, on Saturday, June 11. Rev. John Crane performed the ceremony.

The bride was given in marriage by her father. She wore a gown of white satin in Princess style with inserts of lace, a veil of tulle and carried a cascade bouquet of mixed flowers. Joseph DiBenedetto, brother of the groom, was the best man.

Miss Esther Costello played the wedding music and Mr. A. Nicoli of Brighton was the soloist.

### BUCKLAND—CAMERON

In the Newtonville Methodist Episcopal Church on Saturday evening, Miss Virginia Marguerite Cameron, daughter of Mr. and Mrs. George Bigney Cameron of 323 Newtonville ave., became the bride of Rev. Floyd Henry Buckland, son of Mr. Henry Curtis Buckland of Columbus, Ohio, and the late Mrs. Buckland. Dr. J. Franklin Knotts, pastor of the church, who was assisted by Dr. Everett C. Herick of the Andover-Newton Theological School, read the double ring service and the bride was given in marriage by her father.

The bride wore an empire gown of white satin with a lotus tulle veil, caught to a cap of Duchess lace with orange blossoms, and carried a showery bouquet of gardenias, bridal roses and sweet peas. Miss N. Madeline Cameron, who was her sister's maid of honor, wore a gown of turquoise chiffon with a gold tiara and carried token roses.

The four bridesmaids were gowned in pearl chiffon and wore gold tiaras also and carried peach sweet peas and delphiniums. They were Mrs. Herbert L. Stevens of Newtonville, a sister of the bride, Miss Edith Stevens of Newtonville, Mrs. Alexander Chase of Wellesley and Miss Miriam Rix of Watertown. The ring bearer was Master Herbert Leroy Stevens, Jr., a nephew of the bride, who wore a white satin suit and carried a small white satin pillow trimmed with pearls and baby's breath. The bride's mother wore a gown of shellpink lace with matching chiffon cape and an orchid corsage.

Mr. George Andolina of Newtonville was the best man and the ushers were Rev. Russell T. Loesch of Danvers, Rev. Stanley E. Anderson of Hudson, N. H.; Mr. Herbert L. Stevens of Newtonville and Mr. Arthur Kramer of Columbus, Ohio. Miss Marion Mercer played a number of organ selections while the guests were arriving and accompanied Mrs. Sidney Marston who sang "Because," while Mrs. Alfred L. Kreider played a violin obligato. The trio furnished music at the small reception held at the home of the bride's parents, when Mrs. Marston sang "I Love You Truly," and Mrs. Arthur Kramer sang "At Dawning."

After a motor trip to Philadelphia, Pa., Washington and on to Michigan, Mr. Buckland and his bride will live in Fletcher, Ohio, where the former is pastor of the Federated Church. The bride is an alumna of the Newton High School and of the Framingham Teachers' College. The groom is a graduate of Ohio State University and of the Andover-Newton Theological School.

### LALLY—ROGERS

Miss Ruth Margaret Rogers, daughter of Mrs. Francis F. Rogers of 398 Waltham st., West Newton, was married to Robert Francis Lally, son of Dr. and Mrs. Francis H. Lally of Milford, Mass., on Saturday morning, June 11, in St. Bernard's Church, West Newton. Rev. John J. Crane performed the ceremony.

The bride was given in marriage by her godfather, Dr. Edward J. Dailley. Her wedding gown was of white satin and her tulle veil was caught to a coronet of orange blossoms. She carried a bouquet of orchids and lilies of the valley. Miss Sally E. Rogers, sister of the bride, was the maid of honor and another sister, Miss Virginia M. Rogers, was the bridesmaid. The maid of honor wore salmon pink lace with a bolera and a hat to match trimmed with pink and apple green ribbon. She carried a bouquet of roses, sweet peas, delphinium and baby's breath. The bridesmaid's gown was of powder blue dotted muslin with which she wore a Watteau hat of black velvet trimmed with flowers and carried an old-fashioned bouquet.

George F. Sullivan of Worcester was the best man and the ushers were Hugh Barnes Rogers, brother of the bride, and Timothy John Dacey, Jr., of Newton.

Two sisters of the bride, Miss Eileen Rogers and Miss Claire Sylvia Rogers, and the bride's god-mother, Miss M. M. Rogers, sang during the ceremony.

A reception was held at the home of the bride's mother where the couple received against a background of garden flowers.

On their return from a wedding trip to New York, Washington and Virginia Beach, Mr. and Mrs. Lally will be at home in Worcester at 32 Catherine st., after July 1st.

"And to think that we can own such a lovely home"

"Yes, thanks to the help of our Savings Bank"

Ask YOUR Savings Bank about its flexible mortgage plan

You will be surprised to find how easily you can own a home through the help of your Savings Bank. The advantages of this method are definite.

The current interest rate is reasonable. More important, provision is made to reduce the size of the mortgage gradually and easily over a period of years.

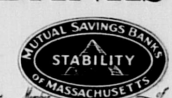

Most important, the longer you pay, the less your payments become, because you make larger and larger savings in interest cost as the total debt is reduced.

Discuss your mortgage problem with your local Savings Bank. Advice will gladly be given. There is no charge and no obligation.

## MORTGAGEE'S SALE

By virtue and in pursuance of the power of sale contained in a certain mortgage deed bearing date of July 1, 1938, in and to the County of Middlesex and Commonwealth of Massachusetts, to the Danvers Savings Bank, a corporation duly organized under the laws of said Commonwealth, and having a usual place of business in Danvers, in the County of Essex and said Commonwealth, dated March 24, 1931 and recorded with Middlesex South District Registry of Deeds Book 53, Page 135, for breach of the conditions in said mortgage deed contained, and for the default in payment of the same, shall be sold at public auction upon the premises hereinafter described on Monday the eleventh day of July, A. D. 1938, at three o'clock in the afternoon (Daylight Saving Time), all and singular the premises contained in said mortgage deed and described therein as follows, viz:—

"The land with the buildings thereon situated in that part of said Newton called Newton Centre, being Lot seventeen (17) as shown on a plan entitled 'Revised Sub-division of Land in Newton Centre, dated Jan. 9, 1929, Everett M. Brooks C.E.' and recorded with Middlesex South District Registry of Deeds Book 53, Page 129. Said parcel is bounded and described as follows: Southerly and Southeasterly by Iowena Road by two lines measuring respectively forty-six and fifty-seven hundredths (46.57) feet; Northeasterly by Lot eighteen (18) as shown on said plan one hundred and twenty-four (124) feet; Easterly by Lot twenty (20) as shown on said plan one hundred and twenty-four (124) feet; Westerly by land now or formerly of Hagen being lot sixteen (16) on said last mentioned plan one hundred and twenty-two hundredths (22.22) feet. Containing according to said first mentioned plan eighty-six and ninety (86.90) square feet of land, be any or all of said measurements more or less, whomever otherwise bounded or described.

Being the same premises conveyed to me by Albert C. Stuart and Mary J. Stuart his wife in her right, by deed dated September 29, 1930 and recorded with said Registry Book 53, Page 135.

Said premises are conveyed subject to the restriction that no building other than a single family dwelling house existing not less than \$10,000.00 above the land shall be erected or maintained on the granted premises, but that the restriction shall not prevent the erection and maintenance on the granted premises of an appurtenant private garage to contain not more than two automobiles.

Said premises are also conveyed to the City of Newton.

Said premises will be sold subject to the above-mentioned restrictions, and to all unpaid taxes, assessments or other municipal liens.

FIVE HUNDRED (\$500.00) DOLLARS will be required to be paid at the time and place of sale, and the balance in ten days thereafter on delivery of the deed.

## Drive to Raise Funds For Nurses Home Over \$200,000. Wellesley Quota Assured

Two Chestnut Hill Women Receive Ovation For Obtaining Quota of That Village

With the goal of \$350,000 within striking distance, leaders and workers in the Newton Hospital campaign for a new nurses' home are redoubting their efforts for the next several days in order to reach every civic-minded citizen in the Newtons and Wellesley.

Having passed the \$200,000-mark last Tuesday, the workers were unanimously in favor of continuing the drive until next Tuesday night, June 28, at which time the fourth and final report dinner will be held at the Weeks Junior High School, Newton Centre, at 7.

"Keep up the good work" was the keynote of the third report dinner at the Weeks School last Tuesday evening when, despite the heat wave, attendance climbed to around 800.

Henry J. Nichols, general campaign chairman for the Newtons, praised the campaign organization, as well as those generous citizens who have already contributed to the hospital fund.

"Such splendid results have been attained thus far that I am certain the extra week will bring us to our goal, or at least very close," he declared.

"All the prospective givers have not yet been seen. They should be more receptive than ever now that victory is so near at hand."

Chairman Nichols announced that additional pledges amounted to \$68,677, including a special gift of \$5000 from the Newton Hospital Aid, boosting the grand total to \$202,079.

William Holway Hill, general chairman for Wellesley, reported that Wellesley had added \$10,750 to bring its total to \$36,343.

"Wellesley will keep its organization going until they get their quota of \$40,000 and a little more," he asserted.

John L. Richardson, president of the hospital, and John A. Paine, a trustee, were others who spoke at the dinner, favoring an extension of the campaign and predicting substantial gifts yet to come.

A highlight of the dinner was the announcement that Chestnut Hill reported additional pledges of \$12,987, raising the total to \$22,647.

Chestnut Hill is the only village without an organization of teams, although entitled

to four, and all of the work has been done by Miss Elsie Burrage, chairman, assisted by Mrs. Endicott P. Saltonstall, a hospital trustee, who were given a rousing ovation by their fellow workers.

Chestnut Hill's quota is \$25,000, and it has been revealed that the sum has been designated for the living room of the nurses' home as a memorial to the late Dr. Herman T. Baldwin, first resident doctor at Chestnut Hill ever had and for over thirty years visiting physician at the Newton Hospital.

A graduate of Harvard College in 1891 and of Harvard Medical School in 1895, Dr. Baldwin came to Chestnut Hill as a young man starting practice. He gave unselfishly of his time and services to the community, and many of his patients in Brookline, as well as Newton, have contributed to the memorial fund.

Dr. Baldwin died in Orlando, Fla., November 25, 1934, at the age of 66 years. He was born in Boston, the son of Jacob and Eleanor (Tilston) Baldwin. He attended the public schools, and prepared for Harvard at Boston Latin School. He was a member of the American Medical Association, the Massachusetts Medical Society and the Newton Medical Club.

For many years Dr. Baldwin was a lecturer at the Newton Hospital School of Nursing, and some of the nurses attached to the hospital today trained under him. Miss Bertha W. Allen, superintendent of the hospital, recalls that when she entered the school in 1903, Dr. Baldwin was the physiology lecturer.

Dr. Baldwin's services were valued so highly at the hospital that the trustees refused to permit him to resign as he advanced in years. Although exceedingly modest, he was regarded as a superior diagnostician, and his judgment was esteemed highly. With the memorial practically assured, the announcement of it has been received with a great deal of enthusiasm by all who knew Chestnut Hill's first doctor.

## Newton Resident Chief Justice of Supreme Court

Judge Fred T. Field of 36 Fairmount ave., Newton, was appointed by Governor Hurley on June 16 as Chief Justice of the Massachusetts Supreme Court to succeed the late Arthur P. Ruger. The governor made the appointment after he had conferred with a committee from the Boston Bar Association. Justice Field was born in Springfield, Vermont, on Dec. 24, 1876. His father conducted a store in that town and was also an official of the local bank. His uncle, Walbridge A. Field was chief justice of the Massachusetts Supreme Court in the '90's. Judge Field attended Saxton's River Academy in Vermont and then went to Brown University where he was a Phi Beta Kappa man and president of his class. He then attended Harvard Law School, graduating in 1903. He then became an assistant to Attorney General Parker of Massachusetts and in 1912 he entered private practice. He became a member of the law firm of Goodwin, Procter, Field & Hoar.

In 1929 he was appointed a justice of the Supreme Court by Governor Allen. Judge Field was married 15 years ago to Gertrude Montague, a Cambridge school teacher, and has one daughter, Ann Field, 12 years of age. He has resided in Newton for 10 years. He has served as a trustee of Ford Hall and of Newton Theological Seminary.

## Childs Answers McCabe's Charge

Mayor Childs in commenting on the letter of Alderman McCabe relative to delegating the purchase of supplies for the police department to Sgt. Mechanic Cullen says that this system was started in 1935 by Mayor Weeks for obvious reasons and that it was discontinued without his knowledge when he resumed the office of Mayor in 1936. The Mayor said that when he became aware of this fact, he ordered the purchasing of supplies to be again resumed by Sergeant Cullen, as he believed the precedent established by Mayor Weeks to be an excellent one.

## Weeks Not Behind Whitcomb Drive

Last Monday night there was a broadcast from a Boston radio station in the interest of the candidacy of Richard Whitcomb of Springfield for the Republican nomination for Governor. One of the speakers was James P. Dempsey of Newton Centre. Because Mr. Dempsey was formerly secretary to Ex-Mayor Sinclair Weeks, a report has been in circulation that Mr. Weeks is supporting Mr. Whitcomb's candidacy. As a matter of fact it can be stated authoritatively that Mr. Weeks is not supporting Mr. Whitcomb.

## Annual Fete At Swedish Home for Aged

The annual Mid-Summer Festival of the Swedish Charitable Society of Greater Boston will be held Saturday, June 25, at the Swedish Home for Aged in West Newton. All organizations and individuals have worked to make this affair a great success in every respect. The grounds and booths will be decorated in the American and Swedish colors and greens and flowers. Among the booths are the Aquilo Club, the Home Table, the Mount Vernon Lodge which supplies all the waitresses dressed in yellow and blue dresses, the Cake Table, Waffle Table, Pottery Booth, Ice Cream and Tonic Stands, Swedish articles, Fancy work, etc., coffee.

## Alderman Gaddis Urges Safe Driving

At the meeting of the Board of Aldermen on Monday night Alderman Gaddis, chairman of the Traffic Committee, presented the following resolutions which were adopted by the Board:

Resolved, That this board approves the activity of its Traffic Committee in asking for assistance in securing an improvement in traffic and speed regulations, in an effort to save lives within our city.

1st. In asking for the continued co-operation of the Police Department in reducing the speed of automobiles in the city limits, and in the observance of all traffic regulations, particularly those relating to traffic lights and stop signs.

2nd. In asking for the further fine co-operation of the Street Department, in establishing white lines on the street at traffic lights and important stop signs, to further bring said lights and signs to the attention of drivers.

3rd. In seeking to establish, through the co-operation of newspapers by editorials and write-ups, through the Police Department information, through the co-operation of the Safety Council and other means, a greater desire on the part of all our citizens for "No fatal accidents in Newton."

We join in the belief of the Traffic Committee that through work and publicity of this kind, many lives may be saved.

EDWARD FAHEY,  
GEORGE BACON,  
M. P. GADDIS, Chairman.

## Would Teach School Pupils To Drive

At the meeting of the Newton School Committee last Monday night Supt. of Schools Warren advocated the introduction at Newton High School of a course in automobile driving. Several months ago the Harvard Bureau of Traffic Research offered to conduct an experimental course in instructing a small number of pupils to operate automobiles.

Using a car with dual-control, which was provided by an automobile company, a small number of pupils were taught how to drive. It was stated at that time that the cost for this experimental venture would be only \$85. At the meeting on Monday night Principal Elicker and Asst. Principal Greene of the High School were present and advocated the addition of instruction in driving automobiles to the curricula of the high school. Mr. Elicker stated that a number of high schools in the West had introduced the course, and that the estimated cost of conducting it at Newton High School would be about \$3000. At first only a selected number of senior class pupils would receive instruction. Mr. Greene said that at first he did not enthrone over the proposal to teach operation of automobiles, but after having observed the results in the experimental course, he became strongly in favor of the plan. The School Committee decided that it will be time enough to consider the proposal after school starts next September.

## Results of Unsafe Driving Are Realistically Shown In Safety Council Parade

Wrecks, Hearse, Cemetery, Gruesome Features—Placards On Floats Admonish Public to Drive Safely

The first safety parade in Newton was held last Thursday night under the auspices of the Newton Safety Council. Seventy-five motor vehicles, including a hearse, floats, busses, trucks and passenger cars went over a route which started at City Hall and included all the villages of the city. The parade was headed by the car of Police Chief Hughes which carried the passengers—Mayor Childs, Charles Floyd, president of the Board of Aldermen, and Richard Dunn, vice-chairman of Newton Safety Council. General Daniel Needham, chairman of the council, could not participate in the parade because of another engagement. Following the chief's car was a bus provided by the Middlesex & Boston Street Railway and carrying the Bugle and Drum Corps of the Sons of Veterans of Foreign Wars, Eugene Daley Post. Then came a number of wrecked cars towed by wrecking trucks of Newton garages. Next in line was a hearse provided through the courtesy of William J. Troy of West Newton. The hearse bore signs giving the information that 24 persons had been killed in Newton in 1936 and 1937 as a result of automobile accidents. Following the hearse came twenty-three automobiles, each with signs giving the date, location and nature of each of the fatal accidents.

Heading what turned out to be the second division of the parade was another bus, also provided by the Middlesex & Boston Street Railway, and carrying members of the band of Newton Post, American Legion. This was followed by a number of floats bearing safety slogans, and some of them attractively decorated. Among the floats and decorated trucks in the parade were those sponsored by Bigelow junior high school of Newton with a court scene showing a traffic violator; one entered by the W. C. T. U. organizations of the city with signs which read—"We'll be Safer if You're Sober" and "If You Drink Don't Drive. If You Drive Don't Drink." The float of the American Legion carried the information that nearly twice as many persons have been killed by automobiles in the U. S. A. in 15 years, than were killed in 15 years of warfare waged by this country. One of the most significant floats in the parade was a miniature cemetery bearing 24 white crosses.

This was devised by Patrolman Charles Marden and entered by the Newton police department. It asked citizens to co-operate with the police in promoting safety. Another police car gave the information that so far in 1938 there has been only one fatal automobile accident in Newton. The Veterans of Foreign Wars had a float showing a wrecked bicycle and giving the information that 21 persons were killed and 1311 injured in Massachusetts in collisions between

automobiles and bicycles in 1937. Two attractive floats were entered by the Newton Playground Department. One of these carried children in costumes of foreign lands and carried signs which read—"Children of All Nations Are Safer Than Those of Our Country." Another float sponsored by the Red Cross carried pupils of Our Lady's School representing nurses giving first aid. The Street Department had two trucks with traffic signals and stop signs, and bore appeals for motorists to obey such signals. The Boy Scouts had a float depicting a camping scene, and a sign warning that speeding may spoil your summer. A float sponsored by the Newton Centre Improvement Association had a garden scene and the admonition—"Keep the Garden City Safe." The float of the Newtonville Improvement Association had a sign which read—"We Protect Trees and Flowers, Let's Save Lives." The Lumberman's Insurance Company had an attractive float with several signs urging safe driving. The Aetna Insurance Company had a car and trailer containing equipment which composed a scientific laboratory to permit persons to ascertain how competent they are as operators of automobiles. A station wagon contained a number of buglers from the Newton Girl Scouts. Several oil companies sent large trucks with safety slogans, and the Tydol Company had a truck with a wrecked car as part of its present safety campaign. Newton Lodge of Elks had a float telling of the support the Elks are giving in the promotion of safe driving, and also a station bus containing the officers of the Lodge. Engine 3 of the Newton Fire Department followed the wreck of a car in which two persons had been burned to death.

The parade started from City Hall at 7:08 p. m. and Chief Hughes' car, proceeding at a 15 mile speed was supposed to be traveling slowly enough to allow the many following vehicles to keep in line. The inevitable slowness incident with forming such a long parade resulted in a long gap in the line and many of the cars and floats had to travel at rapid speed in an endeavor to catch up. The band of Newton Post, A. L. was instructed to play when the parade stopped at each village. Because of lack of proper liaison, the head of the line when it made stops, supposed the band was playing at such times, when, as a matter of fact the bus carrying the band was then proceeding, with others of the vehicles in closing up gaps which occurred in the distances between the villages. So, when the band stopped to play at Newton Corner, Newtonville and West Newton, a long gap occurred between the vehicles preceding and following it, and many of the spectators thought the

## DRIVE CAREFULLY — SAVE A LIFE

The Aldermen at their last meeting adopted resolutions offered by Alderman Gaddis, chairman of the Traffic Committee, seeking to promote safety upon the Newton streets through the co-operation of various agencies and through the education of Newton citizens by focusing public attention upon the matter. As in the past we stand ready to co-operate in any public endeavor promoting the welfare of Newton citizens.

In other communities public pride is being inspired by acquainting residents of the fact that there have been no fatal accidents for a specified number of days. The record grows and with it public appreciation for continuing it and the exercise of great care in keeping the slate clean. Providence compiled a record of 126 days before it had a fatal accident, while the town of Arlington has already passed the 200 day mark. Newton has gone 84 days since its last fatal accident on April 2. Let's not spoil the record. Drive carefully and save a life.

## THE NEW PARKING SPACE

Although not regarded as a cure-all the new parking space at Newton Corner should soon prove to be of definite value to patrons and merchants of Newton Corner. With an entrance on Pearl street there is no need to drive through the square, thus decreasing the congestion of traffic that occurs frequently. With unlimited parking privileges those who plan to spend considerable time in the vicinity can do so without fear of violating traffic regulations and also leaving parking spaces available at the curb for those who are stopping but a few moments. In addition the foot passage from the parking space onto Washington street opposite the bank building provides only a short walk from one's car to many of the stores. Public co-operation and use of the parking space will be of great benefit in promoting the business success of Newton Corner.

## A DOUBLE EVENT

The Newton Co-operative Bank on Monday will observe an event of double significance. Observing its fiftieth anniversary as one of Newton's leading financial institutions the bank will hold open house at its new and modern building on Walnut street. Other banking institutions in the city and neighboring communities, business concerns and others are uniting in congratulating the Co-operative Bank upon its anniversary and its new building. It is a pleasure to add our congratulations, in which we know that we express the feeling of our readers, and to wish the Newton Co-operative Bank many more years of success, achieved through the building of confidence in its shareholders, as it starts upon the second half of a century of growth.

chinson is president, also has been enthusiastically acclaimed. Following are the total subscriptions announced for the Newton Villages: Auburndale, \$7,256; Chestnut Hill, \$22,647; Newton, \$26,911; Newton Centre, \$19,489; Newton Highlands, \$13,301; Newton Lower Falls, \$4,562; Newton Upper Falls, \$555; Newtonville, \$12,985; Oak Hill, \$2,869; Waban, \$16,777; Waban Hill, \$334; and West Newton, \$35,518.

## Safety Parade

(Continued from page 1)

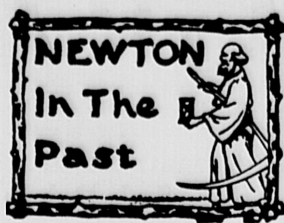

parade was over when the first section had passed. A repetition of this disarrangement can be prevented in the future by reducing the speed of the parade to 10 miles per hour and providing adequate liaison, either by motorcycle policemen or the two-way radios which Newton police cars will possess in the future.

Among those who assisted in the plans for the parade, and the preparations of the floats were General Daniel Needham, chairman of Newton Safety Council; Richard Dunn, vice chairman; Rupert Thompson, secretary; Herbert Allen, William Carroll Hill, Alfred N. Miner, and Harry Karlin of the Safety Council and Arthur

W. Cox of Lower Falls. Supt. of Streets Charles Mahoney and Michael Quinn of the Street Department gave freely of their time in assisting. Free labor in the painting of a number of signs was contributed by Mr. Kane of the Newton Sign Company of Newton and Mr. Baker of the Baker Sign Company, West Newton. Mrs. James Orr also donated her services in painting signs.

## Hersum Will Raze Auburndale Knoll

The removal of a wooded ridge, a glacial esker containing much valuable gravel, near Seminary ave., Auburndale is soon to be started by its owner, Ernest Hersum of Oak Ridge. Auburndale. Last year Hersum petitioned the Board of Aldermen to be permitted to have the ridge removed and the sand and gravel in it sold. He said he desired to develop the area for house lots after the land would have been levelled. Sixty Auburndale residents attended a hearing on the matter and objected. It was charged that the permit would create another gravel pit nuisance and the petition was refused. Hersum now states that he will use the material from the esker to fill in a small pond on his property and that he will subdivide the land into 23 house lots. Under these conditions he needs no permit to proceed with the project.

The Baptists indulged in a strawberry festival on the church grounds on Thursday afternoon and evening and needless to say it was a very enjoyable occasion.

At the christening service at Channing Unitarian Church last Sunday morning nine little ones received the ordinance of baptism. The church was beautifully decorated with flowers for the occasion.

Arrangements have been made at the Cattle Fair Hotel in Brighton to accommodate bicyclists coming from a distance the night before the Fourth of July to join in the antique and horrible parade in Newton.

The City Council has done its part toward the suppression of a dangerous nuisance by prohibiting the sale of toy pistols in this city. If parents would co-operate by preventing their children from using these instruments of destruction, one of the greatest causes of July 4th tragedies will be removed.

Tickets for the races of the Newton and Boston bicycle clubs which take place at Beacon Park, Allston next Saturday, may be procured at Hudson's Drug Store or from any member.

At the regatta of the Newton Boat Club which takes place tomorrow over the Islington course at Auburndale, in addition to the shell, canoe and pleasure boat races, there will be a four-oared race for the championship between the Newton and Jamaica Plain crews. The 2:25 train from Boston will connect with the steamer "White Swan" which will leave West Newton bridge at 3:15.

The lawn party given by the ladies of the Newtonville M. E. Church on Wednesday evening at the estate of William J. Towne was an immense success, over 600 being present. A brilliant display of fireworks and music by an excellent band enlivened the occasion.

The third track on the Boston & Albany railroad has been laid in front of the West Newton depot and is rapidly advancing toward Auburndale.

A horse belonging to Mrs. Mary Morrill of Crafts st., West Newton wandered away last Sunday afternoon and was recovered by William E. Fuller at the City Stables in Brighton.

At the meeting of the Board of Aldermen on Monday night the ordinance concerning the management of the Read Fund was passed to be enforced. It entrusts the care of the fund to three trustees who shall pay the income to the treasurer semi-annually and make a report to the City Council in January. As heretofore stated \$300 of the fund is to be invested with the Newton Cemetery corporation for perpetual care of Mr. Reed's lot. From the income of the balance of the fund the children of Newton Corner are to have an annual sleigh ride or picnic, not to cost over \$400; free scientific lectures are to be given, not to cost over \$800 annually; \$600 goes to the Free Library, and the balance is to be given to poor widows in any part of Newton.

The Citizens Law and Order League meeting in Channing Unitarian Church last Sunday afternoon had only a small audience, as the hour at which it was held was inconvenient to most people. Addresses were made by Mr. Dudley, Rev. Mr. Hornbuckle and Rev. Dr. Shinn.

The Hunnewell Cadets of Newton were invited to Hotel Hunnewell last Monday and entertained by ex-Alderman Harwood, who presented them with a handsome flag. Mayor Kimball made the presentation speech. Bouquets were given to Captain Willie Hall and to Edwin O. Childs, Jr., the smallest private. The boys were given a fine collation and spent the afternoon playing tennis and croquet.

Ex-Governor Claflin received a painful injury by being kicked by a horse in his stable at Newtonville on Wednesday evening. He received a cut over the eye and Dr. Hunt was obliged to take stitches to close the wound.

Fourth of July is to be very much celebrated at Newton Centre. Tennis courts are to be laid out on the school house lawn for a tournament in the morning, and a band of 10 pieces will play all the afternoon there. In the evening there will be fireworks in the center of Crystal Lake and the band will play there.

## Powers' Paragraphs

Credit for the creation of the large parking space at Newton Corner should go largely to Phillips Byfield. Last year he worked assiduously over a period of many months conducting negotiations between the Taylor Trust, Mayor Childs, the City Solicitor and the Board of Aldermen. These efforts on the part of Mr. Byfield resulted in the agreement between Mr. Taylor and the City of Newton and brought about the establishment of the long needed parking facilities.

Our attention was called last Sunday afternoon to rubbish barrels which had been put out on the sidewalk on Washington st. between Commonwealth ave. and West Newton. And Washington st. in that section is not the only part of Newton in which persons lacking in civic pride and consideration for their neighbors put rubbish barrels and containers out on sidewalks before nightfall on Sundays. The city ordinances forbid the placing of such barrels or containers on public sidewalks except on the morning of the day on which they are collected. It is also illegal to have them on sidewalks over night without lanterns to guard against accidents. Few persons would object to the practice which has been tolerated over a long period of years of placing rubbish barrels out on sidewalks on the night preceding the day of collection, but in the cases of persons who put out rubbish containers in daylight hours on Sundays, or who leave them out Sunday (and in some cases all week long), the law should be enforced.

Boycott Japanese goods and write to the President and Senators Lodge and Walsh protesting against the sale by American manufacturers of airplanes and munitions of war to the Japs.

It is about time that the work of removing the former Spear homestead at the corner of Washington st. and Walnut park be completed. For weeks the remnants of the torn down dwelling have remained there to make the place even more of an eyesore than it was before. If the man who started to tear down the house does not remove the debris, the city should without further delay.

We believe the City of Newton is showing a niggardly attitude in refusing to pay the moderate damages asked for by Anthony Emmets, father of 9 year old Paul Emmets who was severely burned at the Hamilton School in April through careless use of alcohol by older boys attending a trade school class there. Even though judges have ruled that a city is not liable for injuries received on public school property, the circumstances in this case are such that the boy's parents certainly seem entitled to reimbursement for the care of the boy. And the child himself suffered weeks of torture from the burn. The City of Newton has paid claims in the past, when the law was on the city's side, and the moral obligation then involved was far less than that involved in the Emmets' case.

## Letters To The Editor

3 Lewis Street,  
Newton, Massachusetts

June 16, 1938.

To the Editor,

In your issue of June 1st, 1938, I note that Mayor Childs flatly denies (1) That he interferes with the Chief's control of the Newton Police Department.

(2) That he maintains a stooge in the department.

Please look at this order from the Executive to the Chief of Police.

"January 6th, 1937.

Mr. Michael T. Hughes,  
Chief of Police,  
Newton, Massachusetts.

Dear Chief Hughes:

FROM NOW ON WILL YOU SEE TO IT THAT ALL PURCHASES IN YOUR DEPARTMENT FOR AUTO AND RADIO MAINTENANCE ARE MADE BY SERGEANT CULLEN.

Very truly yours,  
s/ EDWIN O. CHILDS, Mayor."

One of the results of this, aside from taking the responsibility away from the Chief of Police, was the Childs-Cullen one police ambulance that well known disgrace to our city. The Mayor with characteristic evasion sidestepped any reference to the Childs-Cullen Ambulance. Our citizens will also recall about a year ago that the Sergeant-Mechanic removed the handles to the windows of the cruising cars so that they could not be raised or lowered. This was the occasion for considerable ridicule in the press.

Here is another one:

"May 23rd, 1938.

Mr. Michael T. Hughes,  
Chief of Police,  
Newton, Massachusetts.

Dear Chief Hughes:

Will you kindly take steps to set up the proposed traffic bureau with Lieutenant Moan in charge.

In regard to the other members of the bureau I shall confer with you and Lieutenant Moan in the near future.

Very truly yours,  
s/ EDWIN O. CHILDS, Mayor."

These orders from the Executive may not be interference. They may

vated Railway will mean that the people of the communities served by this utility corporation will be more heavily taxed to maintain it than they have in the past. Why are so many of our legislators so ready to pay \$60 a share to stockholders?

Possibly Herr Hitler and his colleagues may have some doubts now as to the supremacy of the Aryans, at least so far as pugilistic ability is concerned.

In a Boston newspaper last week was an appealing letter from a man in Brighton. He wrote that his wife had returned home after having been in a hospital for four years and was being disturbed by the incessant explosions of fireworks, or salutes as they are now called. The man asked if something could not be done to prevent the sale of fireworks until the one day before July 4th. Thousands of other persons in Greater Boston yearly experience the same trial this Brighton man complains of. In almost every neighborhood are sick persons, invalids or old people whose nerves are weak and to whom the discharge of fireworks or other explosives is torture and a health menace. Persons who have reached the age of reason, and this includes boys in their "teens" who explode fireworks one or two weeks ahead of July 4th should be punished in accordance with the law. And parents who knowingly permit boys to do this rate contempt.

Newton and Waltham fire chiefs are co-operating by restricting the sale of fireworks for three days before July 4th. Watertown and Boston fire chiefs have not been co-operating by permitting the sale of fireworks for longer periods before the "legal noise day."

The controversy in the Legislature the past week or two over the proposed legislation giving further exemption to children in supporting aged and indigent parents is just another sad indication of the decadence of these times. It is true that in past years many sons and daughters had to make great sacrifices in order to support some old father or mother—or both, and thus had to warp their own lives. But, such sacrifices also brought out the noblest traits in human nature and tended toward personal pride and self reliance. In contrast in late years is the all too prevalent practice of many men and women who have good incomes and who indulge in many luxuries, refusing to support or help support an aged parent, and having so little pride or affection that they depend on the public to carry the burden which they rightly should assume.

The interest shown by the Traffic Committee of the Newton Board of Aldermen in promoting highway safety, coming as it did a few nights after the parade conducted by the Newton Safety Council, indicates a commendable trend in co-operation by citizens of Newton in furthering the drive which has so lowered automobile fatalities in Massachusetts the past year.

Just two good examples of brotherly love. In regard to the stooge system, Sergeant Cullen is only one. There are many more. Over a year ago the Mayor stated in the presence of two reputable citizens "THAT HE WANTED TO KEEP SERGEANT CULLEN IN THE POLICE DEPARTMENT TO KEEP HIM INFORMED OF WHAT WAS GOING ON." I really think that stooge is a very refined word for this purpose. The Mayor also made other statements to other parties in regard to his stooge. These may be quoted in the future.

Our Police Department for the year 1938 costs us \$27,189.97, almost a third of a million dollars of the taxpayer's money. This department affects the lives of all our citizens. It makes a nice playing for the Mayor's stooge, Sergeant-Mechanic Cullen. If the stooge system were abolished, as it should be, I feel sure that the Department would shortly develop into a first class police system.

This is all for the present in regard to the Mayor-Sergeant-Mechanic tieup.

Very sincerely,  
FRANK T. McCABE,  
Alderman-at-Large, Ward 1.

## Sunbeam Chats

Seems like I learn new things so fast. The latest was fun—a picnic! Mother took us all out where we could see the river and ducks on the river—and flowers. I kept wandering off to try to pat the ducks. Finally Mother said she'd have to "divert my 'tention'" and she knows food can do that. My, a lunch outdoors is good. Bet I grew an inch! We had milk, a dark bread sandwiches with smashed egg in 'em, 'n ripe bananas, 'n then oatmeal cookies. After that I didn't feel so much like chasing ducks.

(Sunbeam Chats are sponsored by the Newton District Nursing Association.)

## City Employees Want Vacations

Members of Newton City Employees Local Union are circulating petitions to obtain 2000 signatures which will enable them to have placed on the State ballot next November a referendum on the question of a two weeks' vacation with pay being accorded them. The employees contend that the Street, Water and Playground Department employees in the other city departments obtain vacations, and they are equally entitled to this same privilege. The annual outing of the Local will be held on August 6 at Indian Hill Farm, Wayland.

## Burglary At House In Newton Corner

Dr. Arthur B. Norley, a dentist residing at 47 Park st., Newton, reported to police headquarters Sunday afternoon that his house had been entered and looted. The burglar took a large sum of cash, jewelry, bank books and a motion picture camera. Entrance was effected by breaking a pane of glass in the door at the dental office which is located at one side of the house. Members of the family left the house about 11 a. m. Sunday and the burglary was committed between that hour and when they returned at 4:45 in the afternoon.

## In Newton Moderate Cost Houses Make Enviably Homes

### "THAT'S THE HOME WE WANT"

A typical family in their quest for a Newton home. They've seen hundreds, perhaps, and read of hundreds more. But this is the day they made the big decision. Third visit—and "this," even the children agree, "is the home we want." Planning for home ownership usually starts long before house hunting. The quicker, surer way to "get ahead" is to plan ahead by the time-tested co-operative bank plan of systematic saving every month. See the Treasurer about various pay-like-rent plans for owning that house free and clear.

### TEN TO FIFTEEN THOUSAND TOPS THE NEWTON "SMALL HOUSE" PRICE RANGE

There is scarcely any limit to the architectural distinction, individuality, luxury and charm that may be achieved in a small home within this popular price range represented by the residences of countless successful home owners who "live in Newton." . . . And there is equal variety in this bank's modern, low-cost, pay-like-rent plans to help you own the home you want. We are permitted by law to loan a maximum of \$10,000 on a single residence.

### EVERY WINDING STREET REVEALS A CHANGING VISTA OF CONTENTMENT

Whatever the color of your heart's desire — in architecture, landscaping, or garden flowers — there are homes in Newton's \$8,000-\$10,000 range that will add plus-values of priceless satisfactions, particularly if your heart's desire is wrapped up in tiny blue overalls like those of yonder child with the little red cart.

## Temperley Charges Discrimination

At the meeting of the Board of Aldermen on Monday night Alderman Temperley alleged that discrimination had been shown by the Board in the matter of zoning changes petitioned for by the New England Telephone Company at Court st., Newtonville and the heirs of Mary Belger at Elliot st., Newton Highlands. The Board granted leave to withdraw on a petition of the Belgers for a change of zone from residence to business at 2 and 6 Elliot st. Alderman Rawson, chairman of the Claims Committee said the Planning Board recommended the change provided the Belgers would agree to a 15 foot setback on their land, and the Claims Committee had voted 4 to 1 in favor, but the Belgers declined to sign the setback release. The committee then voted unanimously against the petition. Rawson said he was opposed to the petition because it would be an opening wedge to allowing the Worcester turnpike in this city to be changed from residence to business zone. He said former Boards of Aldermen had opposed many applications for such changes, and he would continue to do so. Wellesley and other communities have taken similar action, because if the turnpike is evolved into a business thoroughfare, its creation as a fast artery for unobstructed motor vehicle traffic will be nullified.

Alderman Temperley said that the legal papers which the Belgers were asked to sign, assuring the city that no buildings could ever be erected within the 15 foot setback, were not required from the Telephone Company when the change of zone was recently granted at Court st., Newtonville. He wondered why one treatment was accorded a rich corporation and another given to individuals who are old residents of the city? Rawson replied that the change of zone granted the Telephone Company was only on a narrow strip of land and the company voluntarily agreed to a 15 foot setback on a much larger area which was already in a business zone, and that inasmuch as the company is to erect a large building on the site, the continuance of the setback for many years is assured. In the case of the Belger property, while they might abide by an agreement for a setback, the city would have no assurance that whoever would buy the property from the Belgers, would honor the agreement. He said the telephone company considered a right they possessed on property already in the business zone, but the Belgers were not asked to give up any zoning advantage, but were being given an advantage. Rawson said that while the Belger property is listed as being on Elliot st., to all intents it is on the turnpike.

## Bad Check Passer Gets One Year

Hilmer F. Larson, 53, who roomed at 299 Centre st., Newton, recently, was sentenced to serve 1 year in Bellerica prison by Judge Gray in the Superior Court on Monday. Sergeant Burke of the Newton police testified that Larson, an old offender, had obtained \$180 from the manager of one Newton store, and \$121 from another store manager by passing bogus checks.

### RUSSELL PUPILS IN RECITAL

Mrs. Florence Wood Russell presented some twenty of her junior and senior students in a voice and piano recital last Thursday evening, in the parish house of the Unitarian Church in Newton Centre, which was filled with an appreciative throng of interested friends and relatives. Among the younger pupils to sing, play and recite were Cynthia Clair of Newton, Marcia Sweeney, Constance Fields, Lorna Noble, Rodrick and Malcolm Clifford, Carol-Jean and Dunsmore Walsh, Mary Mandile, Constance Mosher and Marianne Cappadona of Newton Centre, Dorothy Troy of Waban, Barbara Snow and Vivian Alperin of Brookline, with Master John Cox of Newton Highlands, violinist, as guest artist. The six year old Fifi Regan of Oak Hill created the usual sensation by her performances in singing, piano, recitation and two remarkable dance numbers. The senior students presented an enjoyable program of vocal selections. Mrs. Allen Klein was the accompanist. Many of the young people are artist members of the Musical Guild of Boston, and the Beacon Light Opera Company.

### ILIONE WOODBURY

Mrs. Ilione F. M. Woodbury, widow of Edwin S. Woodbury of Boston, died on Sunday night, June 19, at the home of her daughter, Mrs. Edwin P. Crawe, 12 Dexter rd., Newtonville. She was born in Greenwich in 1850, the daughter of William and Julia Marcy. She was a graduate of Wilbraham Academy and Boston Conservatory of Music. In 1874 she married Mr. Woodbury and since 1912 she had lived in Newtonville. She was the oldest member of the Women's Charity Club of Boston, and until her recent illness had been active in Lucy Jackson Chapter, D. A. R.; Newtonville Woman's Club, Half Century Club of Boston and Central Congregational Church. She is survived by her daughter; three granddaughters, Mrs. John Schenk of Ridgefield, Washington; Mrs. Malcolm Hawkes of Bowling Green, Kentucky; and Mrs. Robert Wertz of Pittsburgh; and four great-grandchildren. Mrs. Woodbury's funeral service was held on Wednesday at 12 Dexter rd. Rev. Randolph Merrill officiated. Burial was in Forest Hills.

## Protest Against Gas Station At Newton Center

A public hearing was held by the Newton Board of Aldermen on Monday night on the petition of the Atlantic Refining Company for a permit to establish a gasoline filling station at the corner of Centre st. and Norwood ave., Newton Centre. General Daniel Needham appeared for the petitioner. He said that the property is owned by Mrs. Katherine Karalekas and that her son has nothing to do with it. He stated that the owner is dependent on the property for his income and ought to be allowed to make gainful use of it, or otherwise she may have to go on welfare. Mr. Needham said that the property has been a disgrace in the past, but if the permit is given for a station at the corner of Centre st. and Norwood ave., the attractive well kept filling station will be built, the half-burned barn will be removed and the site greatly improved. He said the petitioner would take a 10 year lease on the property and operate the station.

Steven Berke of 43 Norwood ave., who has been active in opposing previous petitions for filling station and other permits at the Karalekas property and the ice house property, was one of the principal opponents against the petition. He told of having obtained 65 names on a petition seven months ago, objecting to a previous attempt to get a permit for a gasoline station at the place, and that he had secured almost as many names of persons who object to the present petition. He read a letter from Harold R. James of 15 Norwood ave., which contained a number of reasons offered as arguments against the granting of the permit. They are the same arguments presented at the hearings on previous petitions—namely—that the location is dangerous because it is on a grade, that there is no sidewalk on the east side of Centre st., thus forcing children who attend the Weeks and Sacred Heart schools to walk on that side of the street where the gasoline station would be located. The letter also alleged that the water in Crystal Lake would become contaminated by oil and gasoline seeping from the station.

Others who spoke in opposition included Herman Wells, 1498 Centre st.; John Whittlesey, 20 Norwood ave.; Irving Paul, 1402 Centre st.; Hugh Walker of Locksley rd.; and Alfred M. Chandler representing the Newton Centre Improvement Association.

## Fine Woman \$20 As Reckless Driver

Ruth Sampson, 23, of 33 Pembroke st., Newton, was fined \$20 by Judge Mayberry in the Newton court on Wednesday for operating a car so as to endanger the lives and safety of the public. On May 12 a car driven by Miss Sampson hit a car driven by Mrs. Mary Lippincott of Tyler ter., Newton Centre. The crash occurred at the intersection of Vernon and Eldridge sts., Newton. Mrs. Lippincott's little son was hurled out of the car and his pelvis fractured. Traffic Officer Goddard testified that Miss Sampson told him after the accident that she had been afraid to apply the brakes on her car through fear of skidding.

## Woman Loses Suit Against City

The City of Newton won a victory in the Newton court on Tuesday when Judge Quinn of Natick decided against Eleanor Fleming of Bow st., Wellesley. She had brought claim against the city for injuries received on November 15, 1934, when a car in which she was riding jounced as it passed over boards covering a trench on Cherry st., West Newton. Her head hit the roof of the car. Judge Quinn ruled that the city was not negligent.

## Timmons Fined \$25 For Speeding

James H. Timmons of 29 Elmwood st., Newton, was fined \$25 by Judge Butterworth in the Superior Court at Cambridge on Monday for speeding; it having been his second conviction for such an offence within a year. Timmons was recently fined in the Newton court and appealed. He contended he was not guilty because he was driving on the license of a young woman who was riding with him. Traffic Officer McGrath was the complainant.

## Fined \$20 For Reckless Driving

Jeremiah Hanrahan, 18, of Brookside ave., Jamaica Plain, was fined \$20 in the Newton court on Monday for driving a car so as to endanger the lives of the public. Traffic Officer O'Donnell testified that Hanrahan drove his car over narrow Kenrick Bridge at the Oak Hill-Needham line at 30 miles an hour, despite the fact that a number of bathers were standing on the bridge.

## Arrested For Drunken Driving

Henry L. Martin of 25 Oak Square ave., Brighton, was arraigned in the Newton court on Monday on charges of drunkenness and driving a car while under the influence of liquor. On the latter charge he was fined \$35 by Judge Mayberry. The other charge was that Martin was arrested on the night of June 15 by Serg. Bannon and Motorcycle Officer Dwyer.

## City Won't Pay Boy Burned At School

The City of Newton will not pay damages asked for by Anthony Emmets of Cornell st., Newton Lower Falls for serious burns received last April 7 by his nine year old son, Paul Emmets at the Hamilton School in Newton Lower Falls. At the meeting of the Board of Aldermen on Monday night Alderman Rawson, chairman of the Claims Committee reported that the claim presented by Mr. Emmets had been given leave to withdraw because the State statutes say the city is not liable for injuries received on school property. He explained that the Emmets boy had been burned when alcohol which was being used by some larger boys attending a Trade School class in the building, exploded. He said that the boys had been ordered to clean some tools by means of sandpaper, but had disobeyed orders and were using burning alcohol.

Alderman Temperley argued that the city should pay the damages asked for by Emmets. He said laws passed years ago have become obsolete, and he quoted the Workmen's Compensation Law to show that more humane conditions prevail. He said a sympathetic jury might decide in favor of the Emmets claim. Alderman Rawson asked City Solicitor Bartlett to explain the case, and Temperley called Bartlett's attention to a case which happened many years ago when the City of Newton paid damages for injuries received by a boy at the Newton Centre playground. Mr. Bartlett said that his decision that the city cannot pay damages for the burns received by the Emmets boy was not based on any State statute, but on decisions made by judges in Massachusetts. He said a jury might be sympathetic, but a judge would interpret the law. Temperley said that the schoolteachers were careless in delegating such work to boys.

The Emmets boy was passing by the steps outside the school when the alcohol in a can exploded when the older boys lighted matches at it. He received second and third degree burns on his left leg from the ankle to above the knee. He was confined to bed for 4 weeks, will have a permanent scar, and the leg is still painful and weak. His parents ask \$100 for medical treatment and payment for the boy's clothes.

### GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Francis T. Probert of 17 Champa ave., Newton Upper Falls, celebrated their 50th wedding anniversary at their home on Monday, June 20. Mr. and Mrs. Probert received many gifts, flowers and cards during the day when they received informally. At 3 p. m. a group of about 65 members of the church and congregation of the First M. E. Church gave a surprise shower to the happy couple. Rev. G. Vaughn Shedd in behalf of the guests presented Mrs. Probert with a beautiful bouquet of flowers tied with golden ribbon from which half dollars wrapped in yellow cellophane paper formed a golden shower. Mr. H. E. Locke presented Mr. Probert with a bunch of lollipops from which showered fifty cent pieces attached in the same manner as Mrs. Probert's bouquet. Mr. and Mrs. Probert were assisted in welcoming the guests by their nieces the Misses Olive and Eva Duvall and Mrs. Ernest Duvall of Lincoln, N. H., also Mrs. Probert's two sisters.

Refreshments were served by a group of young ladies of the church. Mr. and Mrs. Probert have been residents of Upper Falls for over 35 years.

## Rotary Club

At the meeting of the Newton Rotary Club last Monday, Mr. George F. Spaulding of Newton Centre spoke on his "Personal Recollections of Teddy Roosevelt as a Boxer at Harvard." The series of bouts described occurred on March 22, 1879, Roosevelt's junior year at Harvard. Mr. Spaulding was a freshman at this time. Teddy did well in the preliminaries but was finally polished off by his adversary in the finals.

Although he suffered considerably from asthma as a youth, young Roosevelt was not a puny young man in college as is so generally believed. At the time of these matches he weighed 135 lbs., and was one of the best developed boxers participating.
